

Intercollegiate Athletics Programs Information

The Intercollegiate Athletics Program at California Baptist University is an important and integral part of the entire program at CBU. Athletics is a crucial component in our mission to assist students to “Live Their Purpose” for a significant number of our students. Athletics not only provides an important vehicle for advertising the University, it much more importantly is a vehicle for our Varsity Athletes to perform in their sports and develop their own “life-long learning” and habits of the mind.

The annual Equity in Athletics [EADA](#) Report is published each year to show in significant detail how CBU’s Athletic Programs are such an important part of our culture.

The Sports Programs Academic Success Rate Report is available at this [LINK](#). Additional Information regarding Student-Athlete Graduation [RATES](#) ([2007](#), [2008](#)) is also available.

If you would like additional information about our programs and your possible participation in them, you are encouraged to contact the athletic department at 951-343-4318.
