

Student Financial Aid Information

Student Financial Aid at California Baptist University is a very important component of the overall “care-for-the-student” focus of all CBU operations. This Higher Education Opportunity Act Reference sheet provides some of the student financial aid information items.

1. Financial Aid Availability and other financial aid information, including need-based and non-need based aid, federal, state, local and private aid, necessary forms and application process and procedures – [This Link](#)
2. Contact information for assistance in obtaining institutional and other financial aid information – [This Link](#)
3. Estimated Price of Attendance information – [This Link](#)
4. Refund Policy and return of Title IV Financial Aid information – [This Link](#)
5. Requirements for Withdrawal – [This Link](#)
6. Information on the possible loss of eligibility for any types of financial aid due to violation of Drug Laws, and means for regaining eligibility are found in the Student Financial Aid portion of the Student Handbook (generally around page 61-62) – [This Link](#)
7. The University’s Net Price Calculator – [This Link](#)
8. Information regarding State Grant Assistance – [This Link](#)
9. U.S. Department of Education-published information regarding loan availability and student rights and responsibilities: The CBU Student Financial Aid (SFA) Office maintains a supply of such publications at the display tower outside the main SFA office.
10. Notification to students (and parent-borrowers) regarding loan application information being provided to the National Student Loan Data System (NSLDS): These disclosures are made during entrance loan counseling provided by the U.S. Department of Education at www.studentloans.gov
11. Comprehensive information on the terms and conditions of loans applied for along with borrower’s responsibilities. This includes the seriousness and importance of the students’ repayment obligations along with information about the accrual and capitalization of interest: provided in personal entrance counseling and at the U.S. Department of education web site at www.studentloans.gov
12. Information regarding Private (Alternate) Education Loans availability (in addition to other “types” of loans – [This Link](#)
13. General loan information and lender comparison information – [This Link](#)

Student Financial Aid Information, page 2

14. Student Loans Established Lenders List – [This Link](#)
15. Information and availability of various types of student loans including maximum available amounts and other general information – [This Link](#)

Note:

Information regarding the University Educational Loan Code of Conduct is addressed on a separate HEOA document.
