General Education Guide for Pre-Nursing/Nursing

Below is a list of General Education (GE) requirement areas and Pre-Nursing/Nursing courses (in light blue) that will meet each area. This list does not include all CBU courses that can meet GE areas, nor does it take into account any GE that may be met if you have a minor. Transfer coursework which is substituted for a major class listed below MAY NOT satisfy a General Education requirement. For questions on General Education requirements, please contact your Academic Advisor (salisants activities).
