

Recommended Courses to Meet General Education Requirements

(Fall 2015 or Later Catalog Year)

Below is a list of General Education (GE) requirement areas and courses that are recommended in meeting each area. This list does not include all CBU courses that will meet GE areas, nor does it take into account areas that may be met by your major or minor. If you have a major or minor that includes any of these requirements, you do not need to take additional classes to meet the GE requirement. For questions on General Education requirements, please contact Academic Advising at advising@calbaptist.edu.
