

2017-2018 College of Health Science Scholarship Application

*** Students who have already received previous scholarships from the College of Health Science are still required to re-apply each year for scholarship opportunities.**

Qualified recipients should apply directly with the College of Health Science (HSC A6).

Scholarship Application: Policy & Procedures

Applications Distributed: March 1, 2017

Deadline: April 1, 2017

Applications may be accepted after this date, but those submitted on or before **April 1** will receive priority consideration.

Applications will be made available on the College of Health Science website, Facebook, Twitter and by email to students.

Applications should be returned to the College of Health Science office (HSC A6), M-F 8:00-5:00 pm.

A committee will review the applications and announcement of the award will be made by the Office of Financial Aid, as part of an updated awards letter on InsideCBU.

Additional awards will be announced as necessary.

ELIGIBILITY:

- **Applicants must be enrolled and in good standing with the University.**
- **Applicants must have declared a major within the College of Health Science.**
- **Undergraduate applicants must have demonstrated academic success through the completion of a minimum of 15 credits in residence at the University, at least 6 units of which are requirements for a College of Health Science major, with a minimum cumulative grade point average of 3.0.**
- **Applicant must be a U.S. citizen, permanent resident or eligible non-citizen.**

AWARD: Recipients will have awards divided evenly between the Fall and Spring semesters. Students must reapply annually for College of Health Science scholarships. Satisfactory academic progress must be maintained to qualify for scholarship renewal.

NOTE: Please be aware that if a student is also a recipient of other funding sources or aid outside of the university, there may be a conflict in receiving institutional aid. Applications will still be accepted, but the Office of Financial Aid will make the final determination if a conflict is present.

REQUIREMENTS: In order for funds to be awarded each semester, recipients must be enrolled in a minimum of 15 units per semester (9 units for graduate students) and enrollment must include a minimum of 2 courses per semester that are listed in the University catalog as required courses for a major in the College of Health Science. If a student drops below 15 units during the semester of award, student will no longer be eligible for award.
