

CBU-LLU Masters in Public Health Dietetics Program

- Through an agreement with LLU, eligible students in CBU's nutrition science program can obtain guaranteed acceptance into the graduate program in dietetics at LLU to become a Registered Dietician (RD).
- Current CBU students must complete the nutrition science degree with a 3.50 or higher and have a recommendation from a faculty member. No GRE is required. Students must submit an application through LLU.
- For more information, please see Dr. Amankwaah or visit www.calbaptist.edu/departments-of-public-health-sciences/public-health-sciences
