Summer 2021 Course Delivery

When CBU's Summer semester begins in May 2021 traditional undergraduate and graduate courses will be delivered primarily through live/synchronous remote instruction. The majority of courses being taught in a traditional classroom setting this Summer are lab-based or experiential in nature. Please review the attached list of courses that will be taught in a traditional classroom setting to determine if any of your courses are on the list. This list is continually being updated. Please check your student schedule regularly for any updates. Visit the Planning and Preparedness site for more information.

Title	Description	File type
Summer 2021 Face-to-Face Course List (UPDATED 3-23-21)	Courses being offered Summer 2021 in a Face-to-Face format. All other courses will be delivered in a Live Virtual Synchronized format	.pdf
Instructional Modalities Information	Information outlining some significant components of the modes of remote instruction that CBU will utilize this spring.	.pdf

Academic Advising

The Academic Advising Office serves undergraduate and graduate traditional students by providing support through course scheduling, degree planning, academic appeal processing, and maintenance of academic files.

Grade Policy Information

Grade Reports:

Grade Reports are available to students through InsideCBU upon completion of the semester. Students with a student account hold are not eligible for a grade report.

Grade Changes:

Students who believe a grade has been recorded in error have the responsibility to initiate a grade change request with the instructor. There is a five year limit on requests for grade changes based on computation and recording errors. Otherwise, grades are final at the completion of the course. **No grade changes will be permitted once the degree has been posted.**

Repeating Courses for Grade Replacement:

A student may repeat a course in which a grade of C- or lower was earned. **For grade replacement to apply, the course must have been originally taken in residence and repeated in residence. Courses that may be repeated multiple times for credit are not eligible for grade replacement.** Tuition will be charged for the repeated units. Students may not repeat a course once a baccalaureate degree has been posted. Students who elect to repeat a course may do so only one time for grade replacement. The second grade earned will be used in the GPA calculations regardless of which grade is higher. If a grade of C- or higher is not earned when the course is repeated, the student may repeat the course again; however, subsequent grades will not replace the grade from the first repetition. Subsequent grades will be used in GPA calculations.

Incomplete Grade Petition

Search

Incomplete Policy:

A Petition for Incomplete Work is filed only in cases of extreme and unforeseen emergencies. Students receiving financial aid may adversely affect aid eligibility by taking an Incomplete. If a grade of I is not raised to a passing grade six weeks after the close of the semester, the grade automatically becomes an F and credit for the course may be obtained only by repeating the course. An incomplete fee is charged for all approved incomplete petitions. **Approval for an Incomplete is gained by petition to the dean of the school or college in which the course is offered. It is the responsibility of the student to initiate and complete the process for incomplete work prior to the end of the semester.** Students who receive an Incomplete will not be eligible for semester honors (Provost's or President's Honor Roll). (University Catalog).

Students must agree to the below Incomplete Policy.
