

Lake Erie College of Medicine (LECOM)

Early Acceptance Program

Get accepted early to medical school.

- Through an agreement with LECOM, current or future CBU students can gain early acceptance into medical school (DO) at the Lake Erie College of Osteopathic Medicine (LECOM). No MCAT required.
- Students must complete the on-line EAP application prior to the start of their third year of college by April 1 through LECOM.
- Student must submit an application to LECOM through a link at <http://lecom.edu/admissions/entrance-requirements/early-acceptance-programs/>.
- For more information on the LECOM EAP program, visit www.lecom.edu.
