

CBU's Group Visit Information & Guidelines

- Please restrict the use of all mobile devices while on campus. We want to ensure the students are concentrating on the information given to them while here.
- The group must have one adult chaperon for every 10 students.
- Parking: After checking in at the Welcome Pavilion, bus drivers should proceed on Campus Bridge Drive, make a U- Turn at the roundabout to drop students off at the Yeager Center then take Magnolia Avenue to Adams Street **Bus parking is typically in the Lancer Plaza Lot or on Diana Avenue.**
- Upon entering the campus via Campus Bridge Dr., proceed toward the main building, **Yeager Center**. Upon arrival, gather your group at the globe near the fountain. The coordinator of the group should proceed into the Academic Wing (the left hand side) of the same building and check in with the receptionist.
- Your **high school or college group** may request to eat in the Alumni Dining Commons, however you must receive approval before the time of your visit. Groups will *not* be allowed to eat at any of the other dining facilities on campus. **We need to know no less than 72 hours in advance the final total head count for dining. In addition, the money needs to be collected before you arrive on campus.** Once your group arrives, the admissions office will then give your group meal tickets, which will serve as payment upon entering the Dining Commons. All Monies must be collected beforehand by group coordinator and given to CBU Admissions personnel by cash or check. Please contact our Manager of Visit Programs for information.

We would appreciate your cooperation in supporting our requests and reminding your group to be respectful of our campus and guidelines while visiting. We look forward to your group visiting!
