

Join the ACM: CBU Cyber Club!

Why Join?

- **Compete in National-Level Cybersecurity Challenges** – Protect an imaginary company's network while facing real-world cyber threats.
- **Gain Practical Experience** – Develop technical and teamwork skills that will set you apart in the cybersecurity field.
- **Open to Undergraduate & Graduate Students** – Help our team reach full strength by filling key roles!
- **Train with Peers & Experts** – Participate in practice competitions and strategy sessions throughout the year.

Anyone can join!
No matter the Major or
Experience!
