

Recommended Courses to Meet General Education Requirements

(Spring 2015 or Earlier Catalog Year)

Below is a listing of all the General Education (GE) requirements and recommended courses that will meet these requirements. This list does not include all of the CBU courses that will meet GE, nor does it take into account areas that may be met by your major or minor. If you have a major or minor that includes any of these requirements, you do not need to take additional classes to meet the GE requirement.

For questions on General Education requirements, please contact Academic Advising at Advising@calbaptist.edu.

GE Requirements	Lower Division (course numbers 100-299)	Upper Division (course numbers 300-499) <i>sophomore status required</i>
