1. ACCREDITATION

The ARC-PA has granted **Accreditation-Provisional** status to the **California Baptist University Master of Science in Physician Assistant Studies Program** sponsored by California Baptist University.

Accreditation-Provisional is an accreditation status granted when the plans and resource allocation, if fully implemented as planned, of a proposed program that has not yet enrolled students appear to demonstrate the program's ability to meet the ARC-PA *Standards* or when a program holding Accreditation-Provisional status appears to demonstrate continued progress in complying with the *Standards* as it prepares for the graduation of the first class (cohort) of students.

Accreditation-Provisional does not ensure any subsequent accreditation status. It is limited to no more than five years from matriculation of the first class.

2. Prerequisites

Please note the following guidelines for prerequisite courses:

- *All courses must have a grade of C or better.*
- *Science courses taken within the past 5-7 years are preferred.*
- *Sciences courses taken online or hybrid courses are NOT acceptable for fulfillment of prerequisites. Students will be required to sign a statement acknowledging that all science courses and labs were completed in a classroom setting.*
- *Advanced Placement (AP) courses taken during high school may be used to fulfill the Math and English requirements only. A minimum score of 3 out of 5 on AP tests is required. Documentation of satisfactory completion is required.*
- *All prerequisite courses must be taken in U.S. institutions that are regionally accredited and must be transferrable to CBU.*

For students currently attending CBU, the following courses are recommended:

- Human Anatomy & Physiology I/II: BIO 153 & 163 with Lab
- General Chemistry I/II: CHE 115 & 125 with Lab
- Microbiology: BIO 305 with Lab
- Psychology: PSY 213, 305, or 346
- Mathematics: MAT 115, 135, or 245
