# Kaltura Stitch Video Tutorial

Introduction

The Kaltura Video platform allows users to stitch (combine) multiple videos into one video.

**How to Use the Stitch Video Option**

1. Browse to https://calbaptist.mediaspace.kaltura.com.
2. Click the "Guest" button in the upper right.
3. Click the "Login" button.

4. Login to the site using your CBU username and password.
5. Click the "Add New" button.
6. Click the "Stitch Videos" option.
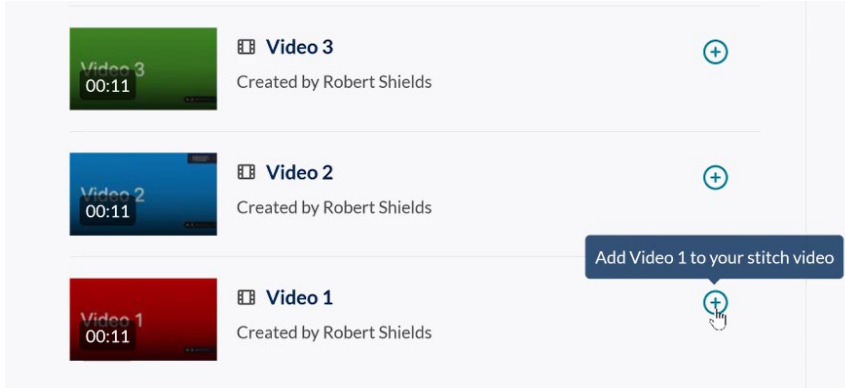

7. Type a name for the new video.

> ≡ **Stitch video**
>
> Choose two or more videos to stitch together. You may choose from
>
> New video name
>
> | Joined Videos |

8. Click the plus sign (⊕) beside each video that you wish to stitch together.

> | Video 3 | ⊞ **Video 3** | ⊕ |
> | 00:11 | Created by Robert Shields | |
> | Video 2 | ⊞ **Video 2** | ⊕ |
> | 00:11 | Created by Robert Shields | |
> | | | Add Video 1 to your stitch video |
> | Video 1 | ⊞ **Video 1** | ⊕ |
> | 00:11 | Created by Robert Shields | |

9. Use the "Move Position" handles (≡) to reorder the video segments, if necessary.

> **Media to stitch together**   3 Items
>
> | ≡ 1 | Video 3 / 00:11 | ⊞ **Video 3** Created by Robert Shields | ••• |
> | ≡ 2 | Video 2 / 00:11 | ⊞ **Video 2** Created by Robert Shields | ••• |
> | Move Position | | | |
> | ✋ 3 | Video 1 / 00:11 | ⊞ **Video 1** Created by Robert Shields | ••• |

10. Click the "Create" button.

> Cancel   **Create**
