

Bachelors of Science in Radiologic Sciences Prerequisite Self-Evaluation Form

| Name | | Date | | | | |
|---|--------|---------------|-------------|----------------------------------|----------------|-------|
| Prerequisite Course | School | Course Number | Course Name | Units (ex: 4.0 S 4.0 Q) | Term completed | Grade |
| Anatomy & Physiology I with Lab | | | | | | |
| Anatomy & Physiology II with Lab | | | | | | |
| General Biology I with Lab | | | | | | |
| Physics with Lab | | | | | | |
| Fundamentals of Chemistry | | | | | | |
| Introduction to Statistics | | | | | | |
| Medical Terminology | | | | | | |
| Mathematical Methods in the Natural Sciences or Analytical Geometry and Calculus I | | | | | | |
| Additional Health Science Related Coursework: | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
