Dear Friend:

Welcome to California Baptist University! I look forward to greeting you personally when the opportunity permits, but for now allow me to congratulate you for deciding to pursue your educational goals at CBU and to thank you for trusting us to help you reach those goals.

Since 1950, students have chosen California Baptist University for the caring personal attention they receive and for high quality academic programs taught by faculty members who recognize the importance of spiritual development as well as intellectual growth.

Now in its sixth decade, CBU remains faithful to the Christian values and principles found in the Great Commission, Christ's challenge to his followers found in Matthew 28:19-20:

Go ye therefore and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost, teaching them to observe all things whatsoever I have commanded you; and lo, I am with you always, even unto the end of the world.

At CBU, we work hard to fulfill this commandment by integrating faith and learning and by offering a wide range of opportunities for service. Throughout Southern California and around the world, we are gaining a reputation to match our vision of "a University Committed to the Great Commission."

For many students, the decision to share the CBU experience marks the first step in a long-term relationship. We trust it will be a positive and rewarding experience for you. This is an exciting time to be part of the CBU community and we are genuinely pleased that you are here.

Once again, welcome to California Baptist University and may the Lord continue to bless!

Your brother in Christ,

A handwritten signature in cursive script that reads "Ronald L. Ellis".

Ronald L. Ellis, Ph.D.
President

The University

History

On September 18, 1950, the Los Angeles Baptist Association opened the doors of California Baptist College in El Monte to students who came seeking a liberal arts education in a Christian environment. The college began operations with 42 students in Fall 1950; 120 were enrolled during the 1950-51 academic year.

In 1955, after four years of continued growth, the college relocated to larger facilities in Riverside. Today, California Baptist University's one hundred and five acre campus is home to Spanish-style buildings that include classrooms, campus housing, a library, offices, maintenance and athletic facilities. Growth in all areas paved the way for the institution to become a university on September 25, 1998. And along with continuing enrollment growth California Baptist University continues the tradition of higher education in a Christian environment.

Location and Environment

Located in the Los Angeles Basin, sixty miles east of downtown L.A., Riverside is easily accessible by all modes of transportation. Freeways lead into Riverside from every direction and the city is served by international airports in nearby Ontario and Los Angeles.

California Baptist University is surrounded by cultural and scientific opportunities for students of all interests, and the proximity of other colleges and universities makes possible inter-library and inter-cultural exchanges.

Mission Statement

The primary purpose of this corporation is to conduct regular four-year college courses in education, music, sciences and the liberal arts, and to grant certificates, diplomas and any and all degrees evidencing completion of any course of training, together with any and all honorary degrees and to provide training for Baptist youth and others desiring to be affiliated with Baptist theology and theological instruction and such other instruction as may be needful and advantageous in preparing and qualifying ministers and others for Christian work.¹

Philosophy Statement

California Baptist University is a Christian liberal arts institution founded by Southern Baptists to serve the world. As such, the university community provides an accepting, caring Christian atmosphere in which the growth of individuals is enhanced by spiritual formation, personal development, vocational preparation, and a sound, academic, liberating education. In the midst of the pursuit of truth, individuals are encouraged to investigate, practice, and refine their aesthetic, moral, social, and spiritual values in order to prepare themselves to make substantial contributions to the cause of Christ as skilled professionals, thinking citizens, and educated persons.

Educational Standings

California Baptist University is incorporated under the laws of the State of California as a university of arts and sciences authorized to grant the degrees of Bachelor of Arts, Bachelor of Science, Bachelor of Science in Civil Engineering, Bachelor of Science in Electrical and Computer Engineering, Bachelor of Science in Engineering, Bachelor of Science in Mechanical Engineering, Bachelor of Science in Nursing, Bachelor of Applied Theology, Master of Arts, Master of Science, Master of Business Administration, Master of Music, Master of Science in Nursing and Master of Public Administration.

California Baptist University is accredited by the Accrediting Commission for Senior Colleges and Universities of the Western Association of Schools and Colleges* (WASC) and abides by WASC Policy on Substantive Change and the Policy on Distance and Technology-Mediated Instruction. The School of Business at California Baptist University is nationally accredited by the Association of Collegiate Business Schools and Programs. Additionally, the School of Music at California Baptist University is accredited by the National Association of Schools of Music. California Baptist University is approved for teacher education by the State of California Commission on Teacher credentialing.

The University also holds memberships in the Association of Independent California Colleges and Universities, the Association of Southern Baptist Colleges and Schools, the Council for Christian Colleges & Universities, and the Service Members Opportunity Colleges.

Accreditation letters may be viewed in the Office of the Provost.

Philosophy of Student Development

As a Christian university, California Baptist University has dual responsibilities to its constituency. As an academic institution, it seeks to promote high scholastic standards, stimulate mental alertness, impart a general knowledge of the natural world and of the history and institutions of human society, and to assist students in choosing and learning an area of specialization for their life's work.

As a Christian institution, the University seeks to promote and follow the spiritual principles set forth by Jesus Christ. In acknowledging these principles, the University places special emphasis on leading its students in an active pursuit of the spiritual values of life and on developing leaders for the Southern Baptist churches of California and for Christian services around the world.

Students at California Baptist University are individuals involved in academic pursuits and at the same time are members of a Christian community nurturing one another in spiritual growth. The University expects students to take seriously this two-fold responsibility.

The Student Services Division is committed to the intellectual, spiritual, social, aesthetic, and physical development of CBU students so that they are assisted in becoming autonomous, competent, responsible, and interdependent individuals who use their intellects and skills with wisdom and integrity.

Freedom and Responsibility

California Baptist University students are entitled to the same freedom as any other citizens of our country. It is the policy of the University to ensure these rights, consistent with the provisions of law, acceptable tastes, and the purposes and goals of the institution. When matriculation in the University requires that conditions be placed upon student freedoms, these conditions and their rationale are clearly delineated.

At California Baptist University, the concepts of freedom and personal responsibility are inextricably bound together. The University community, like any other, functions upon the principle that all members will respect, and indeed will protect, the rights of their fellow citizens. Students are encouraged to develop these values which represent mature, self-disciplined persons who appreciate the privilege of education and are willing to accept its responsibilities.

When persons choose a university, they commit themselves to its philosophy of education and its policies and regulations. Even though students may not agree with a few rules established by the University, it is expected that they will comply with them in a manner conducive to the highest moral standards and in keeping with the discipline of the academic community.

Responsibility for student conduct lies with the Vice President of Enrollment and Student Services, Dean of Students and the Student Services staff. This group defines behavioral expectations and takes appropriate action in support of the rules of the University.

Standard of Student Conduct

In order to achieve its mission, California Baptist University expects members of the University community to accept responsibility for their personal conduct and to encourage others within the community to do the same.

All California Baptist University students (undergraduate, degree completion, and graduate) are expected to conduct themselves in accordance with the rules and regulations contained within the Student Handbook.

If the conduct of any member of the University community is found to be detrimental to the academic, social, and spiritual development of others within the community, the University (through its various offices and personnel) provides guidance, direction, and, if necessary, judicial action.

This Standard of Student Conduct shall apply to any and all lands owned or leased by the University, as well as to any location where a student is engaged in a University activity. Students should understand the commitment to the spirit of the University and realize that their enrollment is viewed as a willingness to abide by and accept the responsibilities of the environment. A detailed discussion of the Standard of Student Conduct is located in the Student Handbook. Failure to abide by the Standard of Student Conduct may result in expulsion from the University.

Philosophy of Discipline

The purpose of discipline at California Baptist University is to assist in maintaining individual and community growth. Personal growth and maturity are encouraged most when each member of the University community uses self-discipline and shares the responsibility to care enough about others to confront them when appropriate. The responsibility to confront one another in a loving manner, if functioning properly, should enable inappropriate behavior to be corrected on a personal level.

Unfortunately, situations may arise which warrant a formalized judicial process. The judicial procedures of the University are designed to provide a just and equitable process of educational discipline. While every effort is made to protect the rights of students, the University does not attempt to duplicate or to emulate court proceedings and should not be viewed as a court. Student judicial procedures, student rights, and the appeal process are outlined in detail in the Student Handbook.

STUDENT SERVICES

Enrollment Advising

Advising provides scheduling services and registration for traditional, degree completion, and graduate students. The advising staff works in cooperation with faculty assigned to students by major. Enrollment Advisors are available to meet with each student to develop the appropriate schedules and review the student's course plan. Students are encouraged to make appointments to discuss degree requirements, scheduling, and pre-graduation checks. Enrollment Advising is located in the Eugene and Billie Yeager Center, Room B150. Appointments are necessary for advising.

Student Employment and Career Services

The Dr. Linda P. Drake Career Center is designed to assist students in their personal journey of career exploration and development, as well as their immediate employment needs while attending California Baptist University.

In addition to coordinating on-campus jobs for both work-study and non-work study positions, the Center assists students with securing off-campus employment. At no expense to students, the following resources are provided:

- Individual employment and career consultation
- Interactive computer software on topics of career exploration, self-assessment, interview techniques, and resume writing
- Local and national job postings in all academic-related disciplines
- Seasonal employment and ministry opportunities locally, nationally and abroad
- Internships (academic credit available upon approval)
- Online salary and job trend projections, both locally and nationally
- Annual Ministry and Summer Jobs Fair
- Annual Graduate School and Seminary Fair
- Brochures and periodicals on job search and career planning strategies
- Graduate and professional school catalogs

Job fairs are held both in the fall and spring semesters, as well as, workshops on resume writing, job search, and interviewing skills, and business etiquette dinners. Additionally, students may produce professional résumés at the Center. Personal assistance in resume and interview preparation is available by appointment.

Disability Services

Students who have qualified disabilities and wish to arrange the appropriate accommodations, in addition to the general academic support services coordinated by the Academic Resources Center, must identify themselves to the director of disability services. Disabled students who wish to arrange appropriate accommodations must complete and submit a Request for Accommodations form and provide recent, no older than three (3) years, diagnostic test results.

California Baptist University does not offer testing facilities to determine learning disabilities and can provide only limited specialized support. Additional information regarding disabled student services is available in the Disability Services Office.

Public Safety

California Baptist University maintains a Department of Public Safety for the purpose of enhancing the safety and security of the University community. The department assists with the protection of students, employees, and property and assumes an educational role in teaching members of the University community to look out for one another.

California Baptist University certifies that it has established a campus security policy, is carrying out that policy, and meets the disclosure requirements of Title IV of the Higher Education Act (HEA) of 1965 regarding campus security policies and crime statistics.

Information in the Emergency Response and Safety Handbook, and Annual Security Report is provided by law annually to all current students, faculty and staff, employees, and upon request to applicants for enrollment and their parents, as well as applicants for university employment, or upon demand to the Secretary of the Department of Education. The Annual Security Report is distributed by the Department of Public Safety throughout the year to new students at registration, and to new employees with their new-hire by the Human Resource Department packet.

The Department of Public Safety provides twenty-four hour assistance to the campus community. In addition to providing service at CBU Welcome Pavilion, Public Safety Officers regularly patrol all areas of the campus. Public Safety Officers may be contacted by dialing 4311 from an on-campus phone or (951) 343-4311 from an off-campus phone. Public Safety may also be contacted by using courtesy phones located on campus.

Students who operate a vehicle on campus must register with the Department of Public Safety. Current parking permits are issued for the school year at the time of registration. Drivers are expected to comply with the University traffic and safety regulations; non-compliance may result in issuance of a citation and/or the suspension of parking and/or driving privileges on campus. Copies of the California Baptist University Vehicle Code are available on the Public Safety page of the CBU website and in the Public Safety Office.

Campus Housing

Students interested in campus housing should consult the Campus Life Office.

Counseling Services

The Counseling Center offers a full program of assistance to individuals as they strive to become more effective, productive, and comfortable as students. The university experience is a time of growth and transition during which students are confronted with questions about self, religious faith, relationships, and future plans.

In addition to licensed professional counselors, supervised Marriage and Family Therapy interns and trainees are available through the Counseling Center.

Students may discuss and explore freely, and in confidence, problems or feelings that are important to them. During counseling, concerns may be examined, alternatives explored, and decisions made about future courses of action.

Individual intelligence and personality instruments, administered by trained personnel, are also available through the Counseling Center. Test results are kept confidential and released to authorized personnel at the discretion of the Counseling Center personnel.

Services offered without charge to California Baptist University students include individual, group, couples, pre-marital, and marriage and family counseling.

Student Health Services

Graduate Students who are actively attending classes are eligible to participate in CBU's health plan.

The purchase of student medical insurance is optional for students who are enrolled in graduate programs. Students who would like information or wish to enroll in the student medical insurance plan offered through CBU should contact the Student Services Office.

The goal of California Baptist University Graduate Programs is to provide avenues for students to better themselves personally and professionally through practical, ethical, and Christian education. Programs are structured to accommodate busy schedules, as we acknowledge that most of our students are attempting to balance a graduate education with work, home and family. The Graduate Admissions Office at CBU is available to assist both prospective and current graduate and credential students.

When to Apply

Please see program-specific requirements for deadlines or priority deadlines. Certain programs will consider and process applications received after the priority deadline if space is available.

Admission and Application

Each program of study has specific admission requirements which are listed in the program sections of the catalog. Admission and application requirements common to all graduate programs are as follows:

1. Application
 - Applicants for admission to graduate study at CBU must apply for acceptance into a specific graduate program. Applications can be submitted online at www.calbaptist.edu/gradapp or paper applications can be obtained by contacting the Graduate Admissions Office.
2. Application Fee
 - A non-refundable application processing fee is required.
3. Completion of a Bachelor's Degree
 - A bachelor's degree from a regionally accredited institution or the evaluated equivalency of a bachelor's degree from a regionally accredited institution is required.
4. Official Transcripts
 - Official sealed transcripts from all colleges and universities attended must be submitted to the Graduate Admissions Office. "Issued to Student" transcripts are not official. An official transcript is one the University receives directly from that institution and bears an official seal. A summary of credit transferred from an institution previously attended and recorded on another transcript is not acceptable.
5. GPA Requirement
 - Applicants to graduate studies must meet a minimum cumulative or last 60 semester (or 90 quarter) unit grade point average specified by each program.
6. Recommendations
 - Recommendations are required and forms are provided. Recommendations may not come from family members or friends. Please see specific program requirements for additional recommendation criteria.
8. Application Essay
 - All programs require an application essay. Please see specific program admission requirements for essay information.
9. English Language Proficiency
 - Applicants whose first language is not English and/or do not have a degree from an institution where English is the primary language of instruction are required to display English proficiency before being admitted into a graduate program at CBU and must submit standardized test scores (TOEFL). The minimum TOEFL score required to display English language proficiency for graduate programs is 89 IBT/230 CBT/575 PBT. If the scores are lower than this score, but higher than 65 IBT/173 CBT/525 PBT applicants may be admitted into a graduate program while taking required language courses to meet the minimum TOEFL requirement. If the TOEFL score is less than 65 IBT/173 CBT/525 PBT, applicants may be admitted to the Intensive English Program only.

Student Status

Applicants to the program will be considered according to the following classifications:

Unconditional

Applicants who have met the unconditional status GPA requirement specified by each program, who have completed the required prerequisites and have provided Graduate Admissions with all required forms, documents and fees, may be unconditionally admitted to the University with full graduate standing.

Conditional

Applicants who show a deficiency in any admission requirements may be admitted on a conditional basis.

Special

As an alternative to regular admission an applicant may be considered for admission (with permission from the program director) under Special Student Status. Special Students may enroll in no more than a total of six graduate units. To continue beyond six units students must complete program admission requirements and be accepted to a specific graduate program. Enrollment as a Special Student does not guarantee or imply later admission to the graduate program, but credit for the courses may be counted toward graduation requirements following admission to the graduate program. Certain courses may have restrictions and/or prerequisite requirements. Note: Special Students are not eligible for Financial Aid.

Denial

Denial may occur when an applicant does not qualify for admission in any one of the above categories. CBU reserves the right to deny admission to any applicant who is antagonistic with the philosophy and purpose of the University.

Appeals

Appeals on any decision regarding admission should be made in writing and addressed to the Admission and Retention Committee in care of the University.

CBU Applicants

A current undergraduate CBU student who has been accepted to a graduate program may be allowed to enroll in a graduate program pending the posting of their bachelor's degree. The degree must be posted by the last day to drop for the semester or the graduate enrollment will be voided. The student is responsible for determining how this will affect their academic record, tuition, and eligibility for financial aid.

Readmit

Students who have attended CBU but have discontinued enrollment for the fall or spring semester will be required to readmit to the University. Students must submit a Readmit Form, readmit fee and official transcripts from all other institutions attended since last enrolled at CBU. Readmitted students will enter under the catalog current at the time of readmission and will be subject to the degree requirements outlined in that catalog. The University is not responsible for providing courses or programs that have been discontinued. For more information please contact the Graduate Admissions Office.

Reapply

Students who have discontinued enrollment for six or more semesters (three or more semesters for the School of Behavioral Science) must reapply for admission. Students will enter under the catalog current at the time of readmission and will be subject to the admissions and degree requirements outlined in that catalog. The University is not responsible for providing courses or programs that have been discontinued. For more information contact the Graduate Admissions Office.

Change of Degree Program

Admission to graduate studies at California Baptist University is degree specific. Students wishing to change degree programs must apply for the desired program. No credit toward the new degree will be granted until admission to the new program has been approved.

Enrollment in Coursework Outside Approved Program

With permission from the Program Director, students may be permitted to enroll in up to six (6) units of coursework outside of their program. To continue beyond six units the student must complete program admission requirements and be accepted to the graduate program. Enrollment in the six units does not guarantee or imply later admission, but credit for the course may be counted toward graduation requirements following admission to the graduate program.

Note: Students taking coursework outside their approved program are not eligible for Financial Aid.

International Student Admission

International applicants who meet all University and Graduate Program admission requirements may receive full admission to their chosen graduate program. Applicants who do not meet the English Language Proficiency requirement may also be admitted to CBU in the following manner:

When to Apply

Due to the time needed to process documents through SEVIS, applications for a particular term must be made according to the following deadlines:

Session	Deadline
Fall Semester	July 1
Spring Semester	October 15
Summer Semester	March 1

Once all admission requirements have been met and the applicant is approved for admission a letter of acceptance and Form I-20 will be issued.

Application Procedure

To be considered for admission international students must complete all requirements listed in the program section of the catalog. Additionally, they must complete the following:

1. Submission of Academic Records:
 - Official academic records, showing dates of attendance, courses taken and grades received are required. An official academic record (i.e. degree, diploma, mark sheets, exam records, record of courses, transcripts) is one the university, or its representatives, receives directly from that institution. A certified English Translation must also be provided.
2. Financial Documentation:
 - The CBU Confidential Financial Statement accompanied by a bank certified statement or affidavit of support indicating sufficient funds for study. Financial support must be guaranteed and certified for the duration of the applicant's academic career at CBU. Note: International students must pay semester charges in full before registration can be completed.
3. Language Proficiency:
 - Applicants whose first language is not English and/or do not have a degree from an institution where English is the primary language of instruction are required to display English proficiency before being admitted into a graduate program at CBU and must submit standardized test scores (TOEFL). The minimum TOEFL score required to display English language proficiency for graduate programs is 89 IBT/230 CBT/575 PBT. If the scores are lower than this score, but higher than 65 IBT/173 CBT/525 PBT applicants may be admitted into a graduate program while taking required language courses to meet the minimum TOEFL requirement. If the TOEFL score is less than 65 IBT/173 CBT/525 PBT, applicants may be admitted to the Intensive English Program only.

The Purpose of Financial Aid

California Baptist University coordinates and provides financial assistance to students. Financial aid at California Baptist University is administered in accordance with federal, state, and institutional policies. It is important students understand they bear the principal responsibility for meeting educational costs. A federal methodology calculation is used in determining eligibility for financial aid. There are various grants, scholarships, and loans available for students who are eligible for financial assistance. These forms of financial assistance are grouped into the following categories: Federal programs, state programs, and private scholarships. Specific information on each of these sources of financial aid is available on the Financial Aid website and in the Financial Aid Office.

Applying for Financial Aid

Students who apply for federal, state, or private aid must complete a Free Application for Federal Student Aid (FAFSA) each year. This form is available from the Financial Aid Office or online. The renewal FAFSA can also be done on the web. The federal Department of Education allows each student to choose a four-digit PIN for ease of filing and for signing the FAFSA electronically.

Completion of the FAFSA will generate a Student Aid Report (SAR), which is sent directly to the student by the federal government. The Financial Aid Office receives the FAFSA information electronically, provided the student lists California Baptist University as an attending institution, referenced by the school code 001125 on the FAFSA. Other documents may be requested to complete a financial aid file. All requested documents must be submitted 14 days prior to the close of the term.

To qualify for a financial aid award, graduate students must be enrolled in 5 units of degree applicable coursework for part-time status, 7 units of degree applicable coursework for three-quarter time status, and 9 units of degree applicable coursework for full-time status.

The amount of financial aid awarded is based on the financial need of the student as determined by the results of the FAFSA. Financial need is defined as the difference between the total cost of attending school (tuition, fees, room, board, books, supplies, and other allowable living expenses) and the Expected Family Contribution (EFC) as determined by the federal government. A student who's Expected Family Contribution surpasses the cost of attendance may still qualify for financial aid.

Requirements for Awarding

An offer of financial aid is generated upon acceptance to the University and completion of the registration process, provided a FAFSA has been filed. Copies of federal income tax returns may be required if the student is selected for verification by the Department of Education. The Financial Aid Office reserves the right to require tax documents to verify information contained on the FAFSA.

STUDENT RIGHTS AND RESPONSIBILITIES

Offer of Financial Aid

Students are required to notify the Financial Aid Office of changes in financial, residency, or academic status. Changes of this nature will be reviewed and adjustments may be made to the Financial Aid Award when necessary. Changes in marital status cannot be made once a FAFSA has been completed for that academic year.

Students have the opportunity to have financial aid decisions reviewed and explained by a Financial Aid Counselor upon request of appointment.

Disbursement

Federal loan funds are credited directly to the student's account. Stafford loan (subsidized and unsubsidized) and Graduate Plus disbursements are sent directly to the University each semester via Electronic Funds Transfer (EFT). Students may also request loan disbursements via check. Checks are returned to the lender if not endorsed within thirty days.

Withdrawal from the University

Withdrawal from the University (all classes) during any period of enrollment, whether official or unofficial, may necessitate the return of federal financial aid.

Pursuant to federal regulations (CFR 668.22), a refund calculation will be performed to determine the amount, if any, of Title IV aid (Stafford loans, Grad Plus, Perkins loans) earned by the student for their attendance up to the date of withdrawal.

The official withdrawal process begins with the completion of the Petition to Withdraw form, which is available in the Office of Enrollment Services. Please refer to the Academic section of this catalog for further details of the process.

Unofficial withdrawals encompass those students who fail to initiate and/or complete the official withdrawal process as noted above.

Ceasing to attend class without proper notification to the Office of Enrollment Services or the Office of the Registrar will result in an unofficial withdrawal and a refund calculation will be performed to determine the amount of Title IV aid earned and the amount to be returned to the Title IV programs. The student is responsible for any resulting balance owed to the University.

SATISFACTORY ACADEMIC PROGRESS

Federal regulations require California Baptist University to establish, publish, and apply standards of Satisfactory Academic Progress for financial aid eligibility. The purpose of measuring and enforcing these standards is to ensure financial aid recipients' progress toward graduation. Students who fail to meet the satisfactory academic progress requirements become ineligible to receive financial aid until they are in compliance with these requirements.

Qualitative Standard

The qualitative standard relates to GPA. A student must maintain good academic standing to continue receiving most types of financial aid. The qualitative standard is verified by the Financial Aid Office annually after the spring semester. A graduate student must maintain a cumulative GPA of 3.0 or above.

Transfer Students and Readmitting Students

A transfer or readmit student that does not have the minimum GPA for their program will receive one (1) semester of aid probation to bring their GPA up to the required level before their aid is terminated.

Appeal and Reinstatement Process

Before filing an appeal for reinstatement of financial aid, it is important that students seek assistance from an Enrollment Advisor in order to explore ways of eliminating unit deficiencies and to establish a realistic plan toward graduation. At the time of termination, the Financial Aid Office will provide the student with instructions on how to appeal. A copy of the appeal form can be obtained from the Financial Aid Office.

When filing an appeal, make sure that a full explanation is provided, along with documentation, verifying the circumstances that led to the inability to meet the minimum progress requirements.

It is important that a definite plan toward graduation is established. An Academic Success Plan should be completed with the assistance of an Enrollment Advisor and submitted along with the letter of appeal. Should the appeal be approved, it is important that the Academic Success Plan be realistic as the ability to adhere to the plan will be closely monitored. Failure to follow the courses and units outlined may be used as a basis for future denial of financial aid.

If the Appeal is Denied students that do not have their appeals approved will receive information regarding other alternatives available to them. Some options include:

1. Continuing enrollment at CBU without any financial assistance
2. Continuing enrollment at CBU with the assistance of private loans. The Financial Aid Office can provide the student with information on these loans.

Repeated Courses

Financial Aid will be awarded only twice for the same class. The cost of the third attempt will not be covered by financial aid and will not be counted as part of the half-time minimum aid eligibility requirement.

INSTITUTIONAL FINANCIAL AID PROGRAMS FOR GRADUATE STUDENTS**Common Requirements for Institutional Programs**

With regard to institutional financial assistance, the following common requirements have been established for all students enrolled in the Graduate Program:

- All scholarships are applied directly to a student's account. No cash distributions are made directly to the scholarship recipient. Scholarships are not transferable to any student other than the recipient.
- In order to maintain aid eligibility, students receiving any financial aid must maintain satisfactory academic progress, as stated in this catalog.
- Institutional scholarships are limited and may not be awarded if all available funds have been appropriated.
- Students must complete their financial aid file by the first published financial clearance date of each Fall semester, Spring semester, and Summer semester.
- All awards are based on full-time enrollment of 9 units per semester or session. Students enrolled for less than 9 units are eligible to receive aid, prorated accordingly.
- All institutional aid is tuition-based. If a student receives additional non-institutional tuition-based aid, the amount of tuition-based aid may need to be reduced so the total tuition-based aid does not exceed the cost of tuition.

VA Yellow Ribbon Program Scholarship**Description**

- The Yellow Ribbon GI Education Enhancement Program is a provision of the Post-9/11 Veterans Education Assistance Act of 2008. The program provides for an agreement between CBU and the Veteran Administration to award a limited number of scholarships to qualified VA students to fund tuition and fees that exceed benefits available under the Post 9/11 GI Bill (Chapter 33). Under the agreement VA will match CBU's scholarship contribution.

Eligibility

- Student must qualify for the Post-9/11 GI Bill through Veteran's Administration and elect to receive benefits under the Post 9/11 GI Bill program.
- Students must qualify for Yellow Ribbon program benefits as defined by the Post-9/11 GI Bill and Yellow Ribbon GI Education Enhancement Program.
- A limited number of scholarships are available and are awarded on a first-come, first-served basis as required by the Yellow Ribbon Program agreement.

Award

- Recipients may receive varying amounts to be determined by semester enrollment, tuition and fee charges.
- Recipients will be awarded in the current and subsequent academic years in which the university participates in the Yellow Ribbon Program and the student maintains continued enrollment and satisfactory progress, conduct, and attendance.

Procedure

- Student's who qualify for the Post-9/11 GI Bill and the Yellow Ribbon Program as determined by their VA Certificate of Eligibility should apply directly with the Office of the Registrar.

FEDERAL FINANCIAL AID PROGRAMS**Common Requirements for all Federal Programs**

- Students applying for federal aid must complete a financial aid file which includes the FAFSA.
- Federal aid recipients must be U.S. citizens, permanent residents or eligible non-citizens.
- Federal aid recipients must not be in default on a student loan and not owe a refund on any state educational grant.
- Federal aid recipients must maintain satisfactory academic progress according to institutional standards as stated in this catalog.
- Students concurrently enrolled in other institutions will only be eligible for financial aid based on the units in which they are enrolled at California Baptist University.

Note: Federal program requirements are subject to change at any time.

Federal Work Study Program

Description

- Federal Work Study (FWS) is a federally-funded, campus-based work study program designed to assist undergraduate and graduate students in job placement to help earn money for their educational expenses.

Eligibility

- Eligibility is determined by a student's financial need. Priority will be given to students with financial need.

Award

- FWS funds are not disbursed separately to the student, nor applied directly to the student's account; they are included in the student's regular paycheck. Work Study awards indicate a maximum amount for which a student is eligible. Student's earnings will be monitored each pay period and will be adjusted accordingly.

Procedure

- Students obtain an employment application from Career Services. The application is reviewed by Financial Aid for FWS eligibility. Once employment is obtained, FWS will be applied. FWS amounts are based on hours worked and financial need as determined by the FAFSA.

Federal Stafford Loan

Description

- The Federal Stafford Loan is a low-interest loan available to students who have financial need as determined by the results of the FAFSA. The loan is made to the student by the Federal Department of Education through the Direct Loan Program. Upon repayment, loan payments are made directly to the Department of Education on a monthly basis. Interest rates for Stafford loans can be determined using the list below.

Federal Subsidized Stafford Loan Interest Rates - No interest accrues while the student is enrolled in school at least half-time and repayment begins six months after graduating, leaving school, or dropping below half time enrollment

Subsidized loans first disbursed before July 1, 2006, are variable, based on a 91-day T-bill, capping at 8.25%.

Subsidized loans first disbursed between July 1, 2006 and June 30, 2008 are fixed at 6.8%

Subsidized loans first disbursed between July 1, 2008 and June 30, 2009 are fixed at 6.0%.

Subsidized loans first disbursed between July 1, 2009 and June 30, 2010 are fixed at 5.6%.

Subsidized loans first disbursed between July 1, 2010 and June 30, 2011 are fixed at 4.5%.

Federal Unsubsidized Stafford Loan Interest Rates - Interest begins accruing after the first disbursement. The student is responsible for any interest accrued but can defer the interest with the principle of the loan.

Unsubsidized loans first disbursed before July 1, 2006, are variable, based on a 91-day T-bill, capping at 8.25%.

Unsubsidized loans first disbursed between July 1, 2006 and June 30, 2008 are fixed at 6.8%

Subsidized loans first disbursed between July 1, 2008 and June 30, 2009 are fixed at 6.0%.

Eligibility

- Eligibility is determined by a student's financial need.
- First-time borrowers, transfer students, and students new to the graduate program must complete an entrance interview before any funds can be disbursed. Upon withdrawal from school or graduation, all recipients must complete an exit interview.

Award

- Students enrolled in graduate programs are eligible to borrow up to \$20,500 per academic year (two semesters).

Financial Aid

Federal Perkins Loan

Description

- The Federal Perkins Loan is a federally funded, low-interest, campus-based loan available to students who demonstrate financial need as determined by the results of the FAFSA. No interest accrues while the student is enrolled in school at least half-time and repayment begins nine months after graduation, leaving school or dropping below half-time enrollment.

Eligibility

- Eligibility is determined by a student's financial need. Priority will be given to students with exceptional financial need.
- All recipients must complete an entrance interview before any funds can be disbursed. Upon withdrawal from school or graduation, all recipients must also complete an exit interview.
- All recipients must complete a promissory note and additional forms as required by the institution before any funds can be disbursed.

Award

- Awards for graduate students may be up to \$3,000 per term for the Fall and Spring semesters.
- Funds are limited

Procedure

- Potential recipients should apply directly to the Financial Aid Office.

STATE FINANCIAL AID PROGRAMS

Assumption Program of Loans for Education (APLE) (for Credential Students)

Description

- The Assumption Program of Loans for Education (APLE) is a state funded, competitive teacher incentive program which is designed to encourage outstanding students to become teachers and serve in critical teacher shortage areas. Under the provisions of the APLE program, the California Student Aid Commission (CSAC) may assume up to \$19,000 in outstanding educational loan debt in return for the participant's service as a public school teacher in California in either designated subject matter areas (mathematics, science, english, bilingual education or special education) or in schools serving large populations of students from low-income families. A list of qualified schools is available on the internet at www.csac.ca.gov.

Eligibility

- Applicant must be a legal resident of the state of California.
- Applicant must have completed a minimum of 60 semester or 90 quarter units.
- Applicant must have received Stafford, FFELP, Perkins, or other student loans approved by CSAC.
- Applicant must not have completed the coursework necessary to obtain an initial teaching credential.
- Applicant must not be employed as a full-time teacher.
- Applicant must agree to teach in a California public school for at least four consecutive years after obtaining a teaching credential. This agreement may also have other requirements regarding type or location of teaching as determined by CSAC.

Assumption Program of Loans for Education (Graduate APLE)

Description

- The Graduate Assumption Program of Loans for Education (Graduate APLE) is a state funded, competitive teacher incentive program which is designed to encourage outstanding students to become teachers and serve at a college or university. Under the provisions of the Graduate APLE, after a participant has obtained a graduate degree, the Commission may assume up to \$6,000 in outstanding student loans in return for three consecutive years of service as the equivalent of a full-time member at one or more California colleges or universities.

Eligibility

- Applicant must be a legal resident of the state of California.
- Applicant must have Stafford, FFELP, Perkins, or other student loans approved by the California Student Aid Commission.
- Applicant must demonstrate academic ability and financial need.
- Applicant must be free of obligations to repay any state or federal educational grant and NOT be in default on any federal loan.
- Applicant must have completed a baccalaureate degree or be enrolled in a program leading to a graduate level degree.
- Applicant must be enrolled (or admitted) in a graduate program on a full time basis each term beginning with the Fall term.
- Applicant must agree to teach at one or more accredited California colleges or universities for at least three consecutive years after obtaining a graduate degree.

Cal Grant Teaching Credential Program

Description

- The Cal Grant TCP is a state funded, need-based grant that provides tuition assistance to graduate students enrolled in a Teaching Credential Program.

Eligibility

- Students must have been recipients of Cal Grant A or Cal Grant B as an undergraduate.
- Form G-44 must be completed and submitted to the California Student Aid Commission for approval. Forms are available in the Financial Aid Office.
- Based on eligibility, Cal Grant TCP Grant awards are awarded to cover up to the amount of tuition and fees only. The grant covers only credential applicable coursework.
- Funding for the Cal Grant TCP Grant is subject to state budget allocations.

Policy for Student Accounts

Student charges are due and payable at the time of registration for all students. Tuition, fees, room and board become the liability and obligation of the student in accordance with the refund policy for refund of tuition, room and board charges. The University expects students to complete payment for the current semester before advancing to a future semester. Two payment options are available for students with a balance after financial aid, if applicable. If semester charges are not covered by one of the two payment options a deferred payment fee may be assessed and a hold will be placed on the student's account preventing release of transcripts and future registration until the balance is covered with verified funds.

Two Payment Options

Option 1 (Payment in Full)

California Baptist University accepts the following forms of payment: cash, check, credit card (Visa, MasterCard, Discover). Payment in full at the beginning of each semester or term is required. The University offers an alternative payment plan for parents and students unable to pay full costs by the start of an academic semester or term.

Option 2 (Semester Payment Plan)

The semester payment plan enables you to pay all or part of your annual charges in installments without interest. Your monthly payments are calculated on an amount that is equal to the total expenses less grants, scholarships, or direct payments made to the University. The plan gives students the option to pay through automatic bank draft (ACH) or credit card. The plan requires a \$25 per semester enrollment fee. See InsideCBU Student Accounts tab for more information.

Financial Clearance

To attain Financial Clearance to attend classes a student must have a signed Tuition and Fee Agreement on file in the Student Accounts Office and make acceptable payment arrangements to cover their balance in full.

Financial Clearance Deadline Dates

All students should pay their balance by close of business day on the deadlines specified below to avoid a Late Financial Clearance Fee charge and possible administrative withdrawal from the University.

Semester	Deadline
Fall 2010	Tuesday, August 17, 2010
Spring 2011	Wednesday, January 5, 2011
Summer 2011	Tuesday, May 3, 2011

All International students are required to pay their balance in full by the deadlines specified below:

Semester	Deadline
Fall	August 1
Spring	December 1
Summer	April 1

International students who do not complete payment arrangements by the specified deadline will be administratively dropped from their courses. The Dean of Students and Director of International Students will be notified of such action.

Delinquent Accounts

Delinquent accounts are those in which monthly payments are past due. Interest is charged on all delinquent accounts at a rate of .833% per month, or 10% per year computed monthly. In the event an account becomes delinquent and the account is turned over to a collection service, the cost of the service and reasonable attorneys' fees will be added to the account. Failure to make payments of any indebtedness to the University when due, including, but not limited to tuition, housing or rental charges, student loans, laptop fees, special fees, library or parking fines, is considered sufficient cause, until the debt is settled with verified funds, to:

- Bar the student from classes
- Record no grades on transcript
- Withhold diploma or transcript of records
- Dismiss the student

Returning students will not be permitted to register for classes if a balance appears on their account.

Policy for Refund of Tuition, Fees, Room and Board Charges

The Student Accounts Office will automatically process tuition refunds for all eligible students. Refunds are calculated from the date of official withdrawal. A withdrawal is considered official when a completed Petition to Withdraw Form has been submitted to the Enrollment Services Office and processed by the Office of the Registrar, Financial Aid and Student Accounts.

Ceasing to attend does not constitute an official withdrawal from a course or from the University. However, a Title IV-unofficial withdraw may be processed as required per federal regulations, which may necessitate the return of federal financial aid.

Refer to the Financial Aid and Academic Information sections in this catalog for additional information regarding withdrawals.

Tuition charges may be refunded or credited per the following schedules:

Tuition

Withdrawal from a course

Within add/drop period–	A student may drop from a course and receive a full credit of tuition. No mark will appear on the transcript and no charge is incurred.
Within withdrawal period–	A student may withdraw from a course. However, there will be no credit of tuition, and a “W” will appear on the transcript.

Withdrawal from the University (Graduate 16 week courses)

A student withdrawing from the University during the semester may receive a credit on tuition (room and board not included) according to the following schedule:

Within the first two weeks after semester begins	100%
Within the third week after semester begins	75%
Within the fourth week after semester begins	50%
Within the fifth through eighth week after semester begins	25%
After the eighth week of the semester	No refund

Withdrawal from the University (Non-16 week courses)

A student withdrawing from the University during the semester may receive a credit on tuition (room and board not included) according to the following schedule:

Within add/drop period	100%
After add/drop period	No refund

Refer to the University Catalog and course schedule for add/drop and withdrawal dates. Course schedules may be obtained at www.calbaptist.edu/schedules.

Completion of even one course in a semester will make a student ineligible for withdrawal from the University for that semester.

Room and Board

These charges may be refunded or credited upon written application to the Student Services Office only within the first two weeks of each semester. No room or board refund/credit will be made after the second week.

Repayment of Financial Aid

See “Withdrawal from the University” under Financial Aid for a complete discussion.

Policy for Student Organization Funds

All student organization funds must be deposited with the University. The University disburses funds through the normal requisition process. All requisitions must have the signature of the organization treasurer or president and the Vice President for Student Services. Proceeds from the sale of yearbook advertising and school newspaper advertising must be handled through the Student Accounts Office. No organization or club is permitted to solicit advertising or contributions without the written permission of the University administration.

The University reserves the right, with or without notice, to change fees and charges when necessary.

Academic Information

California Baptist University offers nine undergraduate degrees: Bachelor of Applied Theology, Bachelor of Arts, Bachelor of Music, Bachelor of Science, Bachelor of Science in Civil Engineering, Bachelor of Science in Electrical and Computer Engineering, Bachelor of Science in Engineering, Bachelor of Science in Mechanical Engineering and Bachelor of Science in Nursing; and six graduate degrees: Master of Arts, Master of Business Administration, Master of Music, Master of Public Administration, Master of Science and Master of Science in Nursing. Additionally, CBU offers Single Subject, Multiple Subject, and Preliminary Administrative Services Credential Programs and the Education Specialist Credential Program in Mild/Moderate Disabilities-Level I and Level II.

Graduation Under a Particular Catalog

Students must adhere to graduation requirements listed in the catalog in effect at the time of matriculation. A student may choose to use any newer catalog, provided that the catalog used is no more than five years old. The catalog remains in effect for the student until degree completion or catalog expiration at the end of five years. All students who are re-admitted to programs at California Baptist University after officially or unofficially withdrawing or any lapse of enrollment longer than one semester will be placed under the catalog current at the time of re-admission, and will be subject to the degree requirements outlined in that catalog. The University is not responsible for providing courses or programs which have been discontinued.

Continuation under the catalog holds ONLY degree requirements; it does NOT hold policies, tuition and fees, and other information, which may change annually. It is the responsibility of the student to attend to changes in policies, tuition and fees and other information. Updates regarding current policies, tuition and fees and other information is available from Enrollment Advising, Office of the Registrar, Student Accounts, Student Services, and other University offices.

In addition to catalog requirements, students are also held to program specific regulations and requirements as outlined in each graduate program Handbook. Students are responsible for obtaining and reading their program Handbook. Contact the program secretary for additional information.

Work in Residence

Students are expected to complete the majority of required coursework in residence. With approval from the program director and Office of the Registrar, a maximum of 9 units of graduate level coursework may be transferred from another university.

Student Load Limits

Students who have not completed program prerequisites may be admitted conditionally with the following stipulations for the first semester of enrollment:

1. If three or more prerequisites are outstanding, the student may not enroll in graduate classes, but may enroll in undergraduate classes to meet the prerequisite requirements.
2. If two or fewer prerequisites are needed, they must be completed with a grade of C or higher by the end of the first semester of enrollment in a graduate program.

Students taking prerequisites at California Baptist University may not enroll in more than 12 units (undergraduate and graduate) in any one semester; individual programs may have a limit lower than 12 units per semester. Individuals requesting exceptions must receive written permission from the program director.

Approval for Graduation

Students should review their InsideCBU degree guide on a regular basis to evaluate progress toward graduation. Students preparing for graduation must submit a Graduation Application to the Office of the Registrar. Upon verification of eligibility to graduate a student may participate in the graduation ceremonies. Graduation Applications must be submitted by the application deadline or the student will be assessed a Late Graduation Application fee due at the time of application. Applications received after the degree posting date will be required to apply for the next eligible degree date. All candidates for graduation must be recommended by the faculty. Failure to complete degree requirements by the designated posting date may require re-application and an additional fee will be assessed.

Degree Posting Dates

The University posts degrees three times each year, regardless of the specific date all work is completed. All degree requirements must be met prior to the posting date. The three approximate posting dates are at the end of the regular fall semester (last day in December), the end of the regular spring semester (first Friday in May), and the end of the regular summer semester (last day in August). Degrees completed between posting dates will be posted at the next scheduled date.

Once the degree is posted, no changes will be made to the transcript.

Transfer Restrictions

The Office of the Registrar with the program director will evaluate previous college work to determine its relationship to the requirements of California Baptist University. A maximum of nine (9) graduate semester units may be accepted in transfer toward fulfilling degree requirements. The student may be asked to submit a syllabus and/or textbooks for the course in question. Courses must have been completed within the last five years. Only coursework completed with grades of B- or better from a regionally accredited institution is transferable. California Baptist University does not accept transfer work that was not designated as degree-applicable by the issuing institution. A transfer student may be required to submit a letter from the academic institution verifying they left in good standing. Course Transfer Approval forms may be obtained in the Office of the Registrar.

Enrollment at Other Institutions

All students who wish to take coursework at other institutions and wish to apply this work toward degree requirements at California Baptist University must receive prior written approval from the program director and Registrar. The purpose of this is to ensure that the coursework is transferable to California Baptist University, and to encourage student success by monitoring total academic load. Students not receiving prior approval for enrollment at another institution may not be permitted to transfer those credits. Additional information and appropriate forms are available in the Office of the Registrar.

Scholastic Regulations

A graduate student must maintain satisfactory scholastic standing in order to remain enrolled in a graduate program at California Baptist University. Satisfactory scholastic standing for graduate students is a semester grade point average (GPA) of 3.0 or above on a 4.0 scale. Only grades of B- or above will fulfill requirements for a graduate degree. A cumulative grade point average of 3.0 or above is required for graduation.

A student who fails to attain and maintain the scholastic standing, but who passes some courses, with a semester GPA of 2.7 or higher is placed on Academic Probation for one semester. Failure to meet satisfactory scholastic standing the semester following probation will result in Academic Suspension.

A student with below a 2.7 semester GPA will be suspended at once and will not be granted a probationary semester.

A student who has been suspended for one semester must be approved by the Admissions and Retention Committee for possible re-admission to the University with probationary status. After being re-admitted, the student will be allowed one semester to meet satisfactory scholastic standing by achieving a 3.0 semester GPA. A person who has been academically suspended and re-admitted must meet satisfactory scholastic standing or show significant improvement, to avoid a second suspension. A second consecutive suspension will render the suspended student academically disqualified for continued enrollment. To regain academic qualification a student must demonstrate that they have the educational skills and motivation necessary to be academically successful. To do this, the student should demonstrate significant progress toward aligning their personal and professional goals in such a way that promotes their academic success. This is accomplished through additional work experience and/or certifications. Upon return to CBU the student may have to be readmitted to the University prior to enrolling. (See Satisfactory Academic Progress in the Financial Aid Section and Readmit in the Admission Section).

All appeals should be directed to the Chair of the Admissions and Retention Committee in compliance with dates detailed in the letter of notification of suspension sent after the close of each semester.

Student Grievances

A student wishing to express concerns or grievances about academic matters, involving coursework or interactions with instructors in and out of the classroom, should ordinarily follow a regular order of contacts. The first contact would be between the student and the instructor involved so that there is opportunity for each to address the issues that directly affect them. If the student feels unable to approach the instructor directly or does not believe the issue has been fully resolved with the instructor, the next contact would be with the chair of the department or dean of the School or College having oversight of that course. If issues remain unresolved at these levels, the final academic point of contact would be the Office of the Provost of the University.

Academic Dishonesty

Academic dishonesty (cheating, plagiarism, copying, and other forms) will be reported to the Dean of Students. A first incident of cheating may be handled at the discretion of the professor in consultation with the Dean of Students. Judicial sanctions for offense are handled on a case-by-case basis depending on the seriousness of the violation, prior violations and other factors. Judicial sanctions may include, but are not limited to, loss of a letter grade or failure in the course in which the offense occurred, suspension, and/or dismissal from the University. A detailed discussion of academic dishonesty is located in the Student Handbook.

Incomplete Grade Policy

A Petition for Incomplete Work is filed only in cases of extreme and unforeseen emergencies. Students receiving financial aid may adversely affect aid eligibility by taking an Incomplete. If a grade of I is not raised to a passing grade six weeks after the close of the semester, the grade automatically becomes an F and credit for the course may be obtained only by repeating the course. An Incomplete fee is charged for all approved incomplete petitions. Approval for an Incomplete is gained by petition to the Dean of the school or college in which the course is offered. It is the responsibility of the student to initiate and complete the process for incomplete work prior to the end of the semester.

Examinations/Make-up Tests

Students are expected to take all tests at the regularly scheduled time. In the case of serious illness or extreme emergency, a faculty member may allow the student to take a make-up test **WITHIN TWO WEEKS** of the originally scheduled test date. If the test is not made up within two weeks, the student may receive no credit for that test. It is the responsibility of the student to arrange for a make-up test by securing permission of the instructor **IN ADVANCE** of the test to be missed. The student must then schedule a make-up test appointment with the Academic Resource Center (ARC). A \$5 fee will be charged for all make-up tests.

Repeating Courses for Grade Replacement

A student may repeat a course in which a grade of B- or lower was earned. For grade replacement to apply, the course must have been originally taken in residence, and repeated in residence. Courses that may be repeated multiple times for credit are not eligible for grade replacement. Tuition will be charged for the repeated units. Students may not repeat a course once the degree has been posted.

Students who elect to repeat a course may do so only one time for grade replacement. The second grade earned will be used in GPA calculations regardless of which grade is higher. If a grade of B- or higher is not earned when the course is repeated, the student may repeat the course again; however, subsequent grades will not replace the grade from the first repetition. Subsequent grades will be used in GPA calculations.

Grade Changes

Students who believe a grade has been recorded in error have the responsibility to initiate a grade change request with the instructor. There is a five-year limit on requests for grade changes based on computation and recording errors. Otherwise, grades are final at the completion of the course. No grade changes will be permitted once the degree has been posted

Quality of work in a course is indicated as follows:

Grade of A	Indicates the highest quality of work and is reserved for outstanding achievement
Grade of B	Indicates definitely superior work done in a sustained and intelligent manner. Grades of B- or above fulfill requirements for a graduate degree
Grade of C	Indicates average university-level work satisfactorily performed
Grade of D	Indicates the lowest passing grade
Grade of F	Indicates a failing grade
Grade of P	Indicates a passing grade
Grade of CR	Indicates work attempted under the "Credit/No Credit" grading option and completed at the B- level or better
Grade of NC	Indicates work attempted under the "Credit/No Credit" grading option that was below the B- level
Grade of W	Indicates a withdrawal from the class
Grade of I	Indicates incomplete work. See Incomplete Work above
Grade of AU	Indicates that the course was audited and not taken for academic credit
Grade of SP	Indicates satisfactory progress in an ongoing course. (Thesis, Project, Student Teaching)
Grade of IP	Indicates the course is in progress
Grade of NR	Indicates no grade has been recorded

Course Grade	Quality Points	Course Grade	Quality Points
A	4.0	D	1.0
A-	3.7	D -	0.7
B +	3.3	F	0.0
B	3.0	P (Pass)	0.0
B -	2.7	CR (Credit)	0.0
C +	2.3	NC (No Credit)	0.0
C	2.0	W (Withdrawal)	0.0
C -	1.7	I (Incomplete)	0.0
D +	1.3	SP (Satisfactory Progress)	0.0

Grade Reports

Grade reports are available to students through InsideCBU upon the completion of each semester. Students with a student account hold are not eligible for a grade report.

Change of Address

It is frequently a matter of great importance for the University to be able to locate students quickly. For this reason students are asked to file a Student Information Change form with the Office of the Registrar promptly upon a change of permanent address. Failure to receive University notices because of an incorrect or outdated address provided by the student will not relieve the student of responsibility for information provided.

Size of Classes

Courses at California Baptist University are subject to cancellation for reasons of scheduling, staffing, or enrollment. Students will be notified of course cancellations via their CBU e-mail account.

Directed Study and Independent Study

Directed Study will be limited to those courses listed in the catalog and are part of the University's regular curriculum. Independent Study will be limited to original coursework not included in the University's regular curriculum. Approval for the arrangement must include the faculty member, program director, and Registrar. In addition to regular tuition, a per unit Directed/Independent Study fee will be assessed. Students petitioning for Directed/Independent Study must adhere to the following guidelines:

- Only student with a 3.0 or better grade point average are eligible for Directed/Independent Study.
- No student may take more than a total of four (4) units of Directed/Independent Study in any given semester.
- A form for Directed/Independent Study may be obtained from Enrollment Advising. It must be completed with the appropriate faculty member and submitted to the Dean or Department Chair and Registrar for approval.
- A maximum of nine (9) units of Directed/Independent Study may be applied towards degree requirements.

Challenging a Course for Credit or Exemption

A student wishing to challenge a course by examination or certification should consult the Office of the Registrar for information. Not all courses offered at California Baptist University may be challenged by exam or certification, and determinations will be made by the appropriate academic dean or department chair.

Students wishing only to be exempt from a course requirement, but not wishing to receive university credit, will be billed the exemption by exam or exemption by certification fee, and no credit will be earned. The exemption by exam fee will be assessed whether or not the exam is successfully passed.

Students wishing to receive credit for the challenged course and successfully pass the exam will be charged the appropriate tuition and a grade of "Credit" will appear on the transcript. If the exam is not passed the student will only be charged the exemption by exam fee and nothing will appear on the transcript.

Challenge exams may be attempted only once per course and should be completed prior to the add/drop dates. Credit and tuition costs for coursework completed by exam will appear in the semester that the exam is passed.

Auditing a Course

Courses that are audited are not credit-bearing; they cannot be applied toward degree requirements. Audited courses do appear on the transcript and are indicated by an AU in lieu of a credit-bearing grade.

Post Baccalaureate Credit

Post baccalaureate credit for a course taken as an undergraduate student must be requested prior to the posting of the bachelor's degree. The following criteria must be met in order to grant credit:

- Course(s) were not used to complete a bachelor's degree, second major, minor, emphasis, or concentration.
- Student was classified as a Senior (90.0+ units) when courses were completed.

Privacy of Student Records

In compliance with Federal Legislation (Buckley Amendment) a student's confidential academic record is available for inspection by the student. See the Registrar for further information.

By law the following information may be considered directory information and thus able to be released without prior permission of students involved: student's name; address; telephone listing; e-mail address, date and place of birth; photo, major field of study; participation in official recognized sports activities; weight and height of athletic team members; dates of attendance, degrees, and awards received; and the most recent previous educational institution attended by the student. The University does not release any grade information to any person other than the requesting student without the written permission of the student. Grades will not be given over the phone under any circumstances.

Attendance and Withdrawal Policies

Completion of the registration process constitutes a contract and obligates the student for full payment. The student must complete the appropriate process to add, drop or withdraw from a course. Course registration add, drops, and withdraws are processed by students through the InsideCBU portal. Students may seek assistance with the InsideCBU registration process from the enrollment advising office. To withdraw from the University, the student must submit a Petition to Withdraw to the Enrollment Services Office, this process can not be completed through InsideCBU. Students should consult the University Calendar, Schedule of Classes, and Enrollment Advising for course and semester add, drop, and withdraw dates.

Class attendance is of paramount importance, and excessive absences will negatively affect the final grade. The individual instructor defines in the course syllabus the grading attendance policies for each class.

Adding a Course

During the initial Add period a student may add a course to his or her schedule of classes. Adding a course could result in the increase of student account tuition and fee charges.

Dropping a Course

During the initial Drop period a student may drop a course and receive a full credit of tuition if applicable. No mark will appear on the transcript. A student may not drop a class merely by ceasing to attend. Dropping a class could result in the reduction of already awarded financial aid and an increase in the student account balance.

Withdrawal from a Course

Students may withdraw from a course during the Withdraw period. A grade of W will appear on the transcript. No credit of tuition will be granted after the Drop period. After the Withdraw period no withdrawal from a course will be permitted. Students who cease attending after the withdrawal date will receive a grade of F in that course.

A student who never attends or stops attending a course for which he or she is officially registered, without following the accepted procedures, will receive a grade of F in that course. A student who wishes to initiate withdrawal from a course after the deadline may do so by filing a petition to present a serious and compelling reason for withdrawal to the Office of the Registrar. Approval for such a withdrawal will be granted only in extreme cases where extenuating circumstances are evident and can be substantiated. No financial adjustments are made. Failing or performing poorly in a class and dissatisfaction with the subject matter, class or instructor are not acceptable serious and compelling reasons for late withdrawal.

Withdrawal from the University and Semester

Complete official withdrawal from the University and semester is permitted through the last day of the final examination period. Students requesting full official withdrawal from the University and semester must complete a Petition to Withdraw form available in the Office of Enrollment Services. To complete the official withdraw process the student must also initiate enrollment changes in the Office of the Registrar, complete the Exit Interview process through the Financial Aid Office and reconcile any account balance in the Student Accounts Office. Failure to comply with these regulations will result in failing grades being entered on the student's permanent record, and dismissal will be recorded as unofficial.

Ceasing to attend does not constitute an official withdrawal from a course or from the University. However, ceasing to attend all courses may result in Return to Title IV processing required per federal regulations.

Refer to the Student Account and Financial Aid sections in this catalog for additional information regarding the effects of completing an official withdraw and the effects of ceasing to attend without providing official notification to the University according to the official withdraw process.

Administrative Discretion

The University reserves the right to disqualify, discontinue, exclude, or involuntarily withdraw any student from the University at the discretion of the provost, the vice president for enrollment and student services, dean of students services, or designee.

California Baptist University is concerned about the well-being of all students. Behavior that demonstrates that the student's well-being may be in jeopardy, interferes with the educational efforts of other students, puts fellow students or the institution at risk, or conflicts with California Baptist University's mission to educate all students may result in an administrative withdrawal from the institution.

Other Academic Information

Academic Computing

The University offers access to computer labs as well as coursework in computer technology, and supports the computer as a tool to success in the overall graduate curriculum. Labs are located in the Annie Gabriel Library, W. E. James Building, and Yeager University Center. A valid student identification card is required for access to the computer labs.

Academic Resources Center

The Academic Resource Center is responsible for providing support services to help students acquire skills essential to achieve academic success. Services include tutoring for CBU coursework as well as a variety of subjects such as library research, citation (APA, MLA), test-taking strategies, computer skills, and limited CBEST, RICA, CSET and SAT, as available. In addition, the ARC offers study groups, testing services, informal learning style self-assessment, and academic workshops. The ARC is located in the James Building room 121.

Annie Gabriel Library

The purpose of the library is to enhance the quality of the academic experience available at California Baptist University by supporting the instructional, learning and research activities of the faculty and students. In addition to over 182,000 volumes (including 56,000 electronic books), the library currently subscribes to more than 300 print journals, and 50 online databases that combined provide access to several million journal records, many with full-text coverage. Faculty and students can access books, journal titles, videos, and music through the library catalog (WebCat). In addition to the material available through the California Baptist University library, participation in several local, regional and national information networks offer students and faculty access to the collection of numerous libraries. Materials from more than 85 public, academic, special and other libraries are available through local library organizations and loan networks. The majority of the library's services and materials can be accessed through the California Baptist University web site. The Annie Gabriel Library also includes approximately two dozen computer stations and wireless internet capability. Among the special collections in the University's library are the Southern Baptist Archive and Depository, P.Boyd Smith Hymnology Collection, Nie Wieder Holocaust Collection, and D. Eugene Wallace Christian Studies Collection.

Office of the Registrar

The Office of the Registrar maintains the student's official academic record and assists students with transcripts, letter requests, degree and enrollment verifications, veterans benefit enrollment certification and other requests related to the student's enrollment. The Office of the Registrar also maintains articulation agreements, completes official evaluation of previous college work, reviews requests for concurrent enrollment transfer approvals, reviews academic variances, processes all applications for graduation, reviews the academic record for final degree completion, and posts completed degrees.

Veterans Information

The Office of the Registrar maintains records for each identified veteran. A record of transfer work is kept on file and the Veterans' Administration is notified of the transfer work accepted for each veteran.

Veterans must provide a written request to the Office of the Registrar at the beginning of each term to initiate reporting of verification of enrollment and academic progress to the appropriate Veterans' Administration office. Any changes in enrollment or attendance should be reported to the Office of the Registrar.

Satisfactory progress must be maintained as specified in the Scholastic Regulations Section under Academic Policies. California Baptist University is a Serviceman's Opportunity College (SOC), and military academic credit or experience may provide some equivalency credit in accordance with the American Council on Education (ACE) guidelines.

Graduate Program in Athletic Training

The Master of Science in Athletic Training program is designed to prepare students for the Board of Certification, Inc. (BOC) certification exam. Once certified, students are qualified for work in secondary schools, colleges and universities, professional sports, sports medicine clinics and industrial/military settings.

Students complete a minimum of eight (8) clinical internships while in the Athletic Training program. Each experience will provide exposure to different professional athletic training settings. Individuals will serve as athletic training students in community college, university, clinic and hospital environments at various sites near the CBU campus.

The Master of Science in Athletic Training program at CBU is the first entry-level masters program in California and one of only two on the West Coast. The entry-level designation is given to those programs that seek to prepare students as certified athletic trainers according to the Commission on Accreditation of Athletic Training Education (CAATE). Individuals wanting to become certified athletic trainers must earn a degree from a CAATE accredited athletic training program and must pass a national examination administered by the Board of Certification.

Admission Requirements

Admission standards for Graduate Studies at California Baptist University can be found in the Admissions section of the University Catalog. Specific admission requirements for the Graduate Program in Athletic Training are:

1. Grade Point Average

- A minimum 2.75 GPA for unconditional acceptance
- Applicants with a GPA lower than 2.75 may be considered for admission with the presentation of a minimum combined score of 1000 on the verbal and quantitative sections of the Graduate Record Exam (GRE)

2. Prerequisites (completed with a "C" or better in the past eight years)*

- Human Anatomy & Physiology with Lab (2 semesters)
- General Psychology
- Biomechanics or equivalent
- Health and Wellness
- Exercise Physiology
- Care and Prevention of Athletic Injuries with Lab

3. Three Recommendations completed, on forms provided, from sources who can address your potential for success. Family members and friends may not complete recommendations
4. Comprehensive Essay of at least 500 words that includes the following:
 - Purpose for entering the program
 - Background and/or experiences in sports, athletic training, physical education or related areas
 - Short and long term professional goals
 - Reasons for choosing to study at California Baptist University
5. Current Resume documenting all related professional and extracurricular experiences
6. CPR for the Professional Rescuer Certification, demonstrated by coursework or certification*
7. Clinical Observation*
 - Verification of 150 hours in an athletic training setting supervised by a Certified Athletic Trainer
8. Successful Interview with the Athletic Training Admission Committee.*
 - Admission to the Athletic Training Program is both competitive and selective, therefore satisfactory completion of all program admission requirements and prerequisites does not guarantee program acceptance. The Athletic Training Admissions Committee will review all applicants for formal acceptance.

* Not required for admission to the pre-athletic training curriculum, must be complete prior to consideration for admission to the Master of Science in Athletic Training program.

Pre-Athletic Training Curriculum

The following athletic training prerequisites are offered at California Baptist University

Pre-Athletic Training Courses

BIO	153	Human Anatomy and Physiology I with Lab
BIO	163	Human Anatomy and Physiology II with Lab
KIN	274	Applied Movement Anatomy
KIN	302	Contemporary Health Issues
KIN	353	Care and Prevention of Athletic Injuries
KIN	383	Exercise Physiology
PSY	213	General Psychology

Master of Science in Athletic Training (50 units)

All students in the Master of Science in Athletic Training will complete fifty (50) units of core courses. The cumulative total for all Athletic Training Clinical Education courses must be at least 900 hours.

Core Courses

ATR	500	Foundations of Athletic Training
ATR	501	Athletic Training Clinical Education I - Modalities & Equipment

ATR	530	Assessment of Upper Extremity Athletic Injury
ATR	535	Sports Nutrition
ATR	540	Pathology Of Injury And Illness
ATR	545	Management & Professional Issues In Athletic Training
KIN	550	Legal Aspects of Sport
KIN	570	Research Methods in Sport

Course Descriptions

- ATR 500 Foundations of Athletic Training (3)** **Fall**
This course will introduce the student to the vocabulary, theories, principles, and skills involved with the profession of athletic training. A special emphasis is placed on an introduction to the profession, risk management, prevention and care of athletic injuries/illnesses, and the management of sport/exercise emergencies. Prerequisite: Admission into the Athletic Training Program.
- ATR 501 Athletic Training Clinical Education I - Modalities & Equipment (3)** **Fall**
Athletic Training Clinical Education I - This course will serve as a process for monitoring student's progression toward proficiency in athletic training psychomotor competencies with an emphasis placed on the instruction in the safe and appropriate use of athletic training equipment, first aid and emergency skills, and therapeutic modalities. Pre- or Co- requisite: ATR 500.
- ATR 502 Athletic Training Clinical Education II - Lower Extremity (3)** **Spring**
This course will serve as a process for monitoring student's progression toward proficiency in athletic training psychomotor competencies with an emphasis placed on reinforcing the assessment, evaluation and rehabilitation skills related to lumbar spine and lower extremity injury. Pre- or Co- requisite: ATR 500.
- ATR 503 Athletic Training Clinical Education III - Upper Extremity (3)** **Fall**
This course will serve as a process for monitoring student's progression toward proficiency in athletic training psychomotor competencies with an emphasis placed on reinforcing the assessment, evaluation and rehabilitation skills related to upper extremity and cervical spine injury. Pre- or Co- requisite: ATR 500.
- ATR 504 Athletic Training Clinical Education IV - General Medicine (3)** **Spring**
Athletic Training Clinical Education IV - This course will serve as a process for monitoring student's progression toward proficiency in athletic training psychomotor competencies with an emphasis placed on assessing and examining general medical conditions and clinical proficiency of pre-participation examinations, head injury assessment, return to play, and prevention, evaluation and rehabilitation of extremity and spine injury. Pre- or Co- requisite: ATR 500.
- ATR 505 Athletic Training Internship (1-3)** **As Offered**
This course will serve as a means of monitoring student's progress toward remediation of a single requirement deficiency in any of the athletic training clinical education courses. Pre- or Co- requisite: ATR 500.
- ATR 506 Practicum in Athletic Training I (2)**
This course provides athletic training students an opportunity to observe an athletic training facility and experience the various duties performed by a Certified Athletic Trainer. Students are assigned to clinical instructors who directly supervise the students as they complete field experiences in athletic training settings and must complete a minimum of 225 clinical field experience hours. Students will be instructed by various medical and allied health care personnel in required weekly seminars throughout the semester. Pre- or Co- requisite: ATR 500.
- ATR 507 Practicum in Athletic Training II (2)**
This course provides athletic training students an opportunity to apply proficiencies associated with previous coursework at a higher level of proficiency than previously evaluated. As students display competence, they will be given increased responsibility in working directly with the athletes/clients. Students are assigned to clinical instructors who directly supervise the students as they complete field experiences in athletic training settings and must complete a minimum of 225 clinical field experience hours. Students will be instructed by various medical and allied health care personnel in required weekly seminars throughout the semester. Prerequisite: ATR 501
- ATR 508 Practicum in Athletic Training III (2)**
This course provides athletic training students opportunity to integrate the psychomotor, cognitive and affective skills, and clinical proficiencies within the context of comprehensive patient care. Students are assigned to clinical instructors who directly supervise the students as they complete field experiences in athletic training settings and must complete a minimum of 225 clinical field experience hours. Students will be instructed by various medical and allied health care personnel in required weekly seminars throughout the semester. Prerequisite: ATR 502

- ATR 509 Practicum in Athletic Training IV (2)**
This course provides athletic training students opportunity to make significant progress towards mastery of applied clinical proficiencies by demonstrating a high level of clinical performance that includes integrating previous knowledge, skills, and proficiencies into comprehensive patient care. Students should focus on their professional development, BOC exam preparation as well as demonstrating a high level of critical thinking and clinical decision making. Students are assigned to clinical instructors who directly supervise the students as they complete field experiences in athletic training settings and must complete a minimum of 225 clinical field experience hours. Students will be instructed by various medical and allied health care personnel in required weekly seminars throughout the semester. Prerequisite: ATR 503
- ATR 510 Therapeutic Modalities and Pharmacology (3)** **Fall**
This course focuses on the theory and operation of various therapeutic modalities and medications which are used in the treatment of injuries to the physically active. The following categories of modalities will be included: infrared modalities, electrical stimulation modalities, therapeutic ultrasound, mechanical modalities, massage and other manual treatment techniques. Emphasis will be placed on their physiological effects, therapeutic indications and contraindications, and clinical application. Pharmacology is studied as it relates to the field of athletic training. Included are the indications, contraindications, precautions, and interactions of medications and the governing regulations relevant to the treatment of injuries to and illnesses of athletes and others involved in physical activity.
- ATR 515 Therapeutic Exercise and Rehabilitation (3)** **Spring**
This course focuses on the theory and practice of therapeutic exercise and rehabilitation techniques to restore human function. Students will be introduced to the components of rehabilitation design and implementation such as determining therapeutic goals, documenting progress, evaluating efficacy of the therapeutic program and ability to return to athletic participation.
- ATR 525 Assessment of Lower Extremity Athletic Injury (3)** **Spring**
This course covers fundamentals of the injury evaluation process (HIPS), injury nomenclature and the assessment of injury/illness to the lower extremity, thorax and abdomen. The evaluation process will include the associated anatomy, etiology, special tests for differential assessment, immediate action plan and a referral plan.
- ATR 530 Assessment of Upper Extremity Athletic Injury (3)** **Fall**
This course covers fundamentals of the injury evaluation process (HIPS), injury nomenclature and the assessment of injury and illness to the head, axial skeleton, and upper extremity. The evaluation process will include the associated anatomy, etiology, special tests for differential assessment, immediate action plan and a referral plan. Prerequisite: ATR 525
- ATR 535 Sports Nutrition (3)** **Spring**
This course provides a foundation in the science of exercise nutrition and bioenergetics. These foundational principles will be used in constructing sound nutritional recommendations as they apply to human physical activity and sports medicine. Current research concerning pharmacologic and nutritional ergogenic aids, disordered eating, fluid balance and thermoregulation, and body composition will be discussed.
- ATR 540 Pathology of Injury and Illness (3)** **Fall**
This course involves a systems approach to dealing with human disease. Fundamental etiology, progression, and epidemiology of injury, illness, and disease are discussed with a clinical emphasis.
- ATR 545 Management & Professional Issues In Athletic Training (3)** **Spring**
This course addresses the organizational, administrative, and professional aspects of athletic training care for the physically active. Topics include: leadership, management, and administrative styles, personnel concerns, facilities and equipment management, budgetary administration, medical records, insurance issues, medico-legal aspects, public relations, computer use, federal and state regulation, pre-participation physical evaluations, drug testing, ethical issues in sports medicine, and other current topics of concern in athletic training.

Courses beginning with the prefix KIN are listed in the Master of Science in Kinesiology section of this catalog.

Graduate Program in Business Administration

The professional Master of Business Administration degree program is designed primarily for people working in professional or management positions. It serves individuals who wish to advance their knowledge and skills for leadership in business management, new venture management, public service management, not-for-profit management, information systems management, and ministry management.

The MBA program balances theory with research and workplace application, to equip individuals with the skills and qualities of leadership required for professional excellence. The program incorporates Christian values and Biblical principles, holding the view that they can be applied effectively in the workplace.

The School of Business also offers the “Alumni MBA” for exemplary students from California Baptist University’s bachelor degree programs in business, accounting and marketing. This program offers an extraordinary opportunity to earn the MBA with fewer units than the standard MBA because it recognizes the breadth and high level of business skill and knowledge acquired in CBU’s undergraduate business administration programs.

National Business Accreditation

In addition to California Baptist University’s WASC accreditation, the MBA program is nationally accredited by the Accreditation Council for Business Schools and Programs (ACBSP).

Graduate Program in Counseling Ministry

The Master of Arts in Counseling Ministry degree at California Baptist University is designed for ministers, professional counselors, and others interested in church based counseling ministry. Students graduating with this degree will have the academic preparation for counseling, formally and informally, in a congregational setting, and the skills to direct and coordinate a counseling ministry within a congregation. The program emphasizes a sound understanding of behavioral science and pastoral approaches to counseling combined with a thorough understanding of Theology as a Behavioral Science. A minimum of thirty-six (36) approved graduate units are required for the degree.

Students graduating with a Master of Arts in Counseling Ministry with the church based counseling practicum option will have completed the same core program but will have specific classes designed for persons who serve as counseling ministers or directors of counseling ministries. This degree includes some clinical content but is directed to a broader approach to counseling within the Christian community. Students in this program will participate in counseling in a local congregation under experienced pastoral and faculty supervision. This degree can be used in conjunction with clergy credentials or in a lay ministry context.

Students graduating with a Master of Arts in Counseling Ministry with the Thesis option will have completed the same core program but will have specific classes designed for persons who are interested in congregational counseling, research related to counseling ministry, or teaching counseling ministry. The practicum units are replaced with a thesis that is focused on preparing the student to engage in direct research related to Professional and Ministry Counseling in the congregational context. The thesis committee chair person will oversee the process of the Thesis from proposal to presentation. Students in this option should see the Program Director and Student Handbook for details.

Admission Requirements

Admission standards for Graduate Studies at California Baptist University can be found in the Admissions section of the University Catalog. Specific admission requirements for the Master of Arts in Counseling Ministry are:

1. Grade Point Average

- A minimum 3.0 for unconditional admission and a minimum 2.75 for conditional admission
- Applicants with a GPA below 2.75 may be considered for admission with the presentation of a minimum score of 1000 on the verbal and quantitative sections of the Graduate Record Exam (GRE)

2. Prerequisites

- An introductory course in Anthropology, Behavioral Science, Psychology or Sociology
- Christian Doctrine or a course in Systematic Theology
- Outstanding prerequisite coursework must be completed within the first two semesters of graduate enrollment

3. Three Recommendations, completed on forms provided, from sources who can address your potential for success. It is preferred at least one recommendation be from a professor or instructor. Family members and friends may not complete recommendations

4. Comprehensive Essay of at least 500 words that includes the following:

- Purpose for entering the program
- Experiences that have directed your interest toward becoming a counseling minister
- Religious background, present pattern of spiritual growth, fundamentals of personal faith and the relationship between your faith and professional goals
- Reasons for choosing to study at California Baptist University
- Influences that have shaped your present values and approach to life
- Include in your essay a response to this question: "Have you ever received psychiatric treatment or counseling, yes or no?" If yes, please provide a brief explanation.

5. Personal Inventory Documents

- Submit documents verifying completion of the Minnesota Multiphase Personality Inventory 2 (MMPI-2) and the Myers Briggs Type Indicator (MBTI). Tests may be taken at the CBU Counseling Center. These tests are for admission purposes only. The university does not provide clinical interpretation of the findings.

6. Successful interview(s) with the Director of the Counseling Ministry program

Reapply

Graduate students in the School of Behavioral Sciences who have discontinued enrollment for three or more semesters must reapply.

Congregational Participation Requirement Under the Church Based Counseling Practicum Option

Students entering the Graduate Program in Counseling Ministry at California Baptist University will be required to obtain and maintain active congregational membership and participation during the entire process of the degree. This congregation will serve, under supervision, as the approved practicum site for the student. Students may verify and document this requirement using the verification form available in the Behavioral Sciences office.

Practicum Admission

The Church Based Counseling Practicum is an integral part of the degree. The Practicum may be taken concurrently with the other courses for the degree or during the year following completion of the last course taken. See the Director for details. The degree may not be obtained without the practicum aspect and the Church Participation Requirement will not be waived.

Students entering Practicum must complete the following requirements:

1. Applications for Practicum must be submitted before Practicum begins.
2. Admission to Practicum will be a faculty decision based on the evaluation of the Practicum application, and placement approval.
3. An interview by the Graduate Committee to further evaluate the applicant's readiness may be required.
4. A written appeal process will be instituted in the event that a student is not considered ready for Practicum.

Comprehensive Examination

Students graduating from the Graduate Program in Counseling Ministry will be required to successfully complete a seven (7) hour written comprehensive examination. Information regarding possible content and format of the examination may be obtained in the Behavioral Sciences Office.

Graduate Program in Counseling Psychology

The Master of Science Degree program in Counseling Psychology at California Baptist University is designed for those interested in counseling as a licensed professional counselor or as a credentialed professional minister in a private or community agency with couples, families, children, and individuals.

Students graduating with a Master of Science in Counseling Psychology with a Professional Counseling concentration will have completed a curriculum designed to meet the pre-2012 and post-2012 requirements for MFT licensing as mandated by the Board of Behavioral Science. The program emphasizes an understanding of human behavior based on psychological theory and practice, as well as scriptural principles. Sixty (60) approved graduate units are required for this degree. The graduate program relates academic studies to practical experience in both inpatient and outpatient settings. Students in the program will have the opportunity to receive clinical experience on campus and in other appropriate clinical settings.

Students graduating with a Master of Science in Counseling Psychology with a Professional Ministry concentration will have completed the same core program but will have specific classes designed to train beyond the traditional clinical approach toward a relational application in the congregational context. Students in this concentration will not participate in a practicum and must presently hold ministerial credentials or have this program serve as the educational requirement for credentialing by their respective church or denomination. Forty-eight (48) units are required for this degree and concentration.

See the Graduate Student Handbook available from the School of Behavioral Sciences for program details of both concentrations.

Admission Requirements

Admission standards for graduate studies at California Baptist University can be found in the Admissions section of the University Catalog. Admission to the Counseling Psychology Program at California Baptist University is at the discretion of the Graduate Faculty. Specific admission requirements for the Counseling Psychology program are:

1. Grade Point Average

- A minimum 3.0 GPA for unconditional admission and a minimum 2.75 GPA for conditional admission
- Applicants with a GPA below 2.75 may be considered for admission with the presentation of a minimum combined score of 1000 on the verbal and quantitative sections of the Graduate Record Exam (GRE)

2. Prerequisites

- Developmental Psychology or Human Behavior and the Social Environment
- Theories of Personality
- Statistics (for Professional Counseling concentration)
- Systematic Theology or Bible Doctrine (for Professional Ministry concentration)
- Outstanding prerequisite coursework must be completed within the first two semesters of graduate enrollment

3. Three Recommendations, completed on forms provided, from sources who can address your potential for success. It is preferred at least one recommendation be from a professor or instructor. Family members and friends may not complete recommendations

4. Comprehensive Essay of at least 500 words that includes the following:

- Purpose for entering the program
- Experiences that have directed your interest toward becoming a therapist
- Religious background, present pattern of spiritual growth, fundamentals of personal faith and the relationship between your faith and professional goals
- Reasons for choosing to study at California Baptist University
- Influences that have shaped your present values and approach to life
- Include in your essay a response to this question: "Have you ever received psychiatric treatment or counseling, yes or no?" If yes, please provide a brief explanation.

5. Personality Inventory Documents

- Submit documents verifying completion of the Minnesota Multiphasic Personality Inventory 2 (MMPI-2) and the Myers Briggs Type Indicator (MBTI). Tests may be taken at the CBU Counseling Center. These tests are for admission purposes only. The University does not provide clinical interpretation of the findings.

6. Successful interview(s) with the Director of the Counseling Psychology Program

Reapply

Graduate students in the School of Behavioral Science who have discontinued enrollment for three or more semesters must reapply.

Psychotherapy Requirement

Students entering the Graduate Program in Counseling Psychology with a concentration in Professional Counseling (MFT Program) at California Baptist University will be required to complete 24 hours of individual psychotherapy or 50 hours of group psychotherapy with a licensed psychotherapist. This therapy must be done outside the campus community and may not include therapists who have any teaching relationship with California Baptist University. The Professional Ministry concentration does not include this requirement.

Students completing the psychotherapy requirement may obtain the psychotherapy form from the School of Behavioral Sciences.

Ministry Credential and Experience Requirement

Students entering the Professional Ministry concentration should hold ministerial credentials and have at least two years counseling ministry experience. Students must verify their credential status and counseling experience status prior to admission. Those presently holding ministerial credentials with a minimum of two years ministry counseling experience should submit a copy of their credential and a resume of counseling experience. Those who do not fully meet this requirement or are in a credentialing process should see the Program Director.

Master of Science in Counseling Psychology

Practicum Admission

Students entering the two semester Practicum requirement occurring in the last year of the students' program - must complete the following requirements:

1. Admission to Practicum will be a faculty decision based on grades, evaluation of the Practicum application, and placement approval.
2. An interview by the Graduate Committee to further evaluate the applicant's readiness may be required.
3. A written appeal process will be instituted in the event that a student is not considered ready for Practicum.

Comprehensive Examination

Students graduating from the Graduate Program in Counseling Psychology will be required to successfully complete a seven (7) hour written comprehensive examination. Information regarding content and format of the examination may be obtained from the School of Behavioral Sciences.

Graduate Program in Disability Studies

The Master of Arts in Disability Studies at California Baptist University is a distance learning degree program designed to develop expertise in human differences. Beyond preparing professionals to lead, establish and shape disability programs, ministries and policies, the Disability Studies program prepares graduates to challenge and change the way society and organizations relate to people with disabilities.

Students have the opportunity to pursue a concentration in two distinct areas of the field:

- The Disability Ministry Concentration recognizes and responds to the growing presence of people with disabilities within the church. Students in this concentration complete specialized coursework that prepares them to establish, build and lead disability ministries within a congregational setting. Graduates will be agents for change within the Christian church around the world.
- The Disability Policy Concentration is designed for professionals interested in shaping policies that impact persons with disabilities. Specialized coursework prepares students to take a proactive role in defining and enacting policies at the government, corporate, or organizational level that reflect and recognize the needs and value of people with disabilities. As policy shapers and makers, graduates are ideally positioned to become agents of positive change within their organization and beyond.

The Disability Studies program offers a highly reflective curriculum that challenges students to reexamine, reevaluate, and redefine perceptions of what it means to be disabled—as well as what it means to be human. Practicum components within coursework enable candidates to gain valuable hands-on experience, working with and for people with disabilities, in a setting of their choice that best reflects their professional goals. Interdisciplinary courses illuminate the intersections between a broad range of academic fields—health, education, sociology, law, politics,

philosophy, and theology—as they apply to persons with disabilities. Combining theory, evaluation, and experiential learning, the M.A. in Disability Studies prepares leaders and thinkers to challenge and change the way communities, organizations, government agencies, and religious institutions interact and engage with people experiencing disabilities.

Admission Requirements

Admission standards for Graduate Studies at California Baptist University can be found in the Admissions section of the University Catalog. Specific admission requirements for the Graduate Program in Disability Studies are:

1. Grade Point Average*

- A minimum 3.0 GPA for unconditional admission and a minimum 2.75 GPA for conditional admission.
- Applicants who do not meet the minimum GPA may be considered for admission with the presentation of a minimum combined score of 1000 on the verbal and quantitative sections of the Graduate Record Exam (GRE).

2. Prerequisites

- Completion of a Bachelor's Degree from a regionally accredited college or university
- Technology proficiency in the use of computer software and programs including but not limited to Microsoft Word, online resources, internet searches and email
- Background in disability studies through coursework, a degree and/or personal or professional experience

3. Three Recommendations, completed on forms provided, from sources who can address your potential for success. It is preferred that one recommendation be from a professor or instructor. Family members and friends may not complete recommendations

4. Comprehensive Essay of at least 500 words that includes the following:

- Purpose for entering the program
- Long term professional goals
- Influences that have shaped your present values and approach to life
- A statement about your personal faith and present pattern of spiritual growth
- The relationship between your professional goals and your faith
- Reasons for choosing to study at California Baptist University

5. A successful interview with the Director of the Graduate Program in Disability Studies

Capstone Requirement

Students must complete an integrative Disability Studies Capstone that takes the form of (1) an academic project or thesis that advances the theory and scholarship of the field through original research, or (2) a professional practice project that advances professional practice through applied research and field investigations. A faculty committee will oversee the development and implementation of Capstone proposals. Students should contact the program director for details regarding the selection of the committee and procedures for approval.

Master of Arts in Disability Studies (33 units)

All students in the Master of Arts in Disability Studies will complete twenty-seven (27) units of core and research courses and nine (9) units concentration from one of the following concentrations: Disability Ministry, Leadership, or Policy. Students will complete fieldwork hours as part of the program course requirements.

Core Courses (15 units)

DSS	501	Survey of Disability
DSS	503	Introduction to Disability Studies
DSS	507	History and Politics of Disability Policy
DSS	509	Legal and Ethical Issues in Disability

DSS	543	Social Role Valorization and Human Supports
DSS	545	Disability Policy

Research and Capstone Requirements (6 units)

DSS	596	Research Seminar
DSS	598	Thesis

Course Descriptions

DSS 501	Survey of Disability (3 units) This course introduces students to the etiologies, nature, determinants, adjustments, and problems of persons with intellectual, physical, learning, health, and/or emotional impairments.
DSS 503	Introduction to Disability Studies (3 units) This course includes a survey of disability studies with a focus on theoretical questions of how societies create understandings of impairments and what the consequences are for individuals and communities. Prerequisite: DSS 501.
DSS 507	History and Politics of Disability Policy This course includes a survey of disability studies with a focus on theoretical questions of how societies create understandings of impairments and what the consequences are for individuals and communities. Prerequisite: DSS 501.
DSS 509	Legal and Ethical Issues in Disability (3 units) This course introduces legal and ethical concepts and challenges facing persons with disabilities and those who work with them. Students consider both the principles that guide legal and ethical choices, as well as practical implications of those principles and choices. Topics include personal responsibility, assisted suicide, advance directives, educational inclusion, parenting, marriage, medical issues, and other ethical questions. Prerequisites: DSS 501 and 503.
DSS 513	Introduction to leadership and organizational theory (3 units) The purpose of this course is to equip students with the knowledge and skills necessary for successful leadership in public and private organizations with implications to various marginalized groups. Students will study leadership and organizational theories with an emphasis on assessment of personal growth needs and enhancement of administrative skills, including communication, decision-making, motivation, leadership styles, and team building. Prerequisites: DSS 501 and 503.
DSS 520	Current Christian Perspectives on Disability (3 units) Students explore Christian thinking on disability through the works of well-known writers. Topics include Christian traditions and perspectives regarding individuals with disabilities; the notion of disability and “wounding;” and Christian responses, including advocacy, ministry, and self-understanding of believers with disabilities. Prerequisites: DSS 501 and 503.

- DSS 523 Disability and Pastoral Care (3 units)**
Students examine theological perspectives on critical life issues as they relate to people with disabilities and their families. Emphasis is placed on understanding and caring in relationships with people with disabilities. Prerequisites: DSS 501 and 503.
- DSS 527 Disability Ministry (3 units)**
This course includes a biblically-based examination of the theory, theology, development, curriculum, and logistics of ministry to persons with disabilities and their families. Students also consider church structures and practices as they relate to people with disabilities. Prerequisite: DSS 520.
- DSS 540 Sociology of Disability (3 units)**
This course provides an overview of critical approaches to disability and inclusion within the sociological perspective. Students explore a range of disability experiences across the lifespan, including school, employment, social contexts, interpersonal relationships, and family contexts. Prerequisite: DSS 509.
- DSS 543 Social Role Valorization and Human Supports (3 units)**
Students pursue an in-depth study of social role valorization as a foundational principle in disability studies and human supports. Major foci include ideas of “wounding;” the impact of social role theory; and understanding the impact of interventions, attitudes, and perceptions on devalued people. Prerequisites: DSS 501 and 503.
- DSS 545 Disability Policy (3 units)**
This course focuses on legislation, litigation, and administrative foundations for the provision of services to persons with disabilities. Topics include the development of rights and civil protections in the USA, advocacy, and policy formulation and establishment. Prerequisite: DSS 509.
- DSS 596 Research Seminar (3 units)**
This course is designed to help graduate students prepare, evaluate, develop and present research culminating in a Disability Studies Capstone thesis or project. It includes an introduction to research tools and methodology, as well as participation in the development and critique of research proposals and results. The course culminates in a Research Prospectus for the student’s Capstone, including a Literature Review. This course is scheduled for 16 weeks. Formal class instruction occurs during the first 8 weeks, and then students receive an additional 8 weeks to complete their Research Prospectus. Those who require more time may apply for a grade of “SP” (Satisfactory Progress in an ongoing course) for an additional 16 weeks. Students with an approved Research Prospectus may enroll in DSS 598 and proceed with their Capstone project. Prerequisites: Completion of at least four core courses and at least one concentration course.
- DSS 598 Thesis (3 units)**
All students are required to complete an integrative Disability Studies Capstone that takes the form of (1) an academic project or thesis that advances the theory and scholarship of the field through original research, or (2) a professional practice project that advances professional practice through applied research and field investigations. Students work independently under the oversight of a faculty committee. Students enroll in DSS 598 for 16 weeks. Those who require more time may apply for a grade of “SP” (Satisfactory Progress in an ongoing course) for up to one year. Prerequisite: DSS 596 and an approved Research Prospectus.

Graduate and Teaching Credential Programs in Education

The graduate programs in education are designed to equip individuals with the skills, techniques and qualities of leadership required for professional excellence as classroom teachers, instructional leaders, curriculum developers, and administrators. The programs provide a purposeful balance between theory, practice, and research. Graduates will be prepared to identify their strengths and make choices regarding their future role in the profession. Knowledge of human growth and development, theories of learning, rationales for curriculum design and research methods will be blended to provide the appropriate preparation to allow these choices.

California Baptist University offers a Master of Arts and a Master of Science degree in Education and a state-approved teacher education program for the following credentials: Preliminary Single Subject and Multiple Subject with Internship options, Preliminary Administrative Services, and Education Specialist: Preliminary Mild/Moderate Disabilities with internship option, Education Specialist: Mild/Moderate Disabilities Level II, Pupil Personnel Services: School Psychology and Pupil Personnel Services: School Counseling, Preliminary Education Specialist: Moderate/Severe Disabilities with internship option and Education Specialist: Moderate Severe Disabilities Level II. California Baptist University is accredited by the Western Association of Schools and Colleges, and the School of Education credential programs are approved by the Commission on Teacher Credentialing. Students may complete a master's degree, a credential program or both. The Graduate Program Advisor, Credential Program Advisors, and the Credential Analyst are available to assist in course selection, degree check and other academic information.

Mission Statement

It is the mission of the Dr. Bonnie G. Metcalf School of Education of California Baptist University, a Great Commission University, to prepare professionals of high moral character and ethical behavior to serve throughout the world.

As part of the Great Commission, the faculty and staff are dedicated to their Christian responsibility outlined in Matthew 28: 19-20:

*Go ye therefore, and teach all nations...and lo, I am with you
always, even unto the end of the world.*

Admission Requirements

Admission standards for Graduate Studies at California Baptist University can be found in the Admissions section of the University Catalog. Specific admission requirements for the Graduate Program in Education are listed below. Individuals applying to the teaching credential program have additional admission requirements as outlined under Admission and Screening Procedures for Teacher Credential Candidates.

1. Grade Point Average*

- A minimum 3.0 GPA for unconditional admission and a minimum 2.75 GPA for conditional admission.
- Applicants who do not meet the minimum GPA may be considered for admission with the presentation of a minimum combined score of 1000 on the verbal and quantitative sections of the Graduate Record Exam (GRE) or a passing score on the California Subject Examination for Teachers (CSET).

*Select programs in education have a higher minimum GPA requirement. Higher GPA requirements are specified within the degree requirements.

2. Prerequisites for Graduate Study in Teacher Education**

- Complete two (2) of the following pre-requisite courses in education: EDU 302 Growth, Development, and Learning, and EDU 300 American Public School or ETC 305/505 Educational Computing—Level I or EDU 341/541 Exceptional Child.
- Outstanding prerequisite courses must be completed within the first two semesters of graduate enrollment.

**This does not apply to PPS program admission.

3. Three Recommendations, completed on forms provided, from professional sources who can address your potential for success. Family members and friends may not complete recommendations

- The letters must be from professional sources that can address the applicant's potential for success in education.

4. Comprehensive Essay of at least 500 words that includes the following elements:

- Purpose for entering the program
- Why you are suited to be an educator
- Reasons for choosing to study at California Baptist University

5. Acceptance by the director of the graduate program

Admission and Screening Procedures for Teacher Credential Candidates

A student who is admitted to the University is not automatically admitted to the Education Credentialing Program. In order to qualify for admission to the program, each candidate must meet the additional following requirements:

1. Complete a Bachelor's degree program at a regionally accredited college or university.
2. Take the state-administered California Basic Education Skills Test (CBEST).
3. File an application and obtain approval from the Education Committee.
4. Have a minimum GPA of 2.75 on a four-point scale, which is documented by official transcripts from all institutions attended.
5. Submit three letters of recommendation from a professional source indicating applicant's suitability for teaching.
6. Complete the following four (4) prerequisite courses satisfactorily: EDU 302 Growth, Development, and Learning (3 units), EDU 300 American Public School (3 units), ETC 305/505 Educational Computing—Level I (3 units) and EDU 341/541 The Exceptional Child (3 units).
7. Complete a satisfactory interview with an Education Committee faculty member.
8. Written literacy sample.
9. Verification of Certificate of Clearance granted.

The Education Committee meets at least once a month during the Fall and Spring sessions to review applications for program acceptance.

Graduation Requirements (Master of Science in Education)

1. Completion of all pre-requisite and course requirements.
2. Earn a minimum cumulative grade point average of at least 3.0 overall with no grade below B- in the degree.
3. Successful completion of one of the following:

- a. A comprehensive examination
- b. An approved project
- c. An approved thesis

The student's faculty advisor and the director of the graduate program in education must approve the method for meeting this requirement at least two terms prior to graduation. Students electing the comprehensive exam must enroll in EDU 594 and will substitute three (3) units of approved coursework for EDU 596. Students who choose to complete a project or thesis are required to enroll in EDU 596. If the project or thesis is not completed during EDU 596, students must enroll in one unit of EDU 597 or EDU 598 for a maximum of 3 semesters to finish a project/thesis and receive the services of their faculty committee. If the project or thesis is not complete by the end of the third semester students will be required to take the comprehensive exam to complete degree requirements.

4. Successful completion of an electronic portfolio.

Students should begin early in the program to compile their portfolio. This portfolio should include the critical assignments that demonstrate mastery of learning outcomes for each course in the program prior to portfolio evaluation.

5. The student and the graduate program advisor will develop an appropriate program of study. By the end of the first term after admission, the student must complete a program of study plan for graduation and have it approved by the graduate program advisor. The program of study may be modified with the approval of the graduate program advisor, but the program of study and all degree requirements as listed in the catalog must be completed successfully prior to graduation.

6. Be in good academic standing (not suspended or academically disqualified) at the time of completion.

7. Satisfy all financial obligations.

Master of Science in Education

Teacher Education Credential Programs

The Elementary Subject Matter Program allows candidates to complete course work in a program that provides the requisite knowledge and skills to teach in a multiple subject classroom. Teaching in the elementary classroom requires passing the appropriate state examination. It is recommended that students seeking a Single Subject Credential complete a BA/BS in the same subject area. Single Subject candidates may satisfy Subject Matter Competence by completing an approved academic program at the university, or by passing the appropriate state examination. Presently, the Credential Program includes three phases: prerequisites, professional coursework, and student teaching or internship. Many of these courses requires ten or more hours of field experience. The culminating experience is the semester of full-time student teaching or internship in local public schools. All interns must complete a full semester of student teaching.

The credential program offered by California Baptist University is a state approved program; therefore, it is subject to revision at any time by state or federal law. Specifically, California Baptist University has been approved by the Commission on Teacher Credentialing for Multiple Subject, Single Subject, and Internship Credentials under SB 2042. Also approved are the Preliminary Education Specialist: Mild/Moderate and Preliminary Education Specialist: Moderate/Severe, both with an internship option. Education Specialist Mild/Moderate: Level II and Education Specialist: Moderate/Sever Level II. All teaching credentials include an English Learner Authorization. The School of Education also offers services credentials in the areas of Pupil Personnel Services (PPS): School Counseling and Pupil Personnel Services: School Psychology, and a Preliminary Administrative Services credential. The University and the Metcalf School of Education reserve the right to modify the credentialing requirements stated in this catalog when directed to do so by the Commission on Teacher Credentialing.

Since credential legislation and regulations are subject to change, it is the student's responsibility to contact the School of Education about current regulations. Students are subject to any changes the state may impose until the candidate is fully credentialed..

For Credential Admission Requirements see Admissions and Screening Procedures for Teacher Education Candidates following the Admission Requirements for the graduate programs.

University Internship Credentials are issued to individuals who have enrolled in Commission-approved internship programs. Prior to acceptance, candidates must complete 120 hours of classroom instruction and 63 hours of classroom observation and related fieldwork documented through written reports. These one-to-two year programs are administered by California colleges and universities in partnership with local school districts and are designed to provide participants with classroom experience while they complete course work requirements for the preliminary credential. University Internship credentials authorize the holder to serve, under the supervision of a commission-approved college or university and the holder's employer, in the area or subject listed on the credential. California Baptist University sponsors university internship credentials in the following areas: Multiple Subject Teaching, Single Subject Teaching, and Preliminary Education Specialist (Mild/Moderate Disabilities, Moderate/Severe Disabilities)

ADMISSION REQUIREMENTS

To be admitted to a University Internship Program at CBU, all candidates must meet Commission and university requirements:

- Posted Bachelor's degree from regionally accredited university
- Cumulative Grade Point Averages of at least 2.75 for admission; Maintain 3.0 gpa or better to continue as an intern
- Pass Basic Skills Requirement
- Certify Subject Matter Competence has been met
- Complete U.S. Constitution requirement
- Present Certificate of Clearance
- Complete all pre-requisite coursework (15 units)
 - For All Interns: EDU 300 American Public School (3); EDU 302 Growth, Development, and Learning (3); EDU 341/541 Exceptional Child (3); ETC 305/505 Educational Computing – Level I (3)
 - For Multiple Subject, Mild/Moderate Disabilities, Moderate/Severe Disabilities: EDU 516 Reading and Phonics (3)
 - For Single Subject Interns: ED515 Reading in Content Areas (3)
- Present offer of employment with a district with an intern agreement with California Baptist University
- All University Interns must register for EDU 582 Internship Practicum for 2 units each semester and meet course requirements until they are eligible for student teaching.

Preliminary Single Subject Credential

A Preliminary Single Subject Credential authorizes the holder to teach in a specific subject area in grades twelve and below, including pre-school, in classes organized primarily for adults, and in classes for English learners. The Preliminary Single Subject program recommends completion of an approved program in one of the subject areas taught in secondary schools. Credential requirements can be obtained from the School of Education Credential Program Advisors.

Single Subject candidates who have not completed an approved subject matter preparation program may qualify for the credential by achieving a passing score on the relevant subject area California Subject Examination for Teachers (CSET)/ Single Subject Assessment Test (SSAT). Prerequisites to being admitted to the program are listed below. A Certificate of Clearance must be secured prior to enrollment in courses requiring fieldwork. Prerequisite courses must be completed before beginning methods courses. The following units of professional education coursework are necessary to complete requirements for the Preliminary Credential:

This course examines K-12 educational systems in the global society. Students will compare schooling in various societies and examine the history of their respective educational systems and how the systems were organized to meet the political, social and economic agenda of the 21st century. By examining different approaches to common problems, students will have a broad foundation upon which they can analyze and evaluate different strategies for problem solving educational issues. Students will develop their personal worldview of international education based on a Judeo-Christian worldview.

EDU 541 The Exceptional Child (3)

The nature, determinants, adjustments, and problems of persons who have cognitive gifts and talents, cognitive delays, physical disabilities, learning disabilities, and who have emotional or behavior disorders will be studied in conjunction with appropriate educational interventions in the mainstream classroom and other settings. The course will acquaint students with (a) characteristics and needs of children with disabilities that affect learning, (b) methods of assessing disabilities, (c) components of the Individual Education Program (IEP), (d) instructional strategies and materials including those appropriate for English language learners, (e) positive behavior support, (f) special needs of families of learners with disabilities, (g) agencies and professional supporting learners with disabilities, and (h) legislation, including Public Law 94-142, IDEA (Part B and Part H), the American Disabilities Act (ADA), and the Rehabilitation Act of 1973 ("Section 504"), as well as subsequent amendments relevant to special education. Ten hours of fieldwork is required. Approved by the California Commission on Teacher Credentialing to meet requirements for the credential. Cross-listed with EDU 341.

EDU 542 Models of Teaching (3)

Students explore varied strategies of instruction from four families of teaching models: behavioral, social, personal, and information processing. Students will identify and study sixteen unique models of teaching, which provide the student with a wide repertoire of teaching models for classroom practice. Students examine relationships among theories of learning and instruction as well as various instructional alternatives. Prerequisite: EDU 300, EDU 302, and teaching experience or permission of the instructor.

EDU 542L Models of Teaching (1)

Students will connect the content from the core lecture course with practice at the district, school or classroom level through a problem-based learning experience. Pre- or Co-requisite: EDU 542 and Declared Teaching and Learning Specialization.

EDU 544 Personnel Leadership and Development (3)

This course equips candidates with the knowledge and skills for attracting, selecting, developing, evaluating and retaining quality and competent faculty and staff. Students also develop competences in managing employee problems and due process. Prerequisite EDL 530 and Declared Educational Leadership for Public Institutions Specialization.

EDU 543 Integrating Visual/Performing Arts and Physical Education into the Elementary Classroom (2)

This course is an introductory methods course for students seeking a career in education. This course is a study of the Visual and Performing Arts and the Physical Education California Frameworks. Integrating Visual/Performing Arts and Physical Education into the Elementary Classroom will focus on understanding California's goals for teaching elementary age students non-core curriculum content. This course will focus on appropriate instructional and assessment goals. This course will also include strategies for teaching non-core content in settings heavily impacted by state assessments and pacing guides. Six hours of observation and four hours of teacher aiding are required. EDU 300 and 302.

EDU 545 Multiethnic Literature for Children and Young Adults (3)

Students will focus on identification and study of literature written by and about ethnic minorities in the United States. The course also provides an in-depth study of a variety of books appropriate for use in the classroom. Prerequisite: A course in children's literature recommended.

EDU 546 Analysis of Teaching Behavior (3)

This course is a systematic study of the teaching process, in which candidates examine research methodology used to analyze teaching, the current knowledge of the association between teaching processes and student learning, and the implications of the research for the classroom. Prerequisite: Declared Educational Leadership for Faith-Based Institutions Specialization.

- EDU 548 Multiethnic Education (3)**
A course to help in-service educators clarify the philosophical and definitional issues related to pluralistic education, derive a clarified philosophical position, design and implement effective teaching strategies that reflect ethnic and cultural diversity, and prepare sound guidelines for multicultural programs and practices.
- EDU 550 Bilingual Issues and Methods (3)**
This course provides an in-depth study of the legal, ethical, social and cultural issues surrounding the field of bilingual education. Students will study and develop methods of delivering academic content in English in order to provide bilingual students with equal access to the curriculum. Cross-listed with EDU 450.
- EDU 550L Bilingual Issues and Methods (1)**
Students will connect the content from the core lecture course with practice at the district, school or classroom level through a problem-based learning experience. Pre- or Co-requisite: EDU 550 and Declared Teaching and Learning Specialization.
- EDU 554 Teaching the Gifted and Talented: Nature and Needs of Gifted Children (3)**
A study of the nature and needs of gifted and talented children in the school setting will be examined. Models of human intelligence, including Multiple Intelligences Theory, and ways to identify and serve talented students in diverse populations, including American Indian children, will be addressed. Prerequisite: Education Committee Acceptance.
- EDU 565 Multiple Intelligences in the Classroom (3)**
An understanding of Gardner's Theory of Multiple Intelligences and how to put it to use in the classroom is the focus of this course. Class presentations will include an exploration of the theory and its relationship to the human brain, ways in which MI theory can assist teachers in developing curricula, choice of teaching strategies, and improvement of the classroom environment.
- EDU 566 Effective Intervention and Collaboration (3)**
Students will (a) become familiar with statutory provisions of the Individuals with Disabilities Education Act (IDEA), subsequent changes in the act, and any new, relevant statutory requirements; (b) discuss the statutory and/or local provisions relating to the education of students who are gifted and talented; (c) demonstrate the ability to create a positive, inclusive climate for individualized, specialized instruction and the assessment of students with special needs and/or abilities; and (e) demonstrate the use of instructional strategies to provide students with disabilities appropriate learning opportunities to master grade level state-adopted academic content standards for students at high performance levels. (Advanced course for special education)
- EDU 580 Student Teaching and Seminar (8-15)**
Teaching experience in the public school under guidance of University supervisor with cooperation of a master credentialed teacher in the public school. Open to Multiple Subject, Single Subject, and Special Education credential candidates who have been accepted by the Teacher Education Committee and who have been cleared for student teaching. Weekly seminar accompanies student teaching. Cross-listed with EDU 498. Prerequisite: Education Committee Acceptance and Program Advisor Permission. Non-Degree Applicable.
- EDU 581 Internship and Seminar (15)**
Within the intern's classroom, the intern will work with a university supervisor. This is open to all multiple or single subject candidates who are under contract with a public school district and have been accepted by the Teacher Education Committee. Weekly seminar accompanies the internship. Prerequisite: Education Committee Acceptance and Program Advisor Permission. Non-Degree Applicable.
- EDU 582 Internship Practicum (2)**
Provides weekly supervision for Student Interns who are completing coursework for the Preliminary Teaching Credential in elementary, secondary, or special education. Weekly meetings with a University Supervisor and satisfactory performance is on a pass-fail basis. A grade of F is reason for dismissal from the Intern program. Credit earned in the Internship Practicum is non-degree applicable. Enrollment in this course is required each semester until the intern has completed and has filed for the preliminary credential. Prerequisite: Education Committee Acceptance and Program Advisor Permission.
- EDU 585 International Education Practicum (1-3)**
Experience in International Education: Candidates will collaborate with the Professor to develop an International Education Applied Research project to take place in an international setting. The Practicum concludes the program and will require approximately 40 hours of exposure per credit hour, and candidates are required to take a minimum of 3 units. With the approval of the instructor more units may be offered depending on the complexity of the research topic. Prerequisites: EDU 531, 532, 533, 534.

Graduate Programs in Education

- EDU 594 Comprehensive Exam (0)**
Registration in EDU 594 is required for students wishing to take a comprehensive exam to complete degree requirements for a Master of Education degree. Prerequisite: Program Advisor Permission.
- EDU 595 Special Topics (1-3)**
Focuses on special subjects of interest to current teachers. May be repeated for credit.
- EDU 596 Research Seminar (3)**
The seminar requires students to engage in preparation, evaluation, development, and presentation of curriculum research proposals culminating in a graduate project or thesis. Individuals and groups will participate in critiquing proposals, curriculum projects, and research results. Prerequisite: EDU 525 and Program Advisor Permission.
- EDU 597 Project (1)**
Continuing enrollment for those not completing a project while enrolled in EDU 596. Prerequisite: Program Advisor Permission.
- EDU 598 Thesis (1)**
Continuing enrollment for those not completing a thesis while enrolled in EDU 596. Prerequisite: Program Advisor Permission.
- EDU 599 Independent Graduate Research (1-3)**
This is an independent inquiry into a topic not currently available in regular program offerings.
- ETC 505 Educational Computing - Level I (3)**
A study of a variety of applications of computers within the curriculum to improve learning and educational opportunities. Includes software evaluation, selection, and use of various computer-based applications. Approved by the California Commission on Teacher Credentialing to meet Level 1 requirements for a Preliminary Credential. Required as a prerequisite for all Educational Technology courses. This course is required for all credential candidates. Cross-listed with ETC 305.
- ETC 510 Foundations/Research in Educational Technology (3)**
An introductory course emphasizing historical, philosophical, psychological and sociological foundations of educational technology. Students will also examine and critique different types of research studies in educational technology. Prerequisite: ETC 505.
- ETC 515 Selection and Utilization of Instructional Media (3)**
This course will investigate the selection, utilization, and evaluation of instructional materials to improve learning and communication. Basic instructional development techniques are learned to develop microteaching sessions. Prerequisite: ETC505.
- ETC 515L Selection and Utilization of Instructional Media Lab (1)**
Students will connect the content from the core lecture course with practice at the district, school or classroom level through a problem-based learning experience. Pre- or Co-requisite: ETC 515 and Prerequisite: Declared Teaching and Learning Specialization.
- ETC 520 Educational Computing - Level II (3)**
This course explores the integration of computer technology into the school curriculum. Computer-assisted instruction, computer-managed instruction, teaching strategies using computer technology, emerging technologies, and issues related to the use of the internet are addressed in the course. Approved by the California Commission on Teacher Credentialing to meet Level II requirements for a Credential. Required course for all credential candidates. Prerequisite: ETC 505.
- ETC 520L Educational Computing - Level II Lab (1)**
Students will connect the content from the core lecture course with practice at the district, school or classroom level through a problem-based learning experience. Pre- or Co-requisite: ETC 520 and Declared Teaching and Learning Specialization.
- ETC 525 Instructional Design and Development (3)**
This course emphasizes the application of instructional development principles and procedures. Students explore the process of instructional development and develop an instructional design. Development and evaluation of the instructional designs are emphasized. Prerequisite: ETC 505.
- ETC 530 Technology Management Issues (3)**
This course focuses on the design and management of technology facilities, introduces networking basics, grant-writing issues, and includes an overview of distance education foundations. Prerequisite: ETC 505.
- ETC 535 Internet for Educators (3)**
This course provides an overview of approaches to using telecommunications and the Internet for educational goals. Students utilize various tools to develop home pages for the World Wide Web. Prerequisite: ETC 505.

ETC 545	<p>Introduction to Interactive Multimedia Design (3)</p> <p>This course focuses on the foundations, design, and development of interactive multimedia. Students will learn how to incorporate sound, video, text, graphics and still images into a learning package. Prerequisite: ETC 505.</p>
ETC 550	<p>Advanced Interactive Multimedia Design (3)</p> <p>This advanced course focuses on the systematic design and development of interactive multimedia. The course emphasizes planning, designing, and developing more complex instructional designs in a multimedia format. Prerequisites: ETC 505, ETC 535, and ETC 545.</p>
ETC 555	<p>Educational Desktop Publishing (3)</p> <p>This course explores the educational uses of desktop publishing software. Projects such as handouts, newsletters, and student desktop publishing activities are required. Techniques, uses, curriculum integration, and vocabulary of desktop publishing are the primary focus. Prerequisite: ETC 505.</p>
ETC 595	<p>Internship in Educational Technology (1-3)</p> <p>Students are assigned to work as field trainees in school media centers or in other appropriate settings under joint supervision of a designated supervisor and university faculty. Requires approval of program director.</p>
ETC 599	<p>Independent Study in Educational Technology (1-3)</p> <p>Individual and supervised study of research problems and special projects in specific areas of educational technology.</p>
PPS 501	<p>Introduction to School Psychology (3)</p> <p>This course is designed to introduce first-year students in the Pupil Personnel Services Credential Program in School Psychology to theory, roles, and functions, and current issues of school psychology as an academic discipline and as a professional field. This course will orient new students to the model of school psychology practice taught within this program: a scholar-practitioner model which requires the ability to think critically within the context of a broad base of practical experience. Prerequisite: Declared School Psychology Specialization.</p>
PPS 502	<p>Introduction to School Counseling (3)</p> <p>Introduces students to theory, roles, and functions, and current issues of school counseling as an academic discipline and as a professional field. This course will orient new students to the ACSA national model of school counseling practice taught within this program: a scholar-practitioner model which requires the ability to think critically within the context of a broad base of practical experience. Prerequisite: Declared School Counseling Specialization.</p>
PPS 503	<p>Counseling Theory (3)</p> <p>The course surveys the major theoretical approaches to individual counseling in the schools: e.g., Person-Centered Counseling, Rational-Emotive Behavior Therapy, Behavioral Counseling/Therapy, Cognitive and Cognitive/Behavior Therapy, and Solution-Focused Brief Therapy. Theories of change and resiliency research are studied. Students will examine each theory critically, practice techniques from some of them, and define a personal approach to counseling. Prerequisite: Declared School Psychology or School Counseling Specialization.</p>
PPS 510	<p>Practicum: Role of the School Counselor (1)</p> <p>This course provides students with supervised opportunities to observe school counselors working in a variety of roles within a school community and to interact with school counselors regarding the nature of the job of school counselor. Reflection about the student's own personality, work style, and areas of strength and weakness will also be integrated into the understanding of the roles of the school counselor. Prerequisite: Declared School Counseling Specialization.</p>
PPS 512	<p>Counseling Techniques for Exceptional Children (3)</p> <p>The nature and needs of pupils in special education with a wide range of learning disorders and handicaps, as well as health problems, and emotional problems will be studied in conjunction with appropriate educational and counseling interventions. Attention to ethics and legislation governing special education, including those regulating practice with diverse populations is included. Prerequisite: Declared School Psychology or School Counseling Specialization.</p>
PPS 513	<p>Advanced Psychopathology (3)</p> <p>This course will focus on the variety of psychosocial problems of children and adolescents that impair academic success and life skills. Candidates will demonstrate the ability to differentiate among a wide range of clinical disorders, social and emotional disorders and behavioral disorders of childhood and adolescents. Candidates will review research studies, case studies, assessment tools, treatment design and school based intervention programs to facilitate positive outcomes for students impacted. Candidates will be involved in group processes, observations and case study reviews, fieldwork and research in various domains of psychopathology. Candidates will develop a repertoire of tools to assist them in the identification and intervention of individuals impacted within a linguistically and culturally diverse setting. Prerequisite: Declared School Psychology or School Counseling Specialization.</p>

Graduate Programs in Education

- PPS 515 Practicum: Role of the School Psychologist (1)**

It also requires application of learning through practice in group planning and group leadership in both small groups and classroom groups. Prerequisite: Declared School Psychology or School Counseling Specialization.
- PPS 542 Advanced Research Methods (3)**
This course will focus on the variety of research design methods that are effective and appropriate for use in the educational setting to assess program effectiveness, student learning, intervention efficacy and the analysis of data. Candidates will demonstrate the ability to differentiate a wide range of quantitative and qualitative research methodologies. Candidates will review research studies, case studies, assessment tools, treatment design and school based intervention programs to facilitate positive outcomes for students. Candidates will be involved in group processes, observations and research study reviews, fieldwork and research in various domains of psychopathology. Prerequisite: Declared School Psychology or School Counseling Specialization.

- PPS 543 Transition and Career Counseling (3)**
Offers school counseling candidates the opportunity to acquire and apply knowledge of school-based career development programs and how to develop, implement and evaluate them. Candidates also learn to use computer-assisted career guidance systems and other tools to facilitate pupils in career development and decision-making. Prerequisite: Declared School Counseling Specialization.
- PPS 544 Individual Intelligence Testing (3)**
This course provides students with direct instruction and supervised practice in the administration, scoring, and interpretation of major standardized measures of intelligence. The student will also gain experience in report writing. Prerequisite: Declared School Psychology Specialization.
- PPS 545 Practicum: Counseling & Clinical Diagnosis (1)**
This practicum is designed to allow students to investigate current issues related to the practice of school psychology with an emphasis on prevention and intervention. Students will identify intervention models and resources for specific types of problems facing young people today. Prerequisite: Declared School Psychology Specialization.
- PPS 550 Practicum: Educational Interventions for Diverse Groups (1)**
This practicum is designed to students with knowledge and skills necessary to becoming effective problem solvers in relation to academic issues. Prerequisite: Declared School Psychology or School Counseling Specialization.
- PPS 553 Educational Assessment for School Psychology and School Counseling (3)**
This course will introduce students to specific assessment and educational testing techniques, strategies, instruments appropriate for use in identifying and placing special educational students, planning and measuring learning progress, and reevaluating learning needs. It will include legal and ethical considerations in assessment, basic concepts of measurement, and ethnic and cultural aspects of assessment. Twenty hours of fieldwork is required for this course. Prerequisite: Declared School Psychology or School Counseling Specialization.
- PPS 555 Intervention, Consultation, and Collaboration (3)**
This course will focus on the basic aspects of effective communication between education professionals and others involved in the education and care of disabled individuals, including parents and family members. Fifteen (15) hours of fieldwork are required. Prerequisite: Declared School Psychology Specialization.
- PPS 576 Field Experience/Internship I in School Counseling (3)**
Supervised field experience in paid or unpaid internship in school counseling. Candidates develop competencies in assessment and data-based decision making, consultation and systems change, cognitive and academic interventions, mental health interventions, and home/school/community collaboration. In addition to the required field experience, students are expected to participate in fifteen (15) hours of on-campus seminar and group supervision each semester. Candidates for the PPS credential will complete 300 hours of field experience for each course with satisfactory evaluations by the university and district supervisors. Up to 150 hours of the total shall be devoted to issues of diversity. This may be satisfied with up to 100 clock hours in a diversity program or with the development and implementation of a program that addresses diversity issues. AND at least 50 clock hours shall be with at least 10 pupils (individually or in a group) of a racial and ethnic background different from that of the candidate. OR, all 50 clock hours with pupils of a racial and ethnic background different from the candidate. (Standard 31) Appropriate settings and activities will be documented by institutional records. This may be done on a full-time basis over the course of one academic year, or on a part-time basis over the period of no more than two consecutive academic years. Prerequisite: successful completion of all coursework, including a minimum of 100 hours of practicum experience, approval for the internship by the Education Committee, and approval of fieldwork site by program coordinator or advisor. Prerequisite: Declared School Counseling Specialization.
- PPS 577 Field Experience/Internship I in School Psychology (6)**
Supervised field experience in paid or unpaid internship in school psychology. Candidates develop competencies in assessment and data based decision making, consultation, and systems change, cognitive and academic interventions, mental health interventions, and home/school/community collaboration. In addition to the required field experience, students are expected to participate in fifteen (15) hours of on-campus seminar and group supervision each semester. Candidates for the PPS credential will complete 600 hours of field experience for each course with satisfactory evaluations by the university and district supervisors. At least 800 hours of the total must be in preschool-grad 12. Of the 1200 hours required, 400 may be completed in other appropriate settings and activities as documented by institutional records. This may be done on a full-time basis over the course of one academic year, or on a part-time basis over the period of no more than two consecutive academic years. Prerequisite: successful completion of all coursework, including 450 hours of field practice, approval for the internship by the Education Committee, and approval of fieldwork site by program coordinator or advisor. Prerequisite: Declared School Psychology Specialization.

- PPS 578 Field Experience/Internship II in School Counseling (3)**
Supervised field experience in paid or unpaid internship in school counseling. Candidates develop competencies in assessment and data-based decision making, consultation and systems change, cognitive and academic interventions, mental health interventions, and home/school/community collaboration. In addition to the required field experience, students are expected to participate in fifteen (15) hours of on-campus seminar and group supervision each semester. Twenty (20) hours of fieldwork required. Prerequisite: Declared School Psychology Specialization.
- RDG 530 Mechanics of Reading and Writing (3)**
Hands-on methodology instruction for teachers in areas such as decoding, spelling and structural analysis. This class features an examination of numerous commercial programs that have been promoted to increase reading ability through phonics instruction. Software programs are also examined and evaluated. Comprehensive instruction in the writing process and application for classes across the curriculum will be included. Prerequisite: EDU 515, 516, and Declared Reading Specialization or Reading Certificate.
- RDG 535 Diagnosis of Reading Problems (3)**
This course examines diagnostic procedures and techniques used to determine reading problems. Methods of reading instruction, to include linguistic and phonics approaches, will be examined and prescriptive plans for the improvement of reading will be taught based on ongoing assessment. Prerequisite: EDU 515, 516, RDG 530, and Declared Reading Specialization or Reading Certificate.
- RDG 536 Diagnosis of Reading Problems Fieldwork (3)**
A weekly seminar and 45 hours of fieldwork are required for this course. Fieldwork is focused on bridging components of theory and practice in the diagnosis and remediation of reading problems in settings which provide a balanced, comprehensive reading program for all learners. May be taken concurrently with RDG 535. Prerequisites: EDU 515, 516, RDG 530, and Declared Reading Certificate.
- RDG 538 Advanced Assessment and Intervention Strategies in Reading and Language Arts (3)**
This course is designed to enable teachers to gain advanced knowledge and skill in the use of assessment and evaluation techniques and to develop alternative intervention strategies based on sound theory and research with all learners. May be taken concurrently with RDG 535 and 536. Prerequisites: EDU 515, 516, RDG 530 or special permission of the program coordinator.
- RDG 540 Models and Processes of Teaching Reading (3)**
An examination of the theoretical models and processes involved in teaching reading. Special emphasis on linguistic, perceptual, affective and cognitive components of reading as well as historical trends, factors affecting reading achievement and implications for instruction. Prerequisite: EDU 515, 516, 530 and Declared Reading Specialization.

Graduate Programs in Education

- RDG 590 Clinical Experiences in the Teaching of Reading (4)**
Clinical (4 units) experience to involve diagnosis of individual reading problems, the guided design of prescriptive plans to meet the needs of individual clients and a supervised implementation of remediation techniques for the improvement of client reading deficiencies. Prerequisites: RDG 530, 535, 540, and Declared Reading Specialization.
- RDG 595 Special Topics in Reading Instruction (2)**
The examination of research in areas such as Emergent Literacy, Vocabulary Acquisition, Comprehension, Discourse Analysis and Cognitive Processing models. Focus will be on interpretation of reading and language arts research as it relates to practice. The Internet will be used to access professional reading organizations and current investigations in reading. Prerequisite: Declared Reading Specialization.
- SPE 520 Transition and Career Planning (1)**
Candidates will demonstrate the knowledge and ability to implement factors associated with successful planning and implementation of transitional life experiences. They will collaborate with personnel from other educational and community agencies to plan for successful transitions for students. Prerequisite: Education Committee Acceptance.
- SPE 520F Fieldwork: Transition and Career Planning (1)**
The course requires completion of CFASST Events 7 and 9 or equivalent activities. In Event 7, candidates will record and analyze critical information about students, examine the organization and resources of the school, district, and community, identify levels of English proficiency and primary language function in English learners, and examine student assessment data and academic achievement information in a selected content area. Event 9 requires candidates to investigate prior student achievement in their content area of emphasis, use long-term planning skills to create a series of five lessons designed to increase student learning of the selected standard, be observed teaching two lessons, evaluate student work, reflect on it, and discuss conclusions in a conference with the District Support Provider. Prerequisite: Education Committee Acceptance.
- SPE 530 Professional Induction Seminar (1)**
Candidates will extend their knowledge of general and special education responsibilities in schools in order to build in-depth knowledge of defined areas of interest. The Professional Induction Plan designed in this course outlines how the assessed needs of each candidate will be met and identifies specific activities for facilitating professional development. Prerequisite: Education Committee Acceptance.
- SPE 531F Professional Induction Fieldwork (1)**
Candidates will complete CFASST Events 1 and 6, or approved equivalent activities. Event 1 requires candidates to complete a focused examination of the educational context where they teach and to identify characteristics that affect their daily teaching. They will reflect on their findings with a District Support Provider. Event 6 requires candidates to reflect on the first year of teaching, to summarize major areas of growth, and to select significant work to share with colleagues at a Colloquium. Prerequisite: Education Committee Acceptance.
- SPE 546 Applied Behavior Analysis (3)**
The course focuses on developing an educational approach to supporting positive academic and social behaviors in the classroom and community using the principles of Applied Behavior Analysis (ABA). Specifically, students will be presented with the concepts of reinforcement, punishment, stimulus, control, shaping, and fading as they are applied to increasing or decreasing academic and social behaviors. Students will also be presented with information regarding functional assessment, behavior support and behavior intervention plans, and laws (federal and state) governing behavioral issues related to individuals with special needs.
- SPE 550 Research in Special Education (1)**
Candidates will demonstrate the knowledge and ability to read and apply current and emerging research on best practices as well as maintain currency on educational policies that affect their professional practice. Prerequisite: Education Committee Acceptance.
- SPE 551 Introduction to Autism: Characteristics and Interventions (3)**
This class is an introduction to the field of autism. It focuses on the foundations and characteristics of autism spectrum disorders and presents up-to-date evidence-based best practices for teaching students with ASD.
- SPE 553 Educational Assessment for Special Education (3)**
This course will introduce students to specific assessment and educational testing techniques, strategies, and instruments appropriate for use in identifying and placing special education students, measuring learning progress, and reevaluating learning needs. It will include legal and ethical considerations in assessment; basic concepts of measurement; and ethnic and cultural aspects of assessment. Other areas to be covered are: assessment of specific domains such as intelligence, sensory acuity, oral language, perceptual-motor skills, personality, and academic achievement, assessment of young children, teacher-made tests, and application of assessment information in decision-making. 20 hours of fieldwork is required for this course. Prerequisite: Education Committee Acceptance.

- SPE 555 Collaboration, Consultation, and Effective Intervention (3)**
This course will focus on the basic aspects of effective communication between special education professionals and others involved in the education and care of individuals with disabilities, including parents and family members. Special education teachers will acquire methods for effective team-building, knowledge of community resources, and advocacy. They will learn how to promote self advocacy for persons in special education. 10 hours of fieldwork is required for this course. Prerequisite: Education Committee Acceptance.
- SPE 560 Advanced Curriculum, Instruction, and Assessment (1)**
Candidates will acquire the knowledge and skills to teach, adapt, modify, and integrate curriculum appropriate to the educational needs of students with mild and moderate disabilities. Prerequisite: Education Committee Acceptance.
- SPE 561F Fieldwork: Advanced Curriculum, Instruction, and Assessment or approved non- university activities (1)**
Candidates will complete CFASST Events 2, 3, 4, and 5, or equivalent activities. Event 2 requires candidates to implement a new approach in the classroom, track changes, reflect on them, and confer with their District Support Provider to identify their current level of practice. Event 4 requires candidates to assess student performance, reflect on their findings, and complete a closure conference to assess current practice on the three elements of Standard 5 (Assessing Student Learning) of the California Standards for the Teaching Profession. Events 3 and 5 are profiles of practice requiring structured observations by the District Support Provider and subsequent assessment of their level of practice. Candidates will consider their level of practice, school or district priorities, and other challenges in order to prepare a plan of professional development in an area they have targeted for growth. The Individual Induction Plan (IIP) prepared by all candidates will assist the District Support Provider in determining the best focus for candidate efforts in completing CFASST. Prerequisite: Education Committee Acceptance.
- SPE 562F Fieldwork: Advanced Curriculum, Instruction, and Assessment or approved non-university activities (1)**
Candidates will complete CFASST Events 9 and 11, or equivalent activities during their second CFASST year. Event 9 requires candidates to investigate prior student achievement in their content area of emphasis, use long-term planning skills to create a series of five lessons designed to increase student learning of the selected standard, be observed teaching two lessons, evaluate student work, reflect on it, and discuss conclusions in a conference with the District Support Provider. Event 11 requires candidates to analyze student learning over time, reflect on a summative assessment of student learning, draw conclusions about teaching effectiveness, and discuss findings in a conference with the District Support Provider. Prerequisite: Education Committee Acceptance.
- SPE 568 Teaching Students with Moderate/Severe Disabilities: Instructional Strategies (3) Fall, Spring**
Instructional strategies for students with moderate/severe disabilities. Includes assessment, curriculum adaptations, curriculum delivery, and program evaluation. Topics include, functional academics, communication skills, behavioral issues, and accessing the core curriculum. Prerequisite: Education Committee Acceptance.
- SPE 569 Teaching Students with Moderate/Severe Disabilities: Community Integration (3) Fall, Spring**
Integrating students with moderate/severe disabilities into the community. Includes social networks, social skills, community based instruction, movement, mobility and specialized health care. Prerequisite: Education Committee Acceptance.
- SPE 570 Advanced Behavior and Environmental Support (1)**
Candidates implement systems to assess, plan, and provide academic and social skill instruction to support students with complex behavioral and emotional needs (Standard 14). They work with educational, mental health, and other community resources in the ongoing process of designing, implementing, evaluating, and modifying identified supports to ensure a positive learning environment (Standard 14). Prerequisite: Education Committee Acceptance.
- SPE 571F Fieldwork: Advanced Behavior and Environmental Support or approved non-university activities (1)**
Candidates complete CFASST Event 7 or approved equivalent activities. They record and analyze critical information about students, examine the organization and resources of the school, district, and community, identify levels of English proficiency and primary language function in English learners, and examine student assessment data and academic achievement information in a selected content area. Prerequisite: Education Committee Acceptance.
- SPE 580 Student Teaching in Special Education (8-15 units)**
Teaching experience in the public school under guidance of a University Supervisor with cooperation of a credentialed Master Teacher. Open to credential candidates who have been cleared for student teaching. Weekly seminar accompanies student teaching. Non-Degree Applicable. Prerequisite: Education Committee Acceptance and Program Advisor Permission.

Graduate Programs in Education

SPE 581 Internship and Seminar (15)

Intern teaching experience in the public school under the guidance of a University Supervisor while employed by a public school district. Open to credential candidates who have been cleared for student teaching. Weekly seminar accompanies student teaching. Non Degree Applicable. Prerequisite: Education Committee Acceptance and Program Advisor Permission.

SPE 582 Internship Practicum (2)

Provides weekly supervision for Interns who are completing coursework for the Preliminary Teaching Credential in elementary, secondary, or special education. Weekly meetings with a University Supervisor and satisfactory performance is on a pass-fail basis. The seminar focuses specifically on tools, techniques, materials, and strategies that promote effective instruction in the classroom. The course is designed to address specific classroom occurrences as they take place during the school year (i.e. September – setting up the classroom, keeping a lesson plan book & assessing student needs; October – determining grades, and; November – holding parent meetings). A grade of F is reason for dismissal from the intern program. Credit earned in the Internship Practicum is non-degree applicable. Enrollment in this course is required each semester until the intern has completed and has filed for the preliminary credential. Prerequisite: Education Committee Acceptance and Program Advisor Permission.

SPE 590 Diagnostic and Remedial Techniques in Reading (4)

This course will focus on the various causes of reading disabilities, including severe visual and phonological dyslexia; formal and informal methods for diagnosing reading problems; and the application of the results of assessment in IEP design. Instruments such as the Wide Range Achievement Test, Informal Phonics Inventory, Fry's High Frequency Sight Word Test, the Johns Informal Reading Inventory, and the Woodcock Reading Inventory will be covered. Students will also examine various instructional procedures, strategies, and materials for remediating reading disabilities in students in special educational classrooms and mainstream classrooms. A clinical practicum of 20 hours is included in which students assess, plan, and tutor individuals with severe reading disabilities. Prerequisite: EDU 516 and Education Committee Acceptance.

SPE 595 Professional Leadership and Communication Seminar (1)

In their final course, candidates will continue to develop skills in communication, collaboration and consultation with teachers and other school personnel, community professionals, and parents. They complete CFASST Events 10 and 12 or approved equivalent activities. Event 10 requires candidates to complete a short self-assessment and a review of evidence from Events 7-9 to identify their level of Framework implementation and area(s) of emphasis for the Individual Induction Plan (IIP). Event 12 requires candidates to examine evidence collected in all events and complete a self-assessment in each of the six California Standards for the Teaching Profession. They will also select significant work to share with colleagues in a Professional Growth Colloquium. At the conclusion of this course, the candidate will secure approval of the completion of the Level II Professional Induction Plan from the University Advisor and the District Support Provider. Prerequisite: Education Committee Acceptance.

SPE 595F Fieldwork: Professional Leadership and Communication Seminar (1)

The course requires completion of CFASST Event 4, 10 and 12 or equivalent activities. Event 4 requires candidates to assess student performance, reflect on their findings, and complete a closure conference to assess current practice on the three elements of Standard 5 (Assessing Student Learning) of the California Standards for the Teaching Profession. Event 10 requires candidates to complete a short self-assessment and a review of evidence from Events 7-9 to identify their level of Framework implementation and area(s) of emphasis for the Individual Induction Plan (IIP). Event 12 requires candidates to examine evidence collected in all events and complete a self-assessment in each of the six California Standards for the Teaching Profession. They will also select significant work to share with colleagues in a Professional Growth Colloquium. At the conclusion of this course, the candidate will secure approval of the completion for the Level II Induction Plan from the University Advisor and the District Support Provider. Prerequisite: Education Committee Acceptance.

Course Descriptions

- ENG 500 Research and Writing in Literature and Language (3)**
This course provides advanced study in grammar, writing and research techniques and styles.
- ENG 50 Critical Theories and Traditions (3)**
Students will become familiar with critical literary trends and traditions from the classic to the contemporary. A sequential survey of classical traditions will begin with Plato and move through literary criticism as practiced in the Renaissance, Romantic and modern eras. Contemporary trends will include Marxist criticism, formalism, structuralism and semiotics, post structuralism, feminist literary criticism, and reader-response criticism. Issues of canonicity and authorial intent will also be discussed.
- ENG 510 Comparative Mythology (3)**
Students will become acquainted with the discipline of mythology from a variety of perspectives: from augmenting basic cultural literacy and identifying deities and stories to investigating the philosophy and universalism of myths. The emphasis will be placed on Greek and Roman myths, but will also examine other mythologies such as Mesopotamian, Nordic, and Native American, and modern assimilations of myth into Western literature and film. This course blends literary content with teaching methods.
- ENG 520 Narrative Literature and Theory (3)**
Selected readings will examine underlying structures and values of different literary expressions. Class discussions, lectures, and reading assignments will provide opportunities and relevant theories within and beyond the course reading list.
- ENG 523 Theory and Methods (3)**
This course will focus on the application of linguistic theory in education. Students will be introduced to various teaching philosophies and methodologies, focusing on their application to language learning. Students will be familiarized with various movements in education and psychology such as behaviorism, cognitivism, social constructivism, and humanism. Students will be instructed as to how diverse language teaching methods have been informed by various educational movements and how these philosophies and methods take form in the second language classroom. This course will build on the concepts taught in ENG 475 and 563 but will focus more on second language learners both in ESL and EFL settings.
- ENG 525 Non-Western Literature Seminar (3)**
Examines literature from a particular non-Western culture or region of the world. The course may take a topical, canonical, critical or genre approach. Students should see the instructor for the current semester's focus.
- ENG 530 Multicultural Theory and Pedagogies (3)**
Students will become acquainted with some of the methodologies, literatures, and pedagogical applications surrounding the multicultural perspective. The seminar will provide immediate applications to daily secondary teaching experiences and literary study. A significant portion of the course addresses strategies for working within the parameters of the secondary teaching situation to utilize existing materials toward the end of a multi-culturally sensitive curriculum.
- ENG 540 Contextual Approaches to Grammar (3)**
This advanced course will provide an in-depth look at grammar from a linguistic perspective. The purpose of the course is twofold: to provide students with a sound knowledge of English grammar from a linguistic perspective, and to equip students with an understanding of the relationship between the linguistic and grammatical approaches to language. Ultimately, students will be able to apply linguistic understanding to the teaching of grammar as prescribed by the California State Framework for English.

- ENG 543 Teaching Second Language Writing (3)**
This course prepares students to teach writing to second language learners, especially but not exclusively at the college level. Course materials and activities focus on current composition philosophy, research-based method and teaching techniques for collegiate level second language writing courses. At a minimum, this course is designed to introduce students to major theories, research, and practice in the teaching of English writing to second language learners. Thus, students should complete this course being able to do what ESL/EFL writing instructors do: design lesson plans for college composition; evaluate (read, respond to, grade, and assess) college level writing; and engage in research in at least one relevant issue in ESL / EFL composition pedagogy. This course should train students to be reflective practitioners and researchers of collegiate level English composition
- ENG 545 Teaching College Writing (3)**
This course prepares students to teach college writing by introducing them to current composition philosophy and methods, major theories and research in the field, and practical application of teaching techniques for collegiate-level writing courses.
- ENG 548 Tutorial Methods in Writing (1-3)**
This course is designed to prepare students to tutor writing. Course materials and activities focus around current composition, learning, and tutoring theories. Students will apply theory, interning six hours in the Academic Resources Center (ARC) at CBU or another tutoring center with consent of the instructor.
- ENG 549 Law and Literature (3)**
This course examines the role and function of narrative in law, and the role and function of law in major works of literature, to understand better both law and literature. Focuses on techniques associated with reading literature to read, understand and interpret law.
- ENG 550 British Literature Seminar (3)**
A seminar designed to familiarize students with various periods of British literature. This course will take a topical approach to British literature of all genres in the context of the period's historical, political, socioeconomic, cultural, and literary climate. Students should see the instructor for the focus of the current semester. May be repeated once with change in topic.
- ENG 553 Second Language Curriculum Development and Assessment (3)**
This course is designed for future ESL teachers who are interested in current thinking and research in second language material development and assessment and in the application of such in classroom teaching. There are two major goals: one is developing a solid understanding of the core issues in these areas and the other, which requires students to design their own materials and assessment tools and to evaluate existing ones, is facilitating the application of such an understanding in classroom teaching.
- ENG 555 Shakespeare Seminar (3)**
An in-depth study of selected Shakespeare plays and sonnets. The course may utilize a topical approach and may also incorporate other, non-Shakespearean texts. Students should see the instructor for the current semester's focus.
- ENG 560 American Literature Seminar (3)**
A seminar designed to familiarize students with various periods of American literature. This course will take a topical approach to American literature of all genres in the context of the period's historical, political, socioeconomic, cultural, and literary climate. Students should see the instructor for the focus of the current semester. May be repeated once with change in topic.
- ENG 563 Language Structure and Acquisition (3)**
Linguistic theory and methods. Includes the study of the five universal elements of language (phonology, morphology, semantics, syntax, and pragmatics) as well as the acquisition and use of language and its variants in culture. This course is required for both multiple subject and single subject credential candidates. Cross-listed with ENG 463. Ten (10) hours of fieldwork required.
- ENG 565 Creative Writing Workshop (3)**
Designed as a workshop for graduate students, this course invites expressions of individual creativity, originality, and social/cultural consciousness. Genres range from poetry, short story, play, and novella. Publication of original works strongly encouraged
- ENG 570 World Literature Seminar (3)**
A seminar designed to familiarize students with various periods of World literature. This course will take a topical approach to World literature of all genres in the context of the period's historical, political, socioeconomic, cultural, and literary climate. Students should see the instructor for the focus of the current semester. May be repeated once with change in topic.

Master of Arts in English

- ENG 573 Second Language Acquisition (3)**
This course is an introduction to some of the major concepts and key issues (theoretical and methodological) in the area of second language acquisition (SLA). During the first few weeks, the class will survey some of the major conceptual advances in second language acquisition research. During the second half of the course, students will have many opportunities to review seminal research articles and evaluate the findings of the research and their implications as applicable to the field of SLA. Each student will also have the opportunity to design his or her own study in an area of SLA that interests him or her.
- ENG 580 Film Theory (3)**
A study of film theories from the turn of the 20th century onward, this course will examine how different film theories, as part of a long-standing tradition of critical reflections on life and arts in general, evolve and interact with one another and with neighboring discourses, nationally and internationally.
- ENG 581 Topics in Film Studies (3)**
Students will be exposed to the critical skills and practical knowledge needed to engage in a cross-cultural study of cinema from a global perspective. Special attention will be given to the themes, techniques, genres, actors/actresses, directors, and audience-receptions of the national cinemas of the culture under investigation. Approaches from different angles will be encouraged, including those of cultural studies, arts, music, sociology, psychology, philosophy, business, education, as well as language and literature. Students should see the instructor for the focus of the current semester.
- ENG 582 Literature and Film (3)**
Addresses issues surrounding the relationship between literature and film. Special attention will be directed toward the deployment of cinematic texts in the English secondary context. Emphasis given to genre (such as the western), a movement (such as Fourth Cinema), an auteur (such as Orson Welles), or a transgeneric logic (such as film noir).
- ENG 594 Comprehensive Exam (1)**
Required for students wishing to take a comprehensive exam in place of a thesis or project as part of course requirements for a Masters degree in English. Students may enroll for a maximum of four semesters. Prerequisite: Permission of Program Director.
- ENG 596 Research Seminar (2)**
Graduate students will become acquainted with research methods, trends, and critical issues in the study of literature and language. It is assumed that students are already familiar with basic research tools available to the literature scholar. The seminar will introduce students to the required elements of the Exam, Thesis or Project and equip students to conduct scholarly research and produce scholarly papers and presentations worthy of publication in referred journals and other professional forums. Students lacking basic research skills may be required to take ENG 350 as a program pre-requisite.
- ENG 597 Project (1)**
Continuing enrollment for students to complete a major project in this course as part of requirements for a Masters degree in English. Students may enroll for a maximum of four semesters. Prerequisite: Permission of Program Director.
- ENG 598 Thesis (1)**
Continuing enrollment for students to complete a substantive thesis in this course as part of requirements for a Masters degree in English. Students may enroll for a maximum of four semesters. Prerequisite: Permission of Program Director.
- ENG 599 Special Topics (1-3)**
Concentration upon a specific topic in the field of English. Topic varies for different semesters. May be taken multiple times with change in topic.

Graduate Program in Forensic Psychology

The Master of Arts Degree in Forensic Psychology is designed to prepare graduates with the necessary skills and the knowledge base that will allow them to work in a variety of forensic settings including probation and parole, local, state and federal law enforcement agencies, offender treatment programs, and victim/witness assistance programs.

This program provides the student with a comprehensive view of the critical relationship between the legal system and clinical psychology, specifically focusing on the practice of psychology within the legal system.

The course of study is also designed to provide the student with an overview of the practice of forensic psychology; to understand the important issues in the field, to explore the critical relationship between the legal system and clinical psychology, and to better understand the relationship and application of psychological theories and practice to the field of law enforcement.

Students will complete an external practicum placement in the local community which will serve to hone the skills of students and enhance their knowledge of occupational and career opportunities available in the private and public sectors.

The program can also be completed as a dual masters degree in counseling psychology and forensic psychology which will prepare graduates to function as effective clinicians in a variety of professional counseling and forensic settings. Graduates of the dual masters degree will have developed the skills, knowledge and experience to provide ethical and effective evaluation and therapeutic services in a variety of forensic settings. The program establishes an excellent balance between traditional counseling, theory and skills and a specialized understanding of the legal and judicial system.

Graduate students in the School of Behavioral Science who have discontinued enrollment for three or more semesters must reapply.

Practicum Admission

Students entering the two semester Practicum requirement occurring in the last year of the students program - must complete the following requirements:

1. Admission to Practicum will be a faculty decision based on grades, evaluation of the Practicum application, and placement approval.
2. A written appeal process will be instituted in the event that a student is not considered ready for Practicum.

Thesis Requirement

The Thesis is a traditional academic research paper and should be completed concurrent with the student's last semester of the program. Students should contact the program director for details regarding the selection of the committee and the procedure for approval.

Practicum

Students will complete a nine month practicum where they will receive practical experience and on-site supervision in a forensic setting related to their individual interests and career goals (e.g., rape crisis center, Department of Children & Family Services Counseling Center, juvenile court, metropolitan and county law enforcement agencies, probation departments, California Department of Prisons).

Specific training will include interviewing, the recording of case histories, observation and case conferences.

Criminal Justice Course Descriptions

CJS 510	Legal Research and Writing (2) This course provides an introduction to legal research methods, including state and federal reported cases, digests, annotated codes, state and federal administrative regulations, and computerized legal research, as well as an introduction to the writing of case briefs and memoranda.	Fall
CJS 520	Criminal Law (3) Nature of criminal law; philosophical and historical development; major definitions and concepts; classification of crime; elements of crimes and penalties using California and federal statutes as illustrations; defenses to criminal responsibility; criminal responsibility.	Spring
CJS 530	Theories and Perspectives of Criminal Behavior (3) A study in the traditional and theoretical schools of criminology. Theories relating to individual abnormality and theories relating to cultural influences are examined. Theories of the causes of delinquency and data on delinquent behavior including gangs, minor and major criminal actions and methods of correction are also covered.	Summer
CJS 580	Criminal Evidence (3) This course is an advanced examination of aspects of evidence acquisition, evaluation, and preservation with special consideration of the legal context including its use in the trial process. The course is designed to provide additional insights concerning the proper use of evidence and its admissibility. A review of the basics of collecting, preserving and presenting evidence and the latest developments in the law of evidence will be presented also. With support from such items as judicial decisions and various rules of evidence, the course will focus on the types, relevancy, exceptions and exclusions of evidence in today's American court system. There will be materials on, and discussion about, such topics as the history and study of criminal evidence, and improperly obtained evidence..	Spring

Forensic Psychology Course Descriptions

FPY 500	Advanced Statistics Seminar (3) This course introduces graduate students to multivariate statistics. This course will review Univariate and Bivariate statistics, Multiple Regression, Analysis of Covariance, Multivariate Analysis of Variance and Covariance, Profile Analysis, Discriminant Analysis, Survival/Failure Analysis, and Structural Equation Modeling.	Fall
FPY 505	Research Methods in Forensic Psychology (3) This course examines the nature of the research process emphasizing the formulation of investigative questions and testable hypotheses. The course reviews methods of data collection, data analysis and report writing. Prerequisite: FPY 500.	Spring
FPY 515	Crisis Intervention and Brief Psychotherapy (2) This course considers the multiple approaches to crisis intervention, with emphasis on systemic theories for dealing with trauma, emotional distress, and appropriate interventions for law enforcement officers in dealing with family disputes, suicides and hostage situations.	Spring
FPY 525	Forensic Evaluation (3) This course of study focuses on the difficulties facing mental health professionals in the evaluation and treatment of sex offenders. Students will be introduced to theories and concepts of assessment and treatment, as well as the developmental and intrapsychic dynamics of sex offenders. Prerequisite: FPY 535.	Fall
FPY 535	Advanced Psychopathology and Criminality (3) Nature and causes of reactions to social, biological and psychological stress and maladaptive developments with an emphasis on psychopathy and criminality.	Fall
FPY 540	Psychology and the Law (3) This course is designed to instill a broad understanding of the issues/areas within the field of forensic psychology. This broad understanding will include the areas of psychology, law, criminal justice, and forensic mental health. Students will be given the opportunity to gain this basic knowledge and will be expected to critically analyze theories, policies, research, and practices within the field of forensic psychology.	Fall
FPY 545	Ethical Issues in Forensic Psychology (2) This course reviews ethical issues and mental health law.	Summer

FPY 550	Victimology (3) This course concentrates on the social attitudes toward victims and the interaction of the victim with the criminal justice system. Theoretical and clinical profiles of victims will be highlighted in this course.	Summer
FPY 555	Psychology, Law, & Public Policy (3) This course is designed to instill a basic understanding of how psychology, law, and public policy interact in American society by exposing the students to a variety of socially relevant topics, theories, issues, and authors. This course seeks to expose students to a myriad of contexts in which law and psychology intersect, and topics addressed will include both criminal and civil issues. Prerequisite: FPY 540.	Fall
FPY 560	Forensic Practicum I (2) This course will serve as a supplement to the student's academic and field placement experience. Within a small group setting, students and professors will discuss issues and linkages between their academic work and their field placement experience. This may best be described as a weekly, small group supervision process allowing students to concretize theoretical models utilized within the culture of forensic practice.	Fall
FPY 565	Forensic Practicum II (2) A continuation of Forensic Practicum I	Spring
FPY 570	Thesis I: Literature Review and Research Proposal (3) This course will introduce the student to the style and organization of the thesis requirement. Sections of the thesis to be developed will be the Abstract (a brief summary of both the problem or question and results); Introduction (a definition or description of the problem or question and a statement of the study's purpose and rationale); Methodology (information regarding the subject's mechanics and procedures of the project). Prerequisite: FPY 505.	Fall
FPY 575	Thesis II: Methodology/Results/Discussion (1-3) A continuation of FPY 570. Sections of the thesis to be developed will be Methodology (information regarding the subject's mechanics and procedures of the project); Results (this may include tables, figures, statistical analysis, or qualitative narrative outcomes); Discussion (this section will include a cogent and critical analysis of the implications of the findings, as well as any conclusions which may be drawn); References (this will reflect a careful review of the literature specific to the subject being studied); Appendices (this may include items such as letters, measurements, or other written materials used or analyzed in the study). Prerequisite: FPY 505.	Spring
FPY 581	Collaborative Research Project I (2) This course will expose students to the application of graduate level research. The students will complete a research project under the direct supervision of a forensic faculty member. Students will be responsible for research and design of their project to provide an application of previously acquired skills in a forensic setting. The emphasis will be on the literature search and proposal of the project to IRB.	Fall
FPY 582	Collaborative Research Project II (2) This is a continuation of Collaborative Research Project I. The students will finish their research projects previously started in the other course under the direct supervision of a forensic faculty member. The emphasis will be on the collection of data and analysis of results of their research project.	Spring
FPY 583	Collaborative Research Project III (2) This is a continuation of Collaborative Research Project II. The students present their finished research projects in a colloquium setting. Students are encouraged to adapt their projects into either conference presentations or peer-reviewed journal article publications.	Summer
FPY 585	Memory and Perception in the Courtroom (2) This course will examine carefully the current research on eyewitness performance in the courtroom, including the research on the effectiveness of witnesses testifying to traumatic events. In addition, emphasis will be given to the impact of witness errors on police identification procedures.	Spring
FPY 595	Special Topics (3) This course is designed to be an in-depth seminar on a selected topic within Forensic Psychology.	Spring

Graduate Program in Kinesiology

The graduate program in Kinesiology is designed to prepare students for a wide variety of careers, including teaching, coaching, and management of sport, recreation, and leisure programs. California Baptist University faculty and staff work hard to keep students abreast of the rapidly changing field of sport management as an academic discipline as well as a professional vocation. Students who enter the physical education emphasis will also benefit from the highly qualified faculty from the Dr. Bonnie G. Metcalf School of Education.

Admission Requirements

Admission standards for Graduate Studies at California Baptist University can be found in the Admissions section of the University Catalog. Additional admission requirements for the Graduate Program in Kinesiology are:

1. Grade Point Average

- A minimum 2.75 GPA for unconditional acceptance
- Applicants with a GPA lower than 2.75 may be considered for admission with the presentation of a minimum combined score of 1000 on the verbal and quantitative sections of the Graduate Record Exam (GRE) or a passing score on the California Subject Examination for Teachers (CSET).

2. Prerequisites (completed with a “C” or better)

- The Physical Education emphasis requires a minimum of 12 semester units of study in Kinesiology including a basic movement anatomy or related course
- The Exercise Science concentration requires prerequisite courses in anatomy and physiology, exercise physiology and biomechanics or an equivalent

3. Three Recommendations, completed on forms provided, from sources who can address your potential for success. Family members and friends may not complete recommendations.

4. Comprehensive Essay of at least 500 words that includes the following:

- Purpose for entering the program
- Background and/or experiences in sports, physical education or related areas
- Short and long term professional goals
- Reasons for choosing to study at California Baptist University

5. Current Resume documenting all related professional and extracurricular experiences

6. Successful Interview with the Director of the Graduate Program in Kinesiology

Master of Science in Kinesiology (33 units)

All students in the Master of Science in Kinesiology will complete fifteen (15) units of core courses. Upon completing the core, students will follow an eighteen (18) unit concentration in either exercise science, physical education, or sport management.

Core Courses (15 units)

KIN	500	Leadership in Sport and Physical Education
KIN	510	Ethics in Sport and Physical Education
KIN	550	Legal Aspects of Sport and Physical Education
KIN	570	Research Methods
KIN	580	Research Project Seminar

Exercise Science Concentration (18 units)

ATR	535	Sports Nutrition
KIN	526	Musculoskeletal Exercise Interventions
KIN	536	Clinical Exercise Physiology
KIN	556	Movement Interventions for Chronic Disease
KIN	576	Clinical Exercise Testing and Prescription
KIN	585	Field Experience I

Physical Education Pedagogy Concentration (18 units)

KIN	501	Applied Pedagogy in Physical Education
KIN	560	School Health Education
EDU	514	Secondary Methods OR EDU 522 Curriculum Theory and Development
EDU	515	Reading and Writing in the Content Area OR EDU 521 Theories of Learning and Teaching
EDU	518	Classroom Management and Discipline OR EDU 542 Models of Teaching
EDU	519	Subject Area Specialization OR EDU 546 Analysis of Teaching Behavior

Students in the physical education concentration will work with the program director to develop a program plan based upon prior coursework and academic interest.

Sport Management Concentration (18 units)

KIN	515	Managing Sport Programs
KIN	535	Event and Facility Management
KIN	545	Sport Marketing and Promotion
KIN	565	Economics of Sport
KIN	585	Field Experience I
KIN	595	Field Experience II

Course Descriptions

KIN 500	Leadership in Sport and Physical Education (3) This course covers the historical and philosophical roles of sport programs in education. Leadership theory will be applied to various physical activity roles within K-12 and higher education settings.
KIN 501	Applied Pedagogy in Physical Education (3) This course is designed to improve teaching effectiveness by covering curricular, classroom management, assessment, and physical development issues for students of all ages.
KIN 502	Contemporary Health Issues (3) Major areas include personal, family, and community health, including the effects of alcohol, dangerous drugs and narcotics, degenerative and infectious diseases, and tobacco on the human body. Exploration of community resources related to health issues is offered. Meets California Teacher Credential requirements. Crosslisted with KIN302.
KIN 510	Ethics and Philosophy in Sport (3) This course studies contemporary and historical value systems in sport and the role of ethical leadership. Current ethical issues in modern sport and physical education are examined.

Master of Science in Kinesiology

- KIN 515 Managing Sport Programs (3)**
This course covers various management issues including policy development and implementation, management style and philosophy, and human resource issues. Also covered will be the interaction of sport managers with governing boards, administrators, and constituents.
- KIN 526 Musculoskeletal Exercise Interventions (3)** Fall
This course exams the use of resistance and strength training in exercise programs. Topics include treatment of selected neuromuscular, orthopdic, and musculoskeletal diseases and dysfunction, as well as improvement of performance through musculoskeletal exercise.
- KIN 535 Event and Facility Management (3)**
This course will encompass a thorough conception of the planning and management of various athletic events and facilities. Class will periodically attend events outside of normal class hours, including weekends.
- KIN 536 Clinical Exercise Physiology (3)** Fall
This course is an advanced study of human physiological adaptations to exercies. Emphasis is placed on energy metabolism, energetics, and excercise training techniques. Clinical application of current research findings is stressed.
- KIN 545 Sport Marketing and Promotion (3)**
This course covers a variety of promotional and marketing strategies for sport programs and facilities ranging from high school athletics through professional sports.
- KIN 550 Legal Aspects of Sport and Physical Education (3)**
This course provides an understanding of the American legal system and its response to sport related disputes. Material includes legal terminology, liability, risk management, personnel issues, Title IX, and various issues facing today's teachers, coaches and athletic administrators.
- KIN 556 Movement Interventions for Chronic Disease (3)** Spring
This course examines the role of aerobic exercisce in the prevention of rehabilitation of clients with various chronic diseases. Concepts in pathphysiology, disease etiology, and exercies interventions are discussed.
- KIN 560 School Health Education (3)**
School health education, drug and tobacco education, family living, community health, and safety education are mixed with teaching philosophy and current research to prepare the physical education teacher to teach health. Approved by the California Commission on Teacher Credentialing to meet requirements for the professional clear credential.
- KIN 560L School Health Education Lab (1)**

- KIN 565 Economics of Sport (3)**
This course provides an introduction to the economic principles that influence athletic and sport organizations. Topics discussed include monopoly, economic impact analysis, budget preparation and related topics.
- KIN 570 Research Methods (3)**
This course provides an introduction to research methods designed to acquaint the student with reading and analyzing literature. Material will include basic statistics, quantitative and qualitative research methods.
- KIN 576 Clinical Exercise Testing and Prescription (3)** Spring
This course involves the study of thetheoretical bases for exercise testing and the practical procedures used in pre-exercise screening and exercise testing. Students will learn how to interpret information from pre-exercise screening and apply this tot he selection of appropriate exercises protocols. Evaluation of resultes from various exercise test protocols ith be emphasized using a case-study approach.

- KIN 580 **Research Project Seminar (3)**
This course provides the student with the opportunity to complete an original research project of either quantitative or qualitative design. Designed to deepen the student's knowledge in an area of professional interest.
- KIN 585 **Field Experience I (3)** Fall, Spring, Summer
Internship experience designed to provide the students with practical knowledge of sport related careers. Internship sites and duties are arranged by the student with the assistance and approval of the faculty advisor.
- KIN 595 **Field Experience II (3)** Fall, Spring, Summer
Internship experience designed to provide the students with practical knowledge of sport related careers. Internship sites and duties to be arranged by the student with the assistance and approval of the faculty advisor.

Courses beginning with the prefix ATR are listed in the Athletic Training sections of this catalog.

One (1) additional elective unit in Music

Course Descriptions

- MUS 500** **Bibliography and Research Methods (3)** **Fall (even years)**
The study, survey and examination of research sources and methods. Attention will focus on varied philosophies of music, particularly in education and church music, and basic concepts involved in communicating as a conductor.
- MUS 503** **Seminar in Music History I (3)** **Fall (odd years)**
A survey of performance practices, styles and literature, both choral and instrumental, from all periods. Special emphasis will be placed on techniques of authentic performance.
- MUS 504** **Seminar in Music History II (3)** **Spring (even years)**
A survey of performance practices, styles and literature, both choral and instrumental, from all periods. Special emphasis will be placed on techniques of authentic performance.
- MUS 505** **Contemporary Music Education (2)**
Students will examine philosophical, psychological, social, and historical issues in music education with a focus on practical application of the principles of psychology of music in the classroom, musical traditions in America, the development of music teaching, legislation relative to the arts and music education, and the changing context of music education in America. Students will develop a personal philosophy of and rationale for music education in preparation for the Music education project.
- MUS 511** **Advanced Analysis of Form and Style (3)** **Spring (odd years)**
A study of the forms and structures of music, both choral and instrumental, from Bach to the present. Particular attention will be given to the effect of form on interpretation.
- MUS 512** **Conducting III (3)** **Fall (even years)**
Discussion and preparation of choral and choral-orchestral works. Musical interpretation, rehearsal procedures and techniques, programming, and performance procedures will be discussed and opportunities will be provided for practical conducting experiences.
- MUS 520** **Advanced Orchestration (3)** **Fall (odd years)**
Discussion, study, and analysis of orchestrational techniques, as well as scoring for varied instrumental groupings. The course will concentrate on using the knowledge of scoring as a conductor and on practical writing techniques.
- MUS 521** **Advanced Arranging (3)** **Fall (even years)**
An opportunity for students to develop and enhance their skills in arranging music for performance. Both choral and instrumental areas will be covered.
- MUS 522** **Conducting IV (3)** **Spring (odd years)**
Discussion and preparation of instrumental works. Discussion will center on performance procedures, musical interpretation, rehearsal techniques, baton techniques, score reading and preparation and programming.
- MUS 532** **Conducting V (3)** **Fall (odd years)**
A continuation of Conducting IV, this course involves a continuing practical approach to individual and universal problems in conducting technique. Stylistic performance procedures, musical interpretation, and choir management will be discussed.
- MUS 535** **Music Literature (2)**
Survey of music from Ancient to Modern. The survey will be discipline based depending on the candidate's emphasis.
- MUS 540** **Technology and Pedagogy for General Music (3)**
Students will discuss contemporary issues of interest to the general music teacher including the role of general music in the K-12 curriculum, best practices for the general music teacher, general choral and instrumental repertoires, and resources available for the general music teacher. Students will also gain practical knowledge about the role of technology in the general music classroom including electronic music instruments, music production, music notation software, computer-assisted instruction, and multimedia for the general music classroom.
- MUS 542** **Conducting VI (3)** **Fall (even years)**
Special emphasis will be placed on repertoire for both school and church situations. The student will acquire a solid familiarity with works from the medieval period to the 20th century, with special emphasis on literature suited to the church. The ability of the ensemble to communicate with the audience will be stressed. Additional Fee: \$100 non-refundable recital fee is required.

MUS 550	Vocal Techniques (2) Proper vocal technique, as well as how to achieve various vocal styles, will be learned, especially as they apply to the role of the choral conductor. Teaching a student for half the semester is required.	Spring (even years)
MUS 571	Seminar in Choral Pedagogy (3) Students survey repertoires and techniques appropriate for elementary, secondary, community and church choirs. Students also examine important issues such as the role of technology in the choral setting, best practices for choral programs, rehearsal strategies, and vocal techniques and development.	
MUS 572	Seminar in Instrumental Pedagogy (3) Students survey methods books and repertoire appropriate for elementary, middle school, and high school settings, and study beginning and intermediate media instrumental development in schools, communities, and churches. Students will also examine important issues such as the role of technology in instrumental music; best practices for instrumental techniques, development and maintenance.	
MUS 580	Applied Instruction (1-2) Applied instruction is offered with material and performance of increasing difficulty as the student develops. Students must arrange instruction time with the full-time faculty member in charge during the first week of classes. A minimum of 12 lessons and performance at a faculty jury exam are required. Additional Fee: Private Instruction.	
MUS 560	University Choir and Orchestra (1) University Choir and Orchestra is open by audition to all interested students. The group will rehearse and perform a variety of music. A choral uniform purchase is required. A major tour of two weeks at the end of the school year is required. May be repeated for credit. Concurrent Requisite: MUS 580.	
MUS 561	Women's Choir (1) Women's Choir is open by audition to all interested students. The group will rehearse and perform a variety of music. A choral uniform purchase is required. A major tour of two weeks at the end of the school year is required. May be repeated for credit. Concurrent Requisite: MUS 580.	
MUS 562	Male Chorale (1) Male Chorale is open by audition to all interested students. The group will rehearse and perform a variety of music. A choral uniform purchase is required. A major tour of two weeks at the end of the school year is required. May be repeated for credit. Concurrent Requisite: MUS 580.	
MUS 563	Experiences in Chamber Singing (1) Chamber Singers gives experience in preparation and performance of recognized and new choral works as well as masterworks of Western music written for small choral ensembles. May be repeated once for credit. Concurrent Requisite: MUS 580.	
MUS 564	New Song (1) This women's ensemble is open by audition to all interested students. The group will rehearse and perform a variety of music. A choral uniform purchase is required. A major tour of two weeks at the end of the school year is required. Maybe repeated for credit. Concurrent Requisite: MUS 580.	
MUS 565	Chamber Ensemble: Strings (1) Chamber Ensemble is an open ensemble, available to all interested instrumental (primarily string) music students. The group rehearses and performs a variety of music chosen from the standard chamber music repertoire. Performance opportunities will include on-campus concerts, churches and secular and sacred educational venues. Maybe repeated for credit. Concurrent Requisite: MUS 580.	
MUS 566	Jazz Band (1) Jazz Band provides musicians with opportunities to learn a variety of jazz styles in a "big band" setting, as well as to enhance individual improvisational skills. This course also provides practical experience through rehearsals and performances. It is open to qualified students by audition or instructor's consent. May be repeated for credit. Concurrent Requisite: MUS 580.	
MUS 567	Concert Band (1) This ensemble is designed to give instrumental experience through rehearsal and public performance, including a yearly tour. The ensemble is open to qualified students by audition or instructor's consent. A uniform fee is required. May be repeated for credit. Concurrent Requisite: MUS 580.	

Master of Music

MUS 568 Choral Union (0-1)

A public performance of major choral work is given each semester. This course is offered of 0 units in the Fall and 1 unit in the Spring. May be repeated for credit.

MUS 597 Recital/Project (1)

Individualized assistance in research for the project (contents determined by the student and Dean of the School of Music) will be given in this course. The recital contents will be decided on between the student and appropriate faculty member. Course graded pass/fail.

MUS 598 Music Education Project (1)

As the culminating experience of the music education concentration, students will prepare a proposal for implementing a new music program or expanding and continuing an existing music program in a school, community or church setting.

Graduate Program in Nursing

The purpose of the graduate program leading to a Master of Science degree in nursing is to provide curriculum guiding the learner with the intention of broadening their theoretical knowledge base in preparation for an advanced practice role in leadership or education and/or to pursue future doctoral study. The nurse at the master's level develops, tests, and evaluates concepts in nursing critically examining ideas, research and theories in relation to health issues and clinical practice from a nurse leader perspective.

This master's program provides experience in the area of advanced practice adult health and in two specific areas of role concentration: teaching nursing and administering nursing services. All students will be provided the opportunity to learn the theoretical base of nursing science, with special opportunities provided with the Human becoming school of thought. Consistent with the role concentration of advanced nursing practice with adults, students shall participate in practicum experiences with specially selected individuals/families/communities.

Students who select teaching nursing as their area of role concentration will be provided the opportunity of practicum experiences utilizing the theoretical base of the teaching-learning process from a nursing theoretical perspective.

Students who select administering nursing services as their area of role concentration will be provided the opportunity to learn the theoretical base of the administrative process from a nursing theoretical perspective. Practicum experiences for these students will be situated in various health care settings.

Completion of the core courses and a concentration will equip the student to pursue the role of advanced practice nurse, and assume a leadership or teaching role. The student will also be eligible for California certification as an Advanced Practice Nurse adult-health Clinical Nurse Specialist (CNS).

Mission Statement

The mission of the Master of Science in Nursing Program at California Baptist University is to support the university's mission and build on baccalaureate nursing education for the purpose of preparing nurse leaders in the advanced nursing practice role. Students will broaden their nursing theoretical, practice, and research knowledge within an ever-changing healthcare system.

Entry Level Master of Science in Nursing (EL MSN) Program

The Entry Level MSN program is designed for candidates who hold a non-nursing baccalaureate degree and seek to transition professionally into the field of nursing. Those who have completed all prerequisite courses may apply directly to the EL MSN program.

EL MSN students complete 62 units of Board of Registered Nursing (BRN) approved pre-licensure nursing courses designed to prepare the students to take the National Council Licensure Examination NCLEX-RN. Once licensed and employed as a Registered Nurse, the student completes an additional 42 units of post-licensure coursework including a concentration to earn a Master of Science in Nursing. Upon completion of all graduation requirements the student is eligible to apply for a California Advanced Practice Nurse certificate as an adult-health Clinical Nurse Specialist (CNS).

The 16 week semesters are comprised of courses which are scheduled in an accelerated full-time delivery mode for the pre-licensure theoretical and practicum content and a part-time delivery mode for the post-licensure portion of the program.

Classroom theoretical and clinical courses match the BRN time allocation required and approved for all pre-licensure nursing students. Students are advised that the pre-licensure portion of the program represents a very intensive, full-time commitment for the students. The School of Nursing recommends students not work or entertain other commitments outside of this program during pre-licensure portion of the program.

Master of Science in Nursing (MSN) Program

This part-time, post- baccalaureate program is designed for working California licensed Registered Nurses who hold a baccalaureate nursing degree from a regionally accredited institution, who are seeking to broaden their theoretical knowledge base to prepare for an advanced practice leadership role and/or doctoral study.

The program consists of 42 units of coursework and upon completion of all graduation requirements the student is eligible for California Advanced Practice Nurse certificate as an adult-health Clinical Nurse Specialist (CNS).

Post-Masters Credentialing

California Licensed Registered Nurses who hold a Master of Science in Nursing degree from a regionally accredited institution may complete the concentration in Teaching Nursing and/or Administering Nursing. Upon successful completion of the courses the student will be eligible to apply for credentialing. The Administering Nursing Services credential concentration equips candidates to become effective leaders and managers within a range of healthcare systems from a nursing theoretical perspective. The Teaching Nursing concentration prepares graduates with a specialization in adult health to assume a beginning faculty position.

Licensure and Advanced Practice Certification

The graduate nursing programs offered by California Baptist University are Board of Registered Nursing (BRN) approved programs therefore requirements for licensure and certification are subject to change by the BRN at any time. The University and the School of Nursing reserve the right to modify the licensure or certification course requirements when directed to do so by the Board of Registered Nursing. Since licensure and certification requirements are subject to change it is the students responsibility to contact the School of Nursing about current requirements.

Admission Requirements

Admission standards for Graduate Studies at California Baptist University can be found in the Admissions section of the University Catalog. Additional admission requirements for the Graduate Programs in Nursing are:

1. Grade Point Average

- A minimum 3.25 GPA for unconditional admission and a minimum 3.0 GPA for conditional admission

2. Prerequisites*. All prerequisites must be completed with a grade of C or higher prior to pre-licensure admission

- Intermediate Composition
- Interpersonal Communication
- General Sociology or Cultural Anthropology
- Abnormal Psychology
- Introductory Statistics
- Lifespan Development or Developmental Psychology
- Anatomy/Physiology with Lab (2 semesters)
- Bio-Chemistry/Organic Chemistry with Lab
- Microbiology with Lab
- Microsoft Office Competency

3. Clearances*:

- CPR Certification
- Criminal Background Clearance
- Health Clearance
- Proof of Health Insurance
- Proof of Motor Vehicle Insurance

4. Graduate Record Examination (GRE) or California Critical Thinking Skills Test (CCTST) score*

5. Test of Essential Academic Skills (TEAS) Score. Score at or above the BSN Program mean.*^

6. Passport Photo*

7. Three Recommendations completed on forms provided.

- Must be from sources who can personally attest to the candidate's potential for scholarly and professional success: one personal, one academic, and one employer. Family members and friends may not complete recommendations.

8. A Comprehensive Essay that includes the following elements:

- Purpose for entering the program
- Significant events and influences that have affected your approach to life
- Long-term professional goals
- Reasons for choosing to study at California Baptist University

9. Successful Interview with the Dean of the School of Nursing*

*Not required to enroll in pre-nursing curriculum, must be complete prior to admission to the EL-MSN pre-licensure and MSN post-licensure courses.

^Not required to enroll in MSN post-licensure program.

Additional Requirements for MSN Post-Licensure Admission

1. Current California Registered Nursing (RN) license

2. Prerequisites. All prerequisites must be completed with a grade of C or higher.

- Statistics
- Microsoft Office Competency

3. Additional Clearances

- Professional Liability and Malpractice Insurance

4. Professional resume that includes current clinical practice

Additional Requirements for Post-Masters Credentialing Admission

Master of Science in Nursing degree from a regionally accredited university.

Practicum Admission

Students entering the MSN post-licensure program must be working professionals with an active, valid unencumbered CA registered nurse license who meet all health, immunization, and other mandated requirements. Students must pass a criminal background check and drug screening in order to be enrolled in the program.

Graduation Requirements

1. Completion of all pre-requisite, course, practicum, and progression requirements.
2. Earn a minimum cumulative grade point average of at least 3.0 overall with no grade below B- in the degree.
3. Successful completion of one of the following. The student should contact the program director for details and approval for meeting this requirement at least two terms prior to graduation.
 - A comprehensive examination
 - An approved theses
4. Be in good academic standing (not suspended or academically disqualified) at the time of completion.
5. Complete a graduation application or planned graduation date.
6. Satisfy all financial obligations.

Pre-Nursing Curriculum

The following pre-nursing requisites are offered at California Baptist University

Pre-Nursing Courses

BIO	153	Human Anatomy and Physiology I with Lab

Course Descriptions**NUR 501 Theoretical Foundations/Ethics in Nursing (3)**

This course provides an introduction to the paradigms, theories, concepts, and values of the discipline of nursing. The course provides an overview of the BSN program mission, philosophy, goals, objectives, and conceptual framework, as well as conceptual and essential component themes of the baccalaureate program in the California Baptist University School of Nursing. This course is designed to enhance understanding of the history of the discipline, the phenomenon of interest in nursing, and the roles of the professional nurse. Professional standards of nursing practice will be highlighted. An emphasis is placed on practice with communication/collaboration activities, the nurse-person relationship and a beginning understanding of the nurse's presence and role in being with people as they live health and quality of life.

NUR 502 Fundamental Nursing Skills (4)

Prepares students to perform basic nursing skills based on mastery of core scientific principles. Two (2) hours/week theory; Six (6) hours/week skills lab.

NUR 512 Physical Assessment (4)

The course includes two (2) credit hours theory, two (2) credit hours/laboratory practicum and focuses on helping students acquire skills to conduct a comprehensive health assessment. The process of data collection, interpretation, documentation and dissemination of assessment data will be addressed. The practicum provides students with the opportunity to use interview, observation, percussion, palpation, inspection and auscultation in assessing clients across the lifespan in simulated and actual settings. Two (2) hours/week theory; Six (6) hours/week practicum.

NUR 515 Pathophysiology (3)

Emphasis on complementary knowledge development in life sciences, as they relate to global health. Understanding of basic pathophysiology including disease processes, prevention, clinical signs and symptoms, secondary effects and methods of treatment, will enable health professionals to collaborate and provide curative and rehabilitative services. Study of scientific principles assist in developing critical thinking and analytic methods of inquiry for nursing practice. This course builds upon the general principles of anatomy/physiology studied as a nursing prerequisite. Presentation of a pathophysiological problem through a research paper is required. The effects of psychosocial stimuli on disease will be discussed. A global approach to disease will be emphasized. Students are expected to look at vital statistics of disease and research results in a critical manner.

NUR 516 Pharmacology and Nutrition (3)

An introduction to the basic principles of pharmacology and nutrition with a focus on pharmacokinetics, pharmacodynamics, and therapeutic implications for major drug categories as well as natural products. Emphasis also on nutritional health promotion as well as therapeutic nutrition related to selected illness states. Pre-requisites: 501, 502, 512, 515.

NUR 521 Adult Health I (4)

Introduction to theory-based nursing services with the young, middle and older adult. Focus is on the core knowledge acquisition and medical collaboration activities with health promotion/disease prevention, illness and disease management of common acute and chronic illnesses. Pre-requisites: NUR 501, 502, 512, 515.

- NUR 522 Adult Health I Practicum, (3)**
Application of nursing theory-based services for young, middle, and older adults. Acute and chronic issues of health integration and themes of collaboration/communication, critical thinking, teaching-learning, change-persistence and leading-following in nursing services are emphasized. Focus is on collaborative services with health promotion/disease prevention as well as the medical management of common acute and chronic illnesses in a variety of settings. Nine (9) hours/week practicum). Pre-requisites: NUR 501, 502, 512, 515.
- NUR 523 Older Adult/Family Nursing (2)**
This course focuses on the health-related issues of older adults. Major content areas include viewing the unique needs of elders from a nursing theoretical perspective. An interdisciplinary and collaborative healthcare provider approach will be given in the discussion of knowledge concerning physical, psychological, economic and social age related changes. The course will explore personal, cultural, societal attitudes toward aging for the purpose of an enhanced understanding from the elder's perspective. Pre-requisites: 501, 502, 512, 515.
- NUR 524 Older Adult/Family Nursing Practicum (1)**
This practicum course focuses on the application for nursing knowledge with elderly persons and families. Emphasis is given to the collaborative application of biological, social, behavioral disciplinary knowledge with the practice and role description of the professional nurse. Nursing services shall be provided in a variety of settings including the community, assisted living facilities, acute care facilities, rehabilitation centers, and long term care facilities. Three (3) hours/week in practicum setting). Pre-requisites: 501, 502, 512, 515.
- NUR 526 Mental Health Nursing (3)**
Introduction to mental health nursing services and nurse-person and nurse-group communication patterns. Focus is on interdisciplinary collaboration, teaching-learning, and change-persistence patterns with health promotion/disease prevention, as well as the management of common and acute and chronic medical diagnosis of mental health issues with individuals, families, and communities. A nursing theoretical perspective under girding nursing practice shall be emphasized. Various nursing services and treatment modalities are explored. Nursing services with special populations including the homeless and issues regarding abuse, neglect, and substance abuse are explored. Pre-requisites: NUR 531, 533, 535, 537.
- NUR 527 Mental Health Nursing Practicum (2)**
Practicum learning experience of nursing services with persons who have the medical diagnosis of mental illness in both inpatient and community treatment settings. Focus is on the changing healthcare systems and collaborative health promotion/disease prevention, as well as the nurse-person, nurse-group, nurse-community patterns of relating, and management of common acute and chronic mental health problems with individuals and families. Six (6) hours/week practicum. Pre-requisites: NUR 531, 533, 535, 537.
- NUR 530 Adult Health II (3)**
Advanced study of theory and research-based nursing services of the young, middle and older adult. Focus is on the knowledge acquisition and management of complex acute and chronic illnesses and end of life processes. Pre-requisites: NUR 526, 527.
- NUR 531 Nursing Services with the Childbearing Family (3)**
Theoretical basis for professional nursing practice with childbearing families. Emphasis is on childbearing as a family experience, nurse-family processes, and changing health patterns with childbearing families. Nursing role, communication/ collaboration activities and teaching-learning opportunities with health promotion, risk reduction, and disease prevention will be discussed. Prerequisites: NUR 516, 521, 522, 523, 524.
- NUR 533 Nursing Services with the Childbearing Family Practicum (2)**
Practicum focuses on the application of nursing theory and nurse-family processes in providing nursing services and collaborative activities in preventive, supportive and restorative services to members of the childbearing family. Six (6) hours/week practicum. Prerequisites: NUR 516, 521, 522, 523, 524.
- NUR 535 Nursing Services with the Childrearing Family (3)**
The study of nursing science with Childrearing families and health care issues commonly associated with children and adolescents. Nursing theory focuses on the meaning of health from the perspective of the Childrearing family members. The focus will be on theoretical knowledge acquisition, teaching-learning, change-persistence, and collaboration with other healthcare professionals in health promotion/disease prevention as well as the management of common acute and chronic illnesses in children and adolescents. Emphasis is on the child in the family and the nursing services provided as the family lives with health in many diverse settings. Prerequisites: NUR 516, 521, 522, 523, 524.

Master of Science in Nursing

- NUR 536 Adult Health II Practicum (3)**
Practicum course with focus on advanced application of theory and research-based nursing services for young, middle and older adults. Focus is on collaborative interdisciplinary management of complex adult health illnesses and situations in a variety of healthcare settings. Nine (9) hours/week practicum. Pre-requisites: 526, 527.
- NUR 537 Nursing Services with the Childrearing Family Practicum (2)**
Practicum application of nursing theory and research-based nursing services of children and adolescents. Focus is on changing health, teaching-learning and collaborative nursing activities with promotion/disease prevention, as well as the management of common acute and chronic illnesses in a variety of healthcare settings. Six (6 hours/week practicum). Prerequisites: NUR 516, 521, 522, 523, 524.
- NUR 538 Community/Public Health Nursing (3)**
The course focuses on a theoretical understanding of nursing concepts which are utilized in nurse-community processes while providing nursing services to individuals, families, communities, and aggregates of populations. The student will explore the role of the community health /public health nurse as an interdisciplinary collaborator with other members of the healthcare team. Changing healthcare systems and policies from a global perspective will be explored. Pre-requisites: NUR 526, 527.
- NUR 539 Community/Public Health Nursing Practicum (3)**
Practicum experience in community/ public health nursing focusing on collaborative policy development, change, teaching-learning processes, the role, application of public health principles and nursing processes in the provision of nursing services with individuals/families and populations in a variety of community-based settings. Pre-requisites: NUR 526, 527.
- NUR 541 Christian Leadership in Nursing/Case Management (3)**
Concepts of management, leadership and followership, change-persistence and organizational structure as frameworks for managing policy development and delivery of nursing care to groups of clients in an acute care setting. The transition from student role to professional nursing role as provider, coordinator, and designer is emphasized. Pre-requisites: NUR 530, 536, 538, 539.
- NUR 543 Christian Leadership in Nursing/Case Management Practicum (2)**
Practicum hours are to equal hours 6 hours per week for the 15 weeks semester (90 hours total for the semester). This experience emphasizes the student experience of observing and assuming the role of nurse leader/manager. Implications for nursing theory-driven practice, teaching-learning processes, change-persistence, and collaboration with other healthcare providers shall be emphasized. Six (6) hours/week practicum. Preceptors are selected and assigned to students by the course coordinator and/or nursing faculty. Pre-requisites: NUR 530, 536, 538, 539.
- NUR 546 Capstone Practicum (3)**
This practicum senior level course focuses on the roles and responsibilities of a new graduate professional nurse. The course provides an opportunity for the student to further develop leadership and practice nursing skills necessary for the beginning practitioner role. It also facilitates synthesis of the nursing knowledge and skills acquired in previous program courses in the provision of nursing care to individuals, families, and aggregates. Faculty in collaboration with the nursing administrators in health care agencies identify agency nurses who will assist students to achieve course/individual objectives in the agency. A nursing clinical faculty member and the selected agency nurse, i.e., Clinical Faculty, who is matched with the student assist the student to develop a Personal Objective Plan. The Plan is a set of individualized specific measurable objectives, which guide the student's clinical learning experience while meeting course objectives. The Clinical Faculty, the student and Campus Faculty form a three person team which facilitates the implementation of the student's plan. Nine (9) hours/week practicum. Pre-requisites: NUR 530, 536, 538, 539.
- NUR 549 NCLEX Review (0)**
This NCLEX review course shall be scheduled by the School of Nursing for all graduating senior nursing students. Pre-requisites: NUR 530, 536, 538, 539. Students must pass the course to meet graduation requirement.
- NUR 550 Nursing Theoretical Perspectives for Advanced Practice Nursing (3 units)**
In this course the student examines the use of nursing theory as a guide for the art and practice of nursing. Student and faculty coinvestigate the relationship between theoretical underpinnings of a philosophical lens of understanding and as a guide for nursing practice, research, and education. Students select a nursing theory which will guide advanced practice nursing based on a personal philosophy.
- NUR 555 Advanced Pathophysiology (3)**
This course examines complex physiologic biomedical cellular processes essential to an understanding of disease and disease management concepts are explored in relation to body systems. Age specific alterations are correlated with clinical and medical diagnostic findings to provide the student with a basis for biomedical clinical decision-making, diagnostic reasoning and pharmacotherapeutics.

- NUR 558 Pharmacology in Advanced Nursing Practice (3)**
This course provides advanced knowledge of and principles regarding pharmacotherapeutic agents. The clinical use of drugs commonly used in primary and other health care settings is explored. Theoretically founded this study of pharmacokinetics, pharmacodynamics, pharmacoeconomics and pharmacotherapeutics of selected classifications of drugs is pathophysiologically-based. Essential variables such as age, race and gender are explored in relationship to specific furnishing practices, including genomics and commonly-used complementary drug therapies. Legal and ethical issues are emphasized throughout. Established national standards guide application of particular classifications. This course is designed to prepare the advanced practice nurse to meet current Board of Registered Nursing requirements for furnishing privileges, including legalities of Scheduled drugs.
- NUR 559 Nursing Research Design and Methods (2)**
This course provides an opportunity to study the research process in depth, primarily as it relates to critique and utilization with nursing theoretical perspectives. An overview of qualitative and quantitative research designs are presented. The emphasis is on utilization of nursing research, in checking how to evaluate research, problem or phenomena identification within the practice setting, awareness of practice outcomes, and the application of research in the practice setting. Participants are invited to develop a pilot research proposal congruent with a nursing theoretical perspective for the purposes of utilizing new knowledge to improve or enhance advanced nursing practice.
- NUR 560 Advanced Health Assessment and Health Promotion (4)**
This course provides the theoretical science base for multidimensional health and advanced physical assessment of individuals across the life span with emphasis on the adult. Complexities, variations and differences from expected health patterns and parameters, including contextual perspectives, cultural-ethnic influences and risk factor identification will be discussed. Advanced assessment skill development including analysis and comprehensive synthesis of accurate subjective and objective data to identify health-related problems, form working data bases, broaden diagnostic skills, and develop management plans for application to the advanced practice nurse role will be emphasized. Application of critical thinking and clinical decision-making are incorporated with each system and problem-oriented issue. Essential nurse-person implications for the promotion of health will be incorporated throughout. Weekly laboratory practicum facilitates refinement of competent advanced assessment skills and documentation.
- NUR 565 Advanced Nursing Theory-Guided Practice Role (4)**
Critical concepts in the abnormal nursing services of selected adult populations are studied from a nursing theoretical perspective. Evidence-based nursing is practiced within a specialty that leads to competencies to (a) expand the boundaries of nursing practice by focusing on the complimentary biomedical knowledge base of illness and disease management, (b) advance the practice of other nurses and nursing personnel, and (c) envision organizational/system processes which support patient-focused nursing services and enhance the practice of nursing. Client populations may be selected from healthcare institutional settings of critical care, adult medical-surgical or gerontology with the instructor's consent. Prerequisites: Academic core, advanced practice core, current RN license, CPR healthcare provider certificate, professional malpractice insurance, health screening requirement.
- NUR 570 Research Proposal/Applied Projects Writing for Advanced Practice Nursing (3)**
The research project provides an opportunity for scholarly work and application of nursing theory through the graduate program of study. The project should have relevance and make a contribution to the discipline of nursing. Under the direction of a student selected research project committee, the graduate student will refine the research project proposal initiated in NUR 559, expand the review of literature, submit the proposal to appropriate review committees for approval.
- NUR 578 Nursing Informatics/Health Policy in Advanced Practice Nursing (3)**
This course examines the major components and organizational interrelationships of the United States health service system including content regarding legal regulations and standards, organizations, network, health system theories, organizational outcomes management, and ethical decision-making concepts and theories. Human and Fiscal Resource management concepts and policies will be highlighted. Continuous quality improvement, risk management and implications for clinical supervision will be discussed.
- NUR 580 Clinical Specialization in Nursing Services (4)**
This course includes continued study of the clinical nurse specialist role and competencies and the application of this knowledge and skills in a selected clinical practice area. The implementation and evaluation of CNS competencies in a specific clinical area are addressed. Practicums and seminars are planned according to the students nursing practice interests. Prerequisites: Academic core, advanced practice core, and NUR 565.
- NUR 581 Administrative Theory in Nursing (3)**
The advanced study of nursing leadership from a Human becoming nursing theoretical perspective in conjunction with complementary management and administration theories will be explored. The application of nursing and other leadership/management theories with nurse practice situations of administering nursing services will be highlighted. Emphasis will also be placed with an overview and discussion of organizational and communication theories, nursing services delivery systems and quality initiatives.

Master of Science in Nursing

- NUR 582 Nursing Curriculum and Program Development (3)**
This course analyzes selected teaching and learning models that are applicable to nursing education. Nursing theoretical perspectives with the nursing Humanbecoming teaching-learning model is highlighted. Strategies for course development with didactic and practicum teaching are examined. Research relative to nursing education is reviewed and critiqued. Design of applied research methods to determine effectiveness of teaching strategies is incorporated. Selected university faculty and nurse education issues are also explored. Placement of the course: First course requirement for teaching nursing credential.
- NUR 583 Practicum in Administering Nursing I (3)**
Nurse managerial functions and responsibilities are analyzed. Emphasis is placed on planning, organizing, implementing and controlling health care services. Interdisciplinary concerns are discussed and service outcomes evaluated. This practicum course provides the graduate student an opportunity to apply nursing and complementary leadership/ management concepts in the practice of nurse administration. The student and faculty advisor shall choose an area of practice concentration and a setting appropriate for meeting the course and student goals. The student has a master's prepared preceptor/mentor at the selected practicum site.
- NUR 584 Instructional Strategies for Nurse Educators (3)**
This course includes an analysis of educational leadership and the multiple roles of the nurse educator related to teaching, scholarship, service, and practice. A Humanbecoming nursing theoretical perspectives and practical approaches supported by research in nursing and higher education literature, as well as the Christian educator's role promoting faith integration, are addressed. Placement of the course: This course is the second course in the teaching nursing credential sequence
- NUR 585 Practicum in Administering Nursing II (3)**
Theories of administration are applied to analyzing a health service in a select nursing practice setting with the guidance of a faculty member and an administrative preceptor/mentor. Organizational opportunities and challenges for change are identified and plans are developed to improve the quality and efficiency of healthcare services. A continuation of NUR 583 provides the graduate student with the opportunity to apply leadership/management concepts learned in the MSN program. Through mutual agreement, the student and advisor choose an area of concentration and clinical practice site appropriate for meeting both course and student goals. The student has a master's prepared preceptor at the practicum site. This practicum may be a continuation of NUR 583 with the same preceptor at the same site, or it may be a new area of concentration that meets the same practicum criteria as NUR 583.
- NUR 586 Evaluation and Testing for Nurse Educators (3)**
Theoretical approaches to educational assessment, the development and implementation of nursing curriculum, and student and program outcomes are addressed. The importance of a cohesive program philosophy, mission, conceptual framework and program outcomes are emphasized. The course includes critical analysis of related topics based upon current research in nursing and higher education literature. Placement of the course: This course is the third course in the teaching nursing credential sequence.
- NUR 587 Issues in Healthcare Finance (3)**
An introduction to healthcare financing and nurse services are explored. Content includes nursing leadership responsibilities with strategic planning, budgeting, goal setting, quality indicators and financial planning in various healthcare settings. Emphasis is placed on knowledge acquisition and application for enhancing nurse administrator skills with program planning and budget preparation.
- NUR 588 Nurse Educator Practicum (3)**
This practicum course builds on both clinical and teaching/learning theories, concepts in curriculum design, instructional strategies, and mentorship is emphasized. Under the supervision of a faculty/mentor, the practicum includes teaching in a classroom experience that focuses on designing and implementing teaching plans for units of instruction, writing of teaching/learning objectives and indicators, selecting teaching strategies and learning activities, assessment of student learning outcomes, obtaining feedback on teaching performance from the faculty/mentors, students, self-evaluation, and reflection. The clinical teaching practical experience focuses on assessing and meeting student nurse practicum learning needs, conducting post student nurse practice conferences, clinical evaluation of nursing student performance, and student advisement responsibilities. Prerequisites include all prior teaching nursing credential courses.
- NUR 597 Comprehensive Examination (1)**
This course guides the student through the process of demonstrating a synthesis and integration advanced nursing theoretical, practice, and research knowledge. The examination is taken at the conclusion of the seminar. Prerequisites: Academic core, advanced practice core, and specialty courses
- NUR 598 Thesis (1)**
This course expands the research experience of the student. Under the direction of a faculty member and thesis committee, the student will conduct the approved research project from NUR 559. The student will prepare and defend a nursing research thesis. If the student does not defend at the end of the course, the student must continue to register for the course each subsequent semester until the thesis requirement is fulfilled. The thesis is recommended for students who intend to pursue doctoral education.

Public Administration Coursework

- MPA 510 History and Theory of Public Administration (3)**
This course traces the historical development of the intellectual and theoretical foundations of modern public administration beginning with Woodrow Wilson's essay concerning the politics administration dichotomy through the multitude of more modern theories. It includes an overview of the responsibilities of public administration professionals within a democratic society, a description of the history and development of the field of public administration, and an introduction to ethical issues faced by public administrators.
- MPA 520 Leadership and Management (3)**
This course is designed to create a deeper understanding of leadership at the cognitive, experiential, and implementation level. Students will integrate and apply theoretical concepts, improve collaborative management skills, and explore their individual philosophies of leadership.
- MPA 530 Public Finance and Budgeting (3)**
This course analyzes theories and strategies of resource allocation as a basis for managing revenues and debt in government. It focuses on budgeting as a tool for controlling both operations and policy at all levels of government. Students will gain knowledge of the role of government in a market economy, how local, state and federal governments raise the money they spend, and why expenditures are channeled toward certain critical areas in the economy under conditions of market failure.
- MPA 545 Human Resource Management and Organizational Dynamics (3)**
This course presents concepts and techniques required to successfully implement change across an organization. Coursework focuses on identifying an organization's vision as well as opportunities that can align the vision with the organization's structures, processes, culture and orientation to the environment. Also addressed are the opportunities for, and problems in, managing human dynamics in organizations, including intervention techniques, models, principles and values that indicate how to take charge of planned change efforts in order to achieve success.
- MPA 550 Information Technology (3)**
This is a graduate-level course introducing policy and management issues in information technology. Topics center on the prerequisites to successful implementation of government information technology initiatives, and also on organizational and social impacts of these initiatives.
- MPA 560 Statistical Analysis for Public Administrators (3)**
This course provides an introduction to statistical analysis and its application to research and decision-making for public administrators. The emphasis is on the collection and analysis of quantitative data using PASW and Excel. Topics include descriptive statistics, probability concepts, confidence intervals, data collection, and data analysis - including parametric and nonparametric data analysis using PASW and Excel.
- MPA 570 Public Policy Analysis (3)**
This course examines the activities of government and the consequences of these actions. Through the application of analytical techniques, the student will gain an understanding of the nature of public policy and various ways in which it may be approached.
- MPA 580 Legal and Ethical Issues (3)**
This course examines the basic legal and ethical concepts and challenges facing public administrators. The lectures, readings, and class discussions will be used to identify principles that might guide legal and ethical choices, and to show the practical impacts of these principles.
- MPA 585 Political Economy (3)**
This course examines the interrelationship of political and economic factors that influence both public political and economic outcomes. Key means of analysis will include application of micro- and macro-economic theories to obtain better understandings of political and administrative decision-making processes.
- MPA 593 Professional Presentation (3)**
This course examines and prepares students for professional presentation skills within an organization. This course provides students with effective ways of integrating technology, data, narrative information and persuasive oral presentation skills. Practical application and demonstration of skills will be required.

- MPA 594 Comprehensive Examination Seminar (3)**
This course introduces students to the concepts, approaches and methods of completing a comprehensive exam. Focus will be placed on proper scholarly examination writing techniques as well as a comprehensive review of public administration coursework themes, theories, best practices and applications. Pass/Fail.
- MPA 596 Research Assessment and Preparation (3)**
This course introduces students to the concepts, approaches and methods of research in public administration through the exploration of various data collection methodologies (including experimental design, survey, observation, content analysis, case study, and evaluation). At the end of the course students will choose which of the culminating projects best meets their needs: 1) comprehensive exam, 2) project, 3) thesis.
- MPA 597 Research Project (3)**
Students will be engaged in a faculty supervised and approved project that is contoured to their particular career objectives. The format is flexible but should result in a major paper of approximately fifty pages in length. Pass/Fail
- MPA 598A Research Thesis (2)**
This course is a guided development of a research thesis. This course may be repeated once for credit. Students cannot take MPA 598A until their final semester of coursework. Pass/Fail. Prerequisite: Program Director Approval
- MPA 598B Research Thesis Continuation (1)**
This course is a continuation of the research thesis and may be repeated once for credit. Pass/Fail. Prerequisite: Program Director Approval.
