

# Pre-Radiologic Sciences Fact Sheet

## Fall 2018

---

### Important Deadlines and Dates:

<b>Plan Length</b>	4 Years	5 Years (recommended)
<b>Apply To Radiologic Sciences Program</b>	March 2019	March 2020
<b>Prerequisites Completed By</b>	End of CBU Spring 2019	End of CBU Spring 2020
<b>FA18 Math/Physics Placement</b>	MAT145 Math Methods for Natural Science or MAT245 Analytical Geometry & Calculus I	MAT115 Intermediate Algebra (MAT095 placement may require summer semester)

### Eligibility Information:

- Approximately **30** students are selected for the **Bachelor of Science in Radiologic Sciences** program **annually**.
- Selection is made through a **holistic admission process**. Criteria includes **cumulative GPA, letters of recommendation, essay of intent, completion of observation hours, completion of prerequisite courses, and an interview with the Program Director**.
- The **minimum cumulative GPA required to apply is 2.50**.

This is a **very competitive program**. We encourage all Pre-Radiologic Science students to explore back-up majors/plans.
