

## VoiceThread Account Migration Tutorial

### Introduction

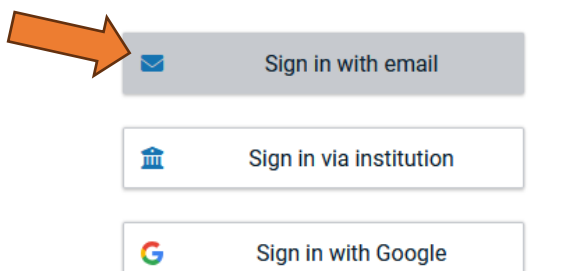

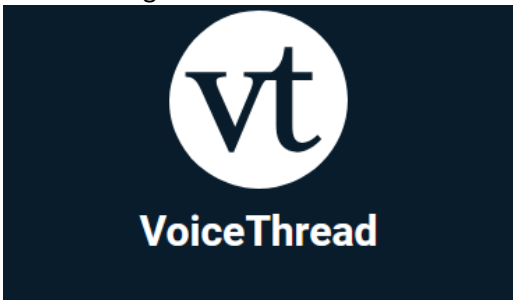

By following the prompts and confirming the migration, users can seamlessly transition from a VoiceThread site license to a free individual license.

### Directions

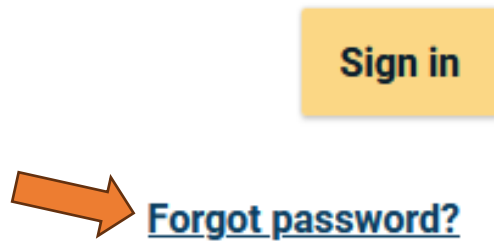

1. Browse to <https://voicethread.com>.
2. Click the “Sign in” button in the upper-right corner.

3. Click the “Sign in with email” button.

4. Click the “Forgot Password?” link.

5. Complete the “PASSWORD RESET” process.
6. Sign in to <https://voicethread.com> with your email address and new password.
7. When the “Account Migration” screen appears, click the “Withdraw” button.

### **Account migration**

The license for **California Baptist University** has expired.  
[What happens if a license is not renewed?](#)

You can also withdraw from this organization.

Cancel

Withdraw

The account will be migrated to a free, individual VoiceThread license.

- Users will still be able to access and managed their previously created VoiceThread presentations.
- Users will also be able to create and manage up to 20 new VoiceThread presentations.
